STUDENT MEETING for Online Classes

**Tuesday, August 31st
7:00 PM
Canyon High School Cafeteria**

All classes are taught by highly qualified OUSD Teachers

"I really liked the fact that it was an independent class online for the most part. If I had any difficulties my teacher was always there to answer my concerns or questions. It was more like a college class, independent, with a date set for the homework due. The test date was always posted, and when to attend the Elluminate Live sessions. I really liked the online class set up." **OrangeLIVE! Economics Student**
