## THE ORANGE COUNTY CHILDREN'S BOOK FESTIVAL

**15th Annual Orange County Children's Book Festival**  
Sunday, September 30, 2018 - 9:30 am – 4:00 pm  
[www.kidsbookfestival.com](http://www.kidsbookfestival.com)

In Association with Orange Coast College

TO: CLASSROOM TEACHERS  
FROM: Orange County Children's Book Festival

Please distribute these bookmarks to your students before September 22nd. It will remind them about the 15th Annual Orange County Children's Book Festival.

**Sunday, September 30, 2018. 9:30 a.m. – 4:00 p.m.**  
**Orange Coast College, Costa Mesa**  
**This is a FREE event and FREE parking!**

There will be over 125 authors and illustrators, professional storytellers, booksellers, and educational booth exhibits. This year we are being given a **sneak preview** of Orange Coast College's NEW, state-of-the-art **Planetarium**. In addition to meeting and visiting published authors and illustrators your students can learn about the Planetarium's educational and fun family events. Consider making the Book Festival experience part of your curriculum this fall.

In conjunction with the Planetarium theme we will feature a **STEM** stage with **Nicole Stott, NASA astronaut** speaking. Our Main Stage presents family friendly entertainment. **Danica McKellar**, actress and bestselling author, will inspire students to love math. Back by popular demand are the Animal Stage, Storyteller Stage and the Author/Illustrator Stage. Also returning is the Early Reader Stage and the Middle Grade Stage. Many authors will be reading from their books. There are award winning illustrators demonstrating drawing techniques, too.

The festival offers the rare opportunity to see, purchase and take home a wide variety of children's books. Some of the many vendors include Mrs. Nelson's Book Faire, Scholastic Book Fairs, and individual authors. And yes, Puppets-n-Players returns this year.

Please visit our website, [www.kidsbookfestival.com](http://www.kidsbookfestival.com) or find us on Facebook at Orange County Children's Book Festival for more information.

*Encouraging the love of books and readings for children and their families is the Festival's highest priority.*
