Hey fellow students, did you know that YOU are the primary architects of your career? The task of selecting a career field and developing a plan to realize that goal can be challenging. However, the ASVAB Career Exploration Program can help you. On Thursday, February 25th, the ASVAB/Aptitude test will be administered in the PAC. To sign up for this test or to pick up an information packet about ASVAB, please stop by the Library. The signup sheet will be in the red binder on Mrs. Meissner's desk.
