Hello CARES Families,

We are very excited to announce registration for **Phase 2!**

It has been a difficult few months for everyone and we know that we will face some challenges as we prepare for our "new normal." We have worked very hard to prepare for Phase 2, putting safety measures in place, creating spaces for social distancing and redesigning curriculum in order to offer an environment for children to laugh, have fun, reconnect, and regain some normalcy.

We have implemented new policies and procedures to ensure the safest environment for both students and staff. We will have specific sanitation and disinfecting guidelines and hand washing rotations.

- **In Phase 2, we are accepting FULL TIME, M-F families only.** (Due to safety, staffing and space, we will not be able to accommodate care for Hybrid or Distance Learning families at this time).
- Student/Staff ratio will be 14/1.
- An afternoon snack will be provided by CARES.
- A water bottle is recommended.
- Invoices will be emailed, and payment is due on or before the first of each month. If payment is not received by the 11<sup>th</sup>, a late charge will be applied on your Eleyo account. Failure to pay by the 15<sup>th</sup> may result in dismissal from the program.
- If you have a credit on file due to school/CARES closure from March 2020, your credit will be applied toward your account upon approval and payment will not be processed. If you do not have a credit on file, payment will be processed upon approval of your enrollment.
- Older sibling(s) receive a 10% discount.
- Refunds/credits will not be issued for absences, vacations, suspension or termination.
- After you have submitted your enrollment, you will receive an email stating your enrollment is being processed. Once your enrollment has been processed and approved, you will receive another email confirmation.
