

## **ARTICLE 6: LEAVES**

### **6.100 Personal Illness and Injury Leave**

- 6.110 Unit members shall be entitled to be absent with pay from duty due to personal injury, illness or disability related to pregnancy.
- 6.120 Regular unit members shall be granted one day of paid leave for each month of service or major portion thereof according to their assigned work calendar. Unit members who work part-time shall receive prorated sick leave. Pay for any day of such absence shall be the same as the pay which the unit member would have received had the unit member served during the day of illness.
- 6.121 These days shall be granted and effective on the first work day of each school year, and may be used at any time during the specified work year period, and shall accumulate without limitation.
- 6.122 A unit member may take up to six (6) days or one-half (1/2) of the amount to which he/she is entitled during the first six months of service.

### **6.130 Notification/Verification**

- 6.131 Unit members shall notify their supervisor or designee as far in advance as possible, when they are to be absent for illness/injury. If the absence is to be longer than one (1) day, subsequent notification for each day's absence can be stated at the time of the initial notification. On absences longer than one (1) day, the unit member shall notify his/her supervisor or designee the day before returning so that the substitute, if employed may be released. Upon return from an absence, the unit member shall complete a statement verifying the absence was due to illness/injury. In case of an extended illness/injury, the unit member shall complete an absence affidavit once per month on or before a date established by the District.
- 6.132 The District may require verification of the unit member's illness/injury after an absence of five (5) or more work days through verification by a physician or licensed health advisor chosen by the unit member.

### **6.140 Extended Illness or Injury/Disability**

When the unit member is absent from duty due to illness or injury for a period of five (5) school months or less, whether or not the absence arises out of or in the course of employment, the amount deducted from the salary due the unit member for that month in which the absence occurs shall be fifty percent (50%) of the unit member's regular salary.

- 6.141 The above entitlement shall be available only after the accrued sick leave has been exhausted.
- 6.142 The five (5) month period shall commence beginning the thirty-first (31<sup>st</sup>) workday of illness or injury and if the absence extends into the first day of the new fiscal year (July 1<sup>st</sup> to June 30<sup>th</sup>) this benefit shall be renewed. In the event a unit member exhausts accrued sick leave prior to the thirty-first (31<sup>st</sup>) work day, the five month period shall commence on the first work day following the exhaustion of the accrued sick leave.
- 6.143 Any unit member may utilize the above listed leave for purpose of a disability related to pregnancy, miscarriage, childbirth and the recovery there from. The length of such leave, including the date on which the leave shall commence and the date on which the unit member shall resume duties, shall be determined by the unit member and the unit member's physician; provided that such verification assures the District that such leave is for disability and is not just for

purposes of child care or any purposes other than pregnancy related disability. Such pregnancy disability leave, with pay, shall be granted and administered in the same manner as any other temporary disability for illness or injury.

- 6.144 During long term leaves of absence which result in the exhaustion of all compensation, the District may fill those positions deemed to be necessary for its efficient operation. Employees returning to work after a long term medical leave shall be employed according to all applicable sections of the Education Code. In matters of long term personal leave, the District will make every effort to reinstate the employee in a like position provided current staffing patterns permit.
- 6.145 When all available leaves of absence paid or unpaid have been exhausted and if the unit member is not medically able to assume the duties of the person's position, the person shall be placed on the reemployment list for a period of thirty-nine (39) months.
- 6.146 Unit members, who have completed 5 years of service in the District, shall receive District provided health, dental and life insurance benefits for a period not to exceed 6 months, provided the unit member is medically unable to return to work and the District may require verification of medical disability by a District physician at District expense.
