## 20-21 Grant

## Public Hearing!

*"We need you!"*

With so much going on this year, we need "all hands on deck," so to speak. I know that these are anxious and stressing times with home quarantine, social distancing, economic changes, home schooling and Covid-19.

The Title VI Grant Public Hearing for the school year 2020-2021 will be done remotely on Thursday, May 14 at 2:00p.m.-3:00. The approval signature page will be signed online.

### Remote instructions:

Our public hearing will take place virtually on Thursday, May 14 at 2:00 pm. Please join us using the following Blackboard Collaborate link:

### Help, I'm Going Stir Crazy!:

I thought I always wanted to work from home, that was my dream job. Well, now I know the truth. I really don't like working from home. Working from home is not what I thought it would be. It's not the work, the silence, or missing my coworkers; it's the cooking and house cleaning. I know that sounds strange but Saturday is my cleaning day. Staying home makes me restless. I can only imagine what it is like for all of our Title VI parents with kids and pets, plus the additional role of being a home school teachers without pay. You are my "Heroes!" It is because of you, that we will all get through this.

# College Bound Tips

Every student can go to college if we prepare them now. Listed below are some tips for success for grades 6 through 12. Every month, we will be adding more exciting tips.

## 6th Grade

- Prepare to take courses such as Algebra I, Algebra II, Geometry, and foreign languages
- Help your student with homework and develop independent and critical thinking skills

## 7th Grade

- Spark a desire for a college education by attending College Information Days with your child.
- Establish an educational partnership between parent, student, and counselor.

## 8th Grade

- Attend College Days and go on family field trips to college campuses
- Sign up to take PSAT (Preliminary Scholastic Assessment Test) and SAT (Scholastic Assessment Test); the Title VI Program is paying for Santiago College SAT Workshops for April and May.

## 9th Grade

- Attend Back to School Nights to find out class and graduation requirements.
- With your counselor, develop a "Student Planner."

## 10th Grade

- Attend Special Summer Workshops
- Visit College Campuses

## 11th Grade

- Check with your counselor to make sure you are on track.
- Prepare for the SAT, and CAHSEE Test.
- Use the Diagnostic Writing Services of a university or use the Santiago College's Writing Workshop that is offered through the Title VI-Native American Program.

## 12 Grade

- Begin your college application process in September and October.
- Apply to all the schools you want to attend.
