Dig Deeper: Read, Investigate, Discover

with **Anaheim Public Library**

June 15-Aug 8, 2020

Read for Prizes

Anaheim Public Library launches this year's Summer Reading Program, *Dig Deeper: Read, Investigate, Discover!*

Sign-up for the virtual Summer Reading Program starting on **Monday, June 15!** Download the **READsquared app** or visit anaheim.readsquared.com.

Keep track of your reading progress throughout the summer. Each book or activity you log enters you into a weekly raffle, earns badges, unlocks games, and more in READsquared!

Virtual Programs

Watch engaging virtual programs on Facebook and Instagram. Virtual programs allow kids, teens, and adults to participate in educational activities related to the theme throughout the summer including archaeology, cooking demos, yoga and more!

Visit the web calendar at Anaheim.net/LibraryCalendar or follow us @[AnaheimLibrary](https://www.instagram.com/AnaheimLibrary) for program announcements.

Importance of Summer Reading

Preventing the effects of summer slide is simple – Read! Children and young adults need ongoing opportunities to learn and practice essential skills.

Summer Reading reminds kids that reading is for fun. Reading for as little as twenty minutes a day helps to keep children engaged and in a mindset that supports the learning of new information.

This can actually lead to an improvement of reading skills, better preparing your child for the upcoming school year.

Support

The Summer Reading Program is generously funded by the Friends of the Anaheim Public Library, Friends of the Canyon Hills Library, the Anaheim Public Library Foundation, and H&R Block in partnership with the Anaheim Public Library Foundation.
