

Running Springs Elementary School

School Accountability Report Card

Reported Using Data from the 2019-2020 School Year

Published During 2020-2021

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

About This School

School Contact Information (School Year 2020-2021)

Entity	Contact Information
School Name	Running Springs Elementary School
Street	8670 Running Springs Drive

School Description and Mission Statement (School Year 2020-2021)

Running Springs Elementary School is one of 27 elementary schools in the Orange Unified School District. The school was established in July of 1999 and is located in a residential neighborhood in Anaheim Hills. Running Springs consists of thirty classrooms, six portable classrooms, a multi-purpose building, and an administration building. The administration building contains offices, the staff lounge and workroom, the STEAM lab, and library. Approximately 600 students were enrolled in grades transitional kindergarten through sixth including general education and special education during the 2019/2020 school year. Running Springs students are fortunate to have the opportunity to learn from the variety of ethnic and cultural backgrounds that make up our diverse population.

Should we return to the school schedule we maintained pre-COVID 19, Running Springs provides the following number of instructional minutes with a modified Wednesday schedule: Kindergarten- 295 minutes, grades 1 to 3- 295 minutes, and grades 4 to 6- 320 minutes. Grades K-6 will each have 245 minutes of instruction every Wednesday to allow for professional development and teacher collaboration to plan instruction that prepares students for the 21st century.

The school has a significant technology infrastructure as part of its design. As a result teachers are able to use a variety of technology resources as instructional tools including; two STEAM Labs, classroom computers, and devices (Chromebooks and iPads). These devices allow each student with the opportunity to develop computer skills necessary as our students move to middle and high school. School-wide technology is also used to access diagnostic and periodic assessments that support each student's individual needs.

During the 2019/2020 school year, teachers were provided support to develop their expertise in differentiated instruction, while incorporating 21st century skills that target student communication, collaboration, creativity, and critical thinking. As a result, students were provided with rigorous instruction that aligned with the Common Core State Standards. To meet the individual needs of students, benchmark assessments were used to reflect and determine the individual support each student required to be successful. Support was provided through small group instruction in the classroom and after school tutoring.

Student leadership plays an important part in our school community. Prior to restriction due to COVID-19, students can exhibit leadership abilities through classroom jobs and the opportunity to lead projects. In addition, upper grade students can apply to be selected for Student Council. This group of students are role models for their peers and support spirit days and lunch activities. Another opportunity for students to participate in leadership is through our Peer Assistance and Leadership program (PAL). Students in the PAL program are dedicated to working as a group to solve issues on campus and design and implement community projects to better our school.

Running Springs is committed to providing a success-oriented and safe learning environment for all students. The teaching staff encourage parents to become involved and familiar with their children's school. We welcome and depend on the strong parent involvement to provide a team approach to our children's education.

Mission/Vision Statement:

The staff and community of Running Springs Elementary School are dedicated to providing a rigorous education which will empower all students to achieve academic success, embrace life-long learning through inquiry, and become productive, globally aware citizens. Redhawks will strive to create a better world through intercultural understanding and with respect for others and the earth we share.

Student Enrollment by Grade Level (School Year 2019-2020)

Grade Level	Number of Students
Kindergarten	134
Grade 1	86
Grade 2	101
Grade 3	92
Grade 4	92
Grade 5	73
Grade 6	93
Total Enrollment	671

Student Enrollment by Student Group (School Year 2019-2020)

Student Group	Percent of Total Enrollment
Black or African American	2.5
American Indian or Alaska Native	0.1
Asian	19.2
Filipino	2.4
Hispanic or Latino	23.7
Native Hawaiian or Pacific Islander	0.1
White	42
Two or More Races	7.9
Socioeconomically Disadvantaged	15.2
English Learners	6.4
Students with Disabilities	7.6
Foster Youth	0.1
Homeless	

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Teacher Credentials

Teachers	School 2018-19	School 2019-20	School 2020-21	District 2020-21
With Full Credential	29	28	27	1033
Without Full Credential	0	0	0	5
Teaching Outside Subject Area of Competence (with full credential)	0	0	0	7

Teacher Misassignments and Vacant Teacher Positions

Indicator	2018-19	2019-20	2020-21
Misassignments of Teachers of English Learners	0	0	0
Total Teacher Misassignments*	0	0	0
Vacant Teacher Positions	0	0	0

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Quality, Currency, Availability of Textbooks and Other Instructional Materials (School Year 2020-2021)

Year and month in which data were collected: September 2020

All K-8 textbooks are selected from the state matrix provided through the California Board of Education. Teachers peruse the materials and select by majority vote. Selected texts are then submitted to the Board of Education for final approval. Textbooks are procured in sufficient numbers for each student to receive a textbook. High School adoptions are content area based, with teachers selecting appropriate materials for the course objectives as outlined in the course description approved by the Board of Education. Selected texts are submitted to the Board for approved use in classrooms with purchase ratio of one per student. The Public Hearing and Adoption of Resolution No. 9-20-21 of the Board of Education of Orange Unified School District on the sufficiency of textbooks, instructional materials and science lab equipment (9-12) was approved on September 10, 2020.

Subject	Textbooks and Other Instructional Materials/year of Adoption	From Most Recent Adoption?	Percent Students Lacking Own Assigned Copy
Reading/Language Arts	McGraw-Hill Reading Wonders ELA/ELD Program adopted in 2017 for Grades K-6 selected from the most recent list of standards-based materials adopted by the State Board of Education consistent with the textbook adoption cycle. Fully available for all students.	Yes	0%
Mathematics	Pearson/Scott Foresman enVision California Common Core Mathematics Program adopted in 2014 for Grades K-2 & adopted in 2015 for Grades 3-6. Selected from the most recent list of standards-based materials adopted by the State Board of Education consistent with the textbook adoption cycle. Fully available for all students.	Yes	0%
Science	Amplify Science was adopted in 2019 for grades K-6. Selected from the most recent list of standards-based materials adopted by the State Board of Education consistent with the textbook adoption cycle. Fully available for all students.	Yes	0%
History-Social Science	Harcourt Social Studies Program adopted in 2006 Grades K-5 selected from the most recent list of standards-based materials adopted by the State Board of Education consistent with the textbook adoption cycle. Fully available for all students. Glencoe Discovering Our Past Social Studies Program adopted in 2006, Grade 6 selected from the most recent list of standards-based materials adopted by the State Board of Education consistent with the textbook adoption cycle. Fully available for all students.	Yes	0%

Subject	Textbooks and Other Instructional Materials/year of Adoption	From Most Recent Adoption?	Percent Students Lacking Own Assigned Copy
Health	Too Good For Drugs Program was adopted in 2008 for Grades 3-6, and adopted for grades 1-2 in 2009. Fully available to all students.	Yes	0%

Note: Cells with N/A values do not require data.

School Facility Conditions and Planned Improvements

The school opened in 1999, and was built ADA compliant. Technology infrastructure was included in the design, and each class has cabling for several internet connections. Classrooms are designed around smaller pods, allowing easy facilitation of small group instruction. There are adequate classrooms for all students. There are six portables on campus, each meeting the safety standards.

Maintaining the appearance, safety, and functionality of Running Springs is a priority for staff and parents. One part-time and two full-time custodians maintain the site each day. The school grounds are kept clean and well-manicured. The site administrator and day custodian monitor the site daily to identify any areas that could be of danger to the students or staff. Four times a year the administrator and custodian are required to conduct a thorough site inspection and submit a report to Risk Management. The district makes requested repairs in a timely manner and schedules for the site differed maintenance as needed. Work orders have been created/addressed for all items noted as in need of repair with our custodial staff and/or district maintenance department.

Running Springs is a closed campus; night lights and locked gates are utilized to eliminate vandalism. Local youth organizations use the multi-purpose room after school and on weekends.

The following information is taken from the October 21, 2021, Facility Inspection Tool (FIT). The overall condition of our school according to the FIT report is good.

School Facility Good Repair Status

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected
- The overall rating

Year and month of the most recent FIT report: 10/21/2020

System Inspected	Rating	Repair Needed and Action Taken or Planned
Systems: Gas Leaks, Mechanical/HVAC, Sewer	Good	
Interior: Interior Surfaces	Good	Room 321: Carpet old and wrinkled-Tripping hazard Room 323: Carpet worn/Tripping hazard Room 401: Baseboards coming off wall Room 403: Large separation in carpet then was glued down

System Inspected	Rating	Repair Needed and Action Taken or Planned
Cleanliness: Overall Cleanliness, Pest/ Vermin Infestation	Good	
Electrical: Electrical	Fair	Multi-purpose Room: 10-Lights out Room 107: 6-Lights out Room 108: 5-Lights out Room 200: 4-Lights out Room 201: 2-Lights out Room 203: 2-Lights out Room 204: 3-Lights out Room 205: 3-Lights out Room 207: 4-Lights out Room 208: 2-Lights out Room 210: 1-Light out Room 213: 1-Light out
Restrooms/Fountains: Restrooms, Sinks/ Fountains	Good	Grounds/Playground: Outsida 300 wing Drinking fountians not working
Safety: Fire Safety, Hazardous Materials	Good	
Structural: Structural Damage, Roofs	Good	
External: Playground/School Grounds, Windows/ Doors/Gates/Fences	Good	
Overall Rating	Good	

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in ELA and Mathematics for All Students

Grades Three through Eight and Grade Eleven

Percentage of Students Meeting or Exceeding the State Standard

Subject	School 2018-19	School 2019-20	District 2018-19	District 2019-20	State 2018-19	State 2019-20
English Language Arts/Literacy (grades 3-8 and 11)	74	N/A	57	N/A	50	N/A
Mathematics (grades 3-8 and 11)	70	N/A	44	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in ELA by Student Group

Grades Three through Eight and Grade Eleven (School Year 2019-2020)

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Not Tested	Percent Met or Exceeded
All Students	N/A	N/A	N/A	N/A	N/A

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

CAASPP Test Results in Science for All Students

Grades Five, Eight, and High School

Percentage of Students Meeting or Exceeding the State Standard

Subject	School 2018-19	School 2019-20	District 2018-19	District 2019-20	State 2018-19	State 2019-20
Science (grades 5, 8 and high school)	52	N/A	32	N/A	30	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: The new California Science Test (CAST) was first administered operationally in the 2018-2019 school year.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject areas of physical education.

California Physical Fitness Test Results (School Year 2019-2020)

Grade Level	Percentage of Students Meeting Four of Six Fitness Standards	Percentage of Students Meeting Five of Six Fitness Standards	Percentage of Students Meeting Six of Six Fitness Standards
5	N/A	N/A	N/A
7	N/A	N/A	N/A
9	N/A	N/A	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-56-20 was issued which waived the requirement to administer the physical fitness performance test for the 2019-2020 school year.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-2021)

We are proud of the customer service we provide and the parent/staff collaboration that makes Running Springs an amazing school. The staff embraces parent involvement to develop a partnership to support their child's education. We encourage parents to participate in their child's education by volunteering in the classroom, joining the PTA, EFAH, Dad's Club, and serving on school committees. Throughout the year the PTA and school work together to enrich our students' learning experience.

We are fortunate to have an active PTA at Running Springs that works as a team to coordinate a successful fundraiser at the beginning of the year that funds multiple learning opportunities for our students. Our PTA provides enrichment assemblies on site that are grade level specific and support the Common Core State Standards (CCSS). When we return to "normal" activities (pre-COVID-19) Each grade level participates in a social studies or science assembly sponsored by the PTA. Additionally, all students participate in Art Masters to develop an understanding of different artists who have impacted our world. In order to recognize students' positive behavior and achievement, PTA provides awards and incentives. Birthday Book Club provides hundreds of books to our school library for all students to have access to daily. We are fortunate to have a PTA that provides our students with the opportunity to be exposed to amazing enrichment programs, incentives, and academic materials.

In addition to enrichment programs PTA provides events that bring the community together. The PTA coordinates the annual Family Fun Night, Run-A-Thon, Family Bingo Night, December Crafts, Bike Rodeo, Red Ribbon Week, and Talent Show. We are hopeful that these activities will resume once restrictions due to the pandemic are lifted. They also partner with the site administrator to keep the community informed through home-school communication via monthly newsletters, phone messages, school website, emails, school marquee, weekly communication folders, and parent meetings. PTA meetings are held every month where all parents are welcomed and encouraged to take part in their child's education.

The Education Foundation of Anaheim Hills (EFAH) provides fundraising towards innovation and technology. These fundraising efforts have yielded infrastructure to lead our school into a 21st Century Education, the Fours Cs, and to help students prepare to be college and career ready. Additionally, EFAH has formed an active Dad's Club, which supports our student body with various projects around campus.

Running Springs parent volunteers coordinate the 4th-6th grades outdoor school fundraisers to ensure all students attend the camp in the sixth grade. In a non restrictive environment (COVID-19) parents assist in the following ways..... library, vision and hearing screening, school pictures, school directory and yearbook. Parent volunteers are also a vital part of the daily instructional program at Running Springs. Many parents volunteer their time in the classroom to prepare instructional materials, assist teachers to monitor small group instruction, and chaperone field trips and special events/programs.

In addition to the outstanding PTA support, Running Springs also offers a cultural awareness night, known as Around the World Family Night. This allows students and families to share their ethnic backgrounds through food, art, and dance. Lastly, the school invites community members to join in Read Across America Day, which celebrates reading and community involvement on Dr. Seuss' birthday. We are hopeful to continue this tradition once the restrictions due to the pandemic are lifted.

The teachers at Running Springs are very involved with the parents and community. They coordinate parent/teacher conferences in the fall, encouraging parents to come into the classroom and learn about all the exciting things their children will learn during the year and to build a relationship with the teacher. Teachers continually stay connected with parents through several means: class newsletters, notes, e-mails, phone calls, Blackboard, Dojo, Google Classroom and Parent Portal.

The Running Springs School Site Council, composed of staff and parents, approves the Annual Program Review and the School Plan for Student Achievement each year. The council reviews the instructional program and allocates school funding to support student achievement. The School Site Council meets at least six times yearly and all interested parents are invited to attend these meetings.

The Running Springs English Learner Advisory Council (ELAC) reviews the English Learner instructional program and provides feedback to the School Site Council (SSC) for the revision of the Annual Program Review and the School Plan for Student Achievement. Parents receive information regarding initial identification, annual assessments, periodic monitoring, and reclassification criteria. The ELAC meets at least four times yearly and all parents of English Learners are invited to attend each meeting.

If you would like to get involved or have any questions please contact the school office at 714-281-4512.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Rate	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
Suspensions	0.3	0.3	2.8	2.6	3.5	3.5
Expulsions	0.0	0.0	0.0	0.0	0.1	0.1

Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	0.28	0.003%	
Expulsions	0.0	2.027%	

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

School Safety Plan (School Year 2020-2021)

Each of the district's schools develops and adopts, in accordance with Education Code § 32280 – 32289, a Comprehensive Safe School Plan particular to their site. Each school site is required annually, by March 1st, to have reviewed, and if necessary, updated their Safe School Plan. Each school forwards its Safe School Plan to the district through the office of Student and Community Services (SCS). The office of SCS provides plan development assistance to the schools and maintains a file of individual school plans available for inspection by the public.

A comprehensive disaster plan is in effect and fire, earthquake, or lock-down drills are conducted monthly. All school members are assigned to a specialized team including the Command Center, Search and Rescue, First Aide, Assembly/Parent Assistance, and Security/Site Operations. All schools in the district are linked through an emergency radio contact system, and district radio drills are held periodically to ensure we are prepared for an actual disaster or emergency. The Running Springs Elementary School Comprehensive School Safety Plan includes the following goals: Component One-People and Programs Goal 1: To provide a respectful and safe school environment, Goal 2: To meet the unique behavioral, academic, and cultural needs of all students; Component Two- Places Goal 1: Develop school pride that will encourage students and the community to maintain a clean and safe campus; Goal 2: To maintain effective disaster preparedness procedures. This plan is created and monitored by the School Site Council and reviewed with the faculty each fall and periodically during the school year as we practice the components of the plan. Our Safe School Plan was updated and reviewed in February 2020.

Running Springs is a closed campus and visitors must check-in through the office. The school gates are locked at 8:05 and remain locked until the the end of the school day. All visitors must sign in and out through the Envoy system in the office. The site administrator and teachers monitor students before school, after school, and during recess. The safety committee meets bi-monthly to address any concerns and make the necessary changes. During lunch recess we have five lunch supervisors that monitor students on the playground, field and lunch tables to ensure safety. The site administrator meets regularly with the lunch supervisors to identify any issues that need to be addressed. To ensure the safety of students before and after school the city of Anaheim provides two crossing guards. The site administrator utilizes the School Messenger phone system, school website, and PTA newsletter to communicate our school pick-up and drop-off expectations to create an efficient and safe environment for students.

We try to keep a positive campus but in the event a child does not demonstrate positive behaviors parents are notified by a behavioral referral that must be signed by a parent and returned the next day. If a student has a major behavior violation then the site administrator will meet with the child, talk with the parent, and provide appropriate consequences which follow the guidelines of Education Code.

D. Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

*Number of classes indicates how many classes fall into each size category (a range of total students per class).

** "Other" category is for multi-grade level classes.

Ratio of Pupils to Academic Counselor (School Year 2019-2020)

Title	Ratio
Academic Counselors*	0

*One full time equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Student Support Services Staff (School Year 2019-2020)

Title	Number of FTE* Assigned to School
Counselor (Academic, Social/Behavioral or Career Development)	
Library Media Teacher (Librarian)	

Title	Number of FTE* Assigned to School
Library Media Services Staff (Paraprofessional)	
Psychologist	
Social Worker	
Nurse	
Speech/Language/Hearing Specialist	
Resource Specialist (non-teaching)	
Other	1

*One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Expenditures Per Pupil and School Site Teacher Salaries (Fiscal Year 2018-2019)

Level	Total Expenditures Per Pupil	Expenditures Per Pupil (Restricted)	Expenditures Per Pupil (Unrestricted)	Average Teacher Salary
School Site	\$4886.59	0	\$4886.59	\$73587.48
District	N/A	N/A	\$6616.90	\$86,774
Percent Difference - School Site and District	N/A	N/A	-30.1	-16.4
State	N/A	N/A	\$7,750	\$83,052
Percent Difference - School Site and State	N/A	N/A	-45.3	-12.1

Note: Cells with N/A values do not require data.

Types of Services Funded (Fiscal Year 2019-2020)

Running Springs receives Lottery funds that are used for supplemental instructional materials, a technology specialist, and staff development in best practices.

Local Control Funding Formula funds are used to provide assistance to targeted students. Intervention services are provided through after school tutoring, supplemental instructional materials, additional support staff (credentialed teachers), teacher release time to collaborate and plan units, professional development, and technology (Ipad/Chromebooks).

Title XII (Native American) funds are available to provide assistance to students that qualify for after-school interventions.

In addition, the PTA and the Education Foundation of Anaheim Hills raise funds that directly support the instructional programming at Running Springs through enrichment programs, assemblies, and donations to support the school technology plan..

Teacher and Administrative Salaries (Fiscal Year 2018-2019)

Category	District Amount	State Average For Districts In Same Category

Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	35	35	16

Staff development opportunities were provided through the teacher-to-teacher mentoring programs, Peer Assistance Review (PAR), staff meetings, professional conferences, and school-based training. Running Springs utilizes in-house expertise through site-level expertise and our Instructional Leadership Team to facilitate site based training. Running Springs works with district support staff to provide demonstrations of instructional techniques, consultation to improve student performance, and assistance in establishing school-wide or grade level programs to support student achievement.

During the 2015/2016 school year, a modified Wednesday bell schedule was implemented to provide staff development opportunities throughout the school year. The Orange Unified School District provides staff development opportunities in the following areas; planning units that align with the Common Core State Standards (CCSS), implementing systemic support for all students (Response to Instruction and Intervention), and Write From the Beginning lesson development. School site experts along with district specialists provide staff development support twice monthly for site identified best practices including effective instructional strategies, differentiated instruction, Multi-Tiered Systems of Support, Response Frames, Purposeful Grouping, Active Engagement, Data Analysis, and Technology resources to support instruction. In addition, staff attend grade level specific training as needed in the areas of English Language Development which included Guided Language Acquisition Development (GLAD), Thinking Maps, and Gifted and Talented Education.

The faculty and staff at Running Springs are committed to on-going professional development to continue to strengthen instructional efficacy. Individual teachers are encouraged to attend professional development sessions during the school day and/or after-school. Teachers are asked to share the knowledge they have gained with their colleagues. Professional Learning Communities(PLC) ensure that every teacher participates in the cycle of effective instruction (plan, teach, assess, reflect, refine).

Our 2020-2021 school-wide goal: Improve students ability to research and deepen student inquiry. In 2020-2021 we will continue to monitor student progress, develop and sustain interventions that meet the needs of those students, and monitor the academic and behavioral trajectories of targeted students to ensure their successes.

2020-21 professional development is focused on research and inquiry, All teachers and staff involved on the International Baccalaureate program must be trained prior to authorization. The staff not receiving training last year will do so this year. Our IB Coordinator will continue to work on Professional Development for the entire staff.
