

Orange Unified School District

Curriculum Council Meeting Notes

October 25, 2022

3:45pm – 5:15pm

1. Welcome

Presenter: Lisa Green

Lisa Green welcomed everyone to the meeting. She reminded us of the Meeting Norms

- ❖ Treat one another respectfully (how you expect to be treated)
- ❖ Keep our meetings focused
- ❖ Work together – listen, share, and learn. Use our collective experience, knowledge, and creativity.
- ❖ Be open to exploring what did not work and why

The district's goal is to make sure our students are prepared and understand their options to attend college. They need to be involved in school whether it's sports, clubs, friend, etc. to be successful. OUSD hosted a virtual college fair in October, our CTE classes, A-G presentations, dual enrollment are all tools for success.

2. Educational Services Update

Presenter: Gunn Marie Hansen and Cathleen Corella

Cathleen welcomed everyone and encouraged all to take the LCAP survey. The district office and school site admin review all the responses. It's very important because the feedback helps with funding needs. She talked about all the items paid out of the grants we received from COVID relief funds. This is a good time to review what items/programs are valuable to keep and which ones are no longer needed.

Dr. Hansen wanted to let everyone know that she supports the programs we have. She talked about the student CAASPP scores and how reading and math were down nationwide. They are comparing to 2019, since there was no testing for the last two years due to COVID. Dr. Hansen talked about AVID, and Heather Darrow from Olive shared that a video was made about Olive Elementary which is an AVID Showcase school. Lisa will share the link.

3. Revised Special Education Course Outline

Presenter: Andrew Granite

Andrew presented a slideshow about AB 181 & Curriculum Frameworks. This program allows student with intellectual disabilities to obtain a diploma. Andrew went over the requirements. He had handouts and answered questions.

4. November Professional Learning

Presenter: Lisa Green

Lisa went over what the District Professional Development Day on November 8th looks like. She handed out a flyer with the Elementary and Secondary sessions that will be available.

5. Closing

Lisa Green thanked everyone for participating and the meeting adjourned at 4:45 pm.
