

**Program Management Update:**

# Canyon High School S.T.E.M. Complex

**This tour will focus on these S.T.E.M. building features, opening soon:**

- 12 Laboratory Classrooms
- 12 General Classrooms
- 1 Elevator
- 2 Custodial Closet / Storage
- 2 IDF Rooms
- 5 Student Restrooms (1 Non-Gender)
- 4 Staff Restrooms
- 3 Resource Rooms
- Student Services and Administration

## First Floor Details

**Science Classrooms (4), Chemistry Resource Room, General Classrooms (7), Student Restrooms (3), Staff Restrooms (2), Student Services and Administration**

**Science Classrooms Features (1,500 sq. ft.)**

- Teaching wall with built-in casework, wardrobe-style cabinets, movable marker boards, trackable wall surface, and with side acoustical wall panels
- Fixed demonstration table with apparatus rod, gas connection, sink, and emergency classroom gas shutoff
- Student storage cubbies, lockable and glass front casework, base cabinets with sinks and gas connection
- Up to 40 student stations, (6) Trespa top perimeter tables (6 per group), teaching station with a removable podium
- Goggle sanitizer cabinet, carboy, stainless steel cart
- Audio/visual system, two 75" LED monitors and wall mounted speaker system, programmable/dimmable room lighting with daylight sensing device

**Chemistry Resource Room Features (300 sq. ft.)**

- Wardrobe-style cabinets with lockable solid and glass front casework
- Sink, lab refrigerator/freezer, ice maker, steam scrubber/lab glassware washer, incubator, autoclave, carboy, water still, goggle sanitizing cabinet, stainless steel cart, acid storage cabinet

**General Classroom Features (1,528 sq. ft.)**

- Teaching wall with built-in casework, movable marker boards, trackable wall surface, with side acoustical tackable wall panels
- Up to 40 student stations, teaching station with removable podium

- Audio/Visual system, two 75" LED monitors and ceiling mounted speaker system, programmable/dimmable room lighting with daylight sensing device

**Student Service Areas:**

- (1) Assistant Principal Office 180 sq. ft.
- (5) Counselor Offices 118 sq. ft.
- (1) Career Counseling Office 246 sq. ft.
- (2) Psychologist Offices 120 sq. ft.
- (1) Conference Room 150 sq. ft.
- (1) Attendance Office 120 sq. ft.
- (1) Office 120 sq. ft.
- (1) Storage Room 100 sq. ft.
- (3) Workstation Offices with waiting area with seating 327 sq. ft.
- (2) Unisex restrooms
- Main entrance with a workstation and waiting area with seating
- Main Corridor with seating table and chairs and 2 TV Monitors

**Administration Areas:**

- (1) Principal Office 231 sq. ft.
- (1) Principal's Assistant Space 97 sq. ft.
- (1) Conference Room 229 sq. ft.
- (3) Assistant Principals Offices 128 sq. ft.
- (1) Work Room 360 sq. ft.
- (1) Storage 100 sq. ft.
- (1) Staff Lounge 271 sq. ft. with waiting area with seating 206 sq. ft.
- (1) Nurse's Suite with Office, Workstation and Restroom 600 sq. ft.
- (2) Unisex Restrooms

## Additional S.T.E.M. Building Features

- New Electrical Service
- New Courtyard
- New Western Parking Lot
- New Fire Lanes
- 2 IDF Rooms
- New Bus Drop-Off

## Canyon HS - Measure S Team

Orange Unified Leadership:

- David Rivera, Asst. Superintendent / CBO
- Scott Harvey, Sr. Executive Director

Program Management: Cumming

Architect: Cannon Design

DSA Inspector of Record: Knowland

DSA Lab of Record: American Engineering Lab

General Contractor: Swinerton Builders

Construction Manager: Gafcon

## Second Floor Details

**Science Classrooms (4), Instructor's Resource Room (2), Student Restrooms (2), Staff Restrooms (2), General Classroom (5), Chemistry Classrooms (4)**

### Science Classrooms Features (1,500 sq. ft.)

- Teaching wall with built-in casework, wardrobe-style cabinets, movable marker boards, trackable wall surface, and with side acoustical wall panels
- Fixed demonstration table with apparatus rod, gas connection, sink, and emergency classroom gas shutoff
- Student storage cubbies, lockable and glass front casework, base cabinets with sinks and gas connections
- Fume hood, goggle sanitizing cabinet, carboy, stainless steel cart, emergency eyewash/shower
- Up to 40 student stations, (10) Trespa top perimeter tables for groups of 4, teaching station with removable podium
- Audio/Visual system, two 75" LED monitors and ceiling mounted speaker system programmable/dimmable room lighting, with daylight-sensing device

### Chemistry Classrooms Features (2,280 sq. ft.)

- Teaching wall with built-in casework, wardrobe-style cabinets, movable marker boards, trackable wall surface, and with side acoustical wall panels
- Fixed demonstration table with apparatus rod, gas connection, sink, and emergency classroom gas shutoff

- Student storage cubbies, lockable and glass front casework, base cabinets with sinks and gas connection
- Up to 40 student stations, (6) Trespa top perimeter tables for groups of 6, teaching station with a removable podium
- Goggle sanitizer cabinet, carboy, stainless steel cart
- Audio/Visual system, two 75" LED monitors and wall mounted speaker system, programmable/dimmable room lighting with daylight-sensing device

### General Classroom Features (1,528 sq. ft.)

- Teaching wall with built-in casework, movable marker boards, trackable wall surface, with side acoustical tackable wall panels
- Up to 40 student stations, teaching station with removable podium
- Audio/Visual system, two 75" LED monitors and ceiling mounted speaker system, programmable/dimmable room lighting with daylight-sensing device

### Instructors Resource Room Features (285 sq. ft.)

- Sink, lab refrigerator/freezer, ice maker, steam scrubber/lab glassware washer, refrigerator with ice/water dispenser, incubator, autoclave, carboy, water still, goggle sanitizing cabinet, stainless steel cart, acid storage cabinet
