Dress and Grooming

The Board of Education believes that since teachers serve as role models, they should maintain appropriate professional standards of dress and grooming. Just as overall attitude and instructional competency contribute to a productive learning environment, so do appropriate dress and grooming.

During school hours and at school activities, employees shall maintain professional standards of dress and grooming that demonstrate their high regard for education, present an image consistent with their job responsibilities and assignment, and do not endanger the health or safety of employees or students. All employees shall be held to the same standards unless their assignment provides for modified dress as approved by their supervisor.
