### Hello Canyon Rim Cares Families,

This month, we will begin our month focusing on St. Patrick's Day!

We will be wrapping up the month exploring Greek & Roman Mythology. Keiry and I planned some exciting crafts and S.T.E.A.M. projects for the children.

### Announcing New Behavior system

This month goal is to motivate students to have positive behavior.

Which includes following school rules, staying within boundaries, class participation, respecting and peers & teachers.

As an incentive, they will receive \$5.00 Pokémon dollars at the end of the day. Money Procedures, children will receive their money in a Zip blog and will be responsible for keeping track of their earnings. "Store Day" will be at end of the month for children to spend their monies. This behavior system will also teach children responsibility, math skills and money management.
