ACTION ITEMS

TOPIC: **HIGH SCHOOL DIPLOMA, CERTIFICATES OF COMPLETION, GRADUATION CEREMONY**

DESCRIPTION: State law authorized the development of the California High School Exit Examination (CAHSEE), which students in California public schools must pass to earn a high school diploma beginning in the 2005–06 school year. Currently, there are approximately 200 seniors in the Orange Unified School District who have not yet passed both sections of the CAHSEE. All of these students are receiving a variety of instructional support services to assist them in passing this exam. These students will take the CAHSEE again in March 2006.

This issue is high profile and very important for the students in the Class of 2006 and for their parents. Staff recommends the following options for diplomas, certificates of completion and participation in graduation ceremonies.

The following students would receive Diplomas:

- Students who have satisfied all graduation requirements (230 credits including Algebra 1) and who pass the CAHSEE by March 2006.
- ***If Chapman Settlement is enabled by legislation:*** Special Education students who have satisfied all graduation requirements (230 credits including Algebra 1), have taken the CAHSEE at least two times beginning in the 10th grade, including at least one time in the 12th grade, participated in offered intervention during 12th grade, and have failed to pass both sections of the CAHSEE by March 2006.

The following students would receive Certificates of Completion:

- Students who have satisfied all graduation requirements (230 credits including Algebra 1), have taken the CAHSEE at least two times beginning in the 10th grade, including at least one time in the 12th grade, participated in offered intervention during 12th grade, and have failed to pass both sections of the CAHSEE by March 2006.
- Special Education students who meet their Individualized Education Plan (IEP) goals. **Students receiving Certificates of Completion are eligible to participate in all graduation activities including the graduation ceremony.**

Providing a Certificate of Completion and allowing these students to participate in graduation is an opportunity to recognize students of different ability levels, allows students who have passed all required coursework, including passing Algebra 1, the opportunity to celebrate this accomplishment and encourages students who have not passed the CAHSEE to continue to pursue completion of their senior year coursework.

The following students would not receive a Diploma or a Certificate of Completion and would not participate in the graduation ceremony:

- Students who have not earned 230 credits, including Algebra 1, whether they have passed the CAHSEE or not.
- Students who have earned 230 credits, including Algebra 1, who have not passed both sections of the CAHSEE
AND
 - have not taken the CAHSEE at least two times beginning in the 10th grade, including at least one time in the 12th grade, and
 - have not participated in any offered intervention during 12th grade.

FISCAL IMPACT: There is no fiscal impact.

RECOMMENDATION: It is recommended that the Board of Education accept this recommendation for a first reading.

TOPIC:	SCHOOL BOARD POLICY PROPOSED REVISION - THE 2000 SERIES, ADMINISTRATION – SECOND READING
DESCRIPTION:	<p>On June 8, 2004, the Board discussed the need for updating the current policy manual and various means of addressing this task. At the July 15, 2004 meeting, the Board approved the law firm, Parker & Covert, to work throughout the 2004-05 school year in conjunction with appropriate staff members to revise or redraft policies, with Parker & Covert providing recommended revisions or redrafting of the policies in question.</p> <p>Parker & Covert submitted its recommendations in conjunction with appropriate staff members' input for Board consideration. The 2000 Series was presented for a first reading at the January 5, 2006 meeting.</p>
FISCAL IMPACT:	There is no fiscal impact to change the wording of the Board Policies.
RECOMMENDATION:	It is recommended that the Board of Education accept the proposed Board Policy revisions for the 2000 series for a second reading and final approval.

Evaluation criteria shall be based on district goals and success indicators agreed upon by the Board and Superintendent prior to the evaluation. The evaluation shall provide commendations in areas of strength, provide recommendations for improving effectiveness, and serve as a basis for making decisions about salary increases and/or contract extension.

The Board and Superintendent shall annually consider what evaluation method(s) will best serve the district and agree on the specific written instrument to be used.

Prior to the evaluation, the Superintendent shall be responsible for preparing and distributing to the Board for its review a report of progress toward district goals, the Superintendent's self-appraisal of accomplishments and performance, and a review of action taken to address any Board recommendations from the previous evaluation. TOPIC: SECOND QUARTER REPORT OF UNIFORM COMPLAINTS FOR THE WILLIAMS CASE SETTLEMENT

DESCRIPTION: As a result of the State of California's settlement of the Williams class action lawsuit, Education Code section 35186 requires school district to do two things: 1) provide an opportunity to file formal complaints under the District's Uniform Complaint Procedures; and 2) report to the Board of Education and the public four times a year the number of complaints filed and the area of the settlement they target.

The Second Quarter required report covers the number of Uniform Complaints received by the District under the three areas governed by the Williams Case Settlement for the period of October – December 2005. The three targeted areas are:

- 1) Sufficient instructional materials
- 2) Emergency or urgent facilities conditions that pose a threat to the health and safety of pupils or staff
- 3) Teacher vacancy and misassignment

A complaint was received at Villa Park High School in the area of "Emergency or urgent facilities conditions that pose a threat to the health and safety of pupils or staff." The complaint was from a staff member in the form of a letter regarding pests in a classroom area. The District contracted with a pest management company to handle the situation.

A complaint was received at Palmyra Elementary School in the area of "Emergency or urgent facilities conditions that pose a threat to the health and safety of pupils or staff." The complaint was regarding the lingering odor in the classrooms. The District has had the air quality tested in the classrooms and is working with the roofing contractor to completely eliminate odors.

FISCAL IMPACT: No additional impact beyond routine maintenance budget

TOPIC: COSTS AND FEE SCHEDULE ASSOCIATED WITH THE OPERATION OF FRED KELLY STADIUM

DESCRIPTION: Since the beginning of the school year, the operation of Fred Kelly Stadium has provided an understanding of our true operating costs. As we negotiate a formal joint use facilities agreement and develop a fee schedule for the use of the stadium, it is important to consider staffing, supplies, routine maintenance, repairs, and eventual replacement. It will be challenging to maintain the facility for use by future generations without subsidizing use by outside groups using funds that should be used in the classroom for educating children. This presentation will be a discussion of the costs associated with the use of the stadium and other factors to be considered as we develop a fee schedule.

FISCAL IMPACT: None

RECOMMENDATION: It is recommended the Board receive this report as presented.

CONSENT ITEMS

ROUTINE ITEMS ACTED UPON IN ONE MOTION UNLESS PULLED FOR DISCUSSION AND SEPARATE ACTION.

TOPIC: PURCHASE ORDERS LIST

DESCRIPTION: Purchase orders have been processed in accordance with the rules and regulations of the Board of Education and applicable legal requirements of the State of California.

District procedures and computer system controls require that an approved purchase order, pay voucher, current liability, or credit memo exist on the District's computer system prior to the issuance of warrants. There may be a multiple number of warrants drawn against a given purchase order up to the maximum amount for that purchase order. The system restricts the processing of payment amounts in excess of the issued purchase order.

It should be noted that the purchase order system allows for a one-line description of the services or items to be procured. The issued purchase order forms a contract between the District and the vendor.

FISCAL IMPACT: \$1,921,629.54

RECOMMENDATION: It is recommended that the Board of Education approve the Purchase Orders List dated December 12, 2005 through January 8, 2006 in the amount of \$1,921,629.54.

TOPIC: WARRANTS LIST

TOPIC: **CLASSIFIED POSITION RECLASSIFICATION:
WAREHOUSE FOREMAN**

DESCRIPTION: The District maintains a warehouse as well as delivery vehicles which provide services for schools, the maintenance department and for the nutrition services department. The position of Warehouse Foreman has responsibility for warehouse operations and supervises nine employees. A classification and compensation study has been conducted for the Warehouse Foreman position using both internal as well as external data. It was determined that a change in job title from Warehouse Foreman to Warehouse Supervisor would better match both Orange Unified classified management job titles as well as those of other, comparable county districts. It was also determined that the position would require an upward adjustment in salary range to bring the position in line with the compensation for similar positions in comparison districts. The position is currently compensated at leadership range 37. It is recommended to adjust the range of the position to leadership range 48.

FISCAL IMPACT: A salary adjustment from leadership range 37 to range 48 represents an annual increase of \$7,404. The position is split-funded between the cafeteria and general funds. The amount required for this upgrade is accounted for in the 2005-06 District budget.

RECOMMENDATION: It is recommended that the position, Warehouse Foreman, be reclassified to Warehouse Supervisor and that the salary range for the position receive an upward adjustment from leadership range 37 to leadership range 48.
