A major part of this call to action included participation of key community business leaders and communicators, as well as a diverse cross section of our staff.

Executive Cabinet has been refining the strategies and timelines of the four priority areas that were created in the group sessions. The four priority areas are:

- 1) Facilities

FISCAL IMPACT: To be determined as individual components of the plan are developed and presented to the Board for approval.

RECOMMENDATION: It is recommended that the Board of Education approve the District Strategic Plan and authorize staff to develop the strategies, activities, and sub-activities to be presented according to the milestones and calendar as attached.
