TOPIC: RESOLUTION NO. 29-06-07: APPOINTING AND EMPLOYING CERTAIN CONSULTANTS IN CONNECTION WITH THE DEVELOPMENT OF THE DISTRICT'S OTHER POST-EMPLOYMENT BENEFITS (OPEB) FUNDING PROGRAM AND APPROVING CERTAIN RELATED ACTIONS

DESCRIPTION: Representatives from Dolinka Group, Inc. will present an option for funding obligations for Other Post-Employment Benefits. The District has a \$150 million OPEB liability according to an actuarial valuation completed by the Epler Company. The District currently funds the OPEB liability on a pay-as-you-go basis that requires an annual expenditure for retiree health benefits. The pay-as-you-go funding model will require expenditures exceeding \$357 million over the life of the OPEB liability. Annual expenditures to fund this liability are increasing at rates that substantially exceed the rate of growth projected for the General Fund.

The consultants appointed by this resolution will develop a plan specifically to meet the needs of Orange Unified School District. A committee consisting of District level staff and representatives from all employee groups will review all potential funding solutions proposed. A recommendation for funding the District's OPEB liability will be presented to the Board of Education for consideration at a future meeting.

FISCAL IMPACT: None

RECOMMENDATION: It is recommended that the Board of Education adopt Resolution No. 29-06-07 appointing and employing certain consultants in connection with the development of the District's Other Post-Employment Benefits funding program and approving certain related actions.

SOUTHERN CALIFORNIA LIABILITY EXCESS FUND (ReLIEF) This joint powers authority (JPA) provides property and liability coverage to the District. The JPA has been challenged to maintain coverage that will meet the unique needs of school districts and maintain stability in rates. The District supplements the JPA coverage with Electronic Data Processing, Crime and Equipment Breakdown coverage to achieve lower deductibles and coverage losses that the JPA would not otherwise cover because of high deductibles. The poor liability experience again this year produced an increase for that coverage. Approval of this item will authorize the District to continue membership with ReLIEF for 2007-2008.

TOPIC: **APPROVAL OF ALL POINTS PUBLIC FUNDING MULTI YEAR LEASE-PURCHASE FINANCING AGREEMENT FOR COMPUTING SYSTEMS, REPLACEMENT VEHICLES AND EQUIPMENT**

DESCRIPTION: The District has continuous requirements for computing systems and associated items, vehicles and equipment. Using a multi year lease-purchase financing arrangement ensures that school sites and departments have a viable option to purchase current technology, replacement vehicles and replacement equipment in a cost-effective manner.

As in the prior fiscal year, the District will establish a lease-purchase financing arrangement that consolidates several purchase requirements. Financing rates were solicited as follows:

- All Points Public Funding 4.22%*
- Sun Trust Leasing Corporation: 4.24%
- California Capital Leasing Corp. 4.81%
- CitiBank/SCMH: 6.6%

All Points Public Funding submitted the lowest finance rate. It is planned to procure the needed items under the five-year lease-purchase plan utilizing volume pricing and quotes from the Districts' vendors.

At the conclusion of the lease, the District would own all of the following items: 1) Computing Systems (laptops, desktops, controllers, servers, printers, digital phones, cabling, etc.) for the Special Education Department valued at approximately \$115,000; 2) Computing Systems for Child Development Services valued at approximately \$125,000; 3) Computing Systems valued at approximately \$38,680 for Villa Park ES; 4) Computing Systems valued at approximately \$16,923 for Jordan ES; 5) Nutrition Services Refrigerated Delivery Truck valued at approximately \$64,950 (replacing 1991 Truck with 208,500 miles, blown engine); 6) Deep Reach Lift valued at approximately \$37,790 for the Warehouse (exchanging 20 year old lift with faulty reverse gear & defective brake); 7) LP Fork-Lift valued at approximately \$22,500 for the Warehouse (exchanging 30 year old forklift, parts unavailable); 8) GMC ¾ ton pick-up truck valued at approximately \$20,723 for

Maintenance and Operations; and 9) GMC ½ ton pick-up truck valued at approximately \$18,000 (replacing 15 year old truck with 160,000 miles, faulty seat and brakes) for Warehouse pick-ups and deliveries.

Due to the varying delivery dates of the items, it may be necessary to add a separate lease schedule(s), or to have funding dispersed through a bank escrow account after the District actually takes possession of a particular item(s). In this way, the District is not paying for an item until it is received. The lease schedule, if needed, would be at the same lease rate factor.

FISCAL IMPACT: Not-to-exceed \$105,200 annually for five years. Funds from General Fund and approved Site and Department budgets. This is not a request for any additional budgetary appropriation.

RECOMMENDATION: It is recommended that the Board of Education approve District utilization of vendors including Apple, Arey Jones, AT&T, Cal West, CDWG, Cisco, Dell, Victor Buick GMC, Southern California Material Handling and Toshiba as needed for the procurement of the systems and equipment, and authorize staff to enter into an appropriate five year lease-purchase financing arrangement with All Points Public Funding as described.

This report may require actions for extra pay projects, separation from service, short-term employment, leaves of absence, change of status, and new hires. All requests are generated by individuals, school sites, or various District departments.

All of the above requests have been processed in accordance with the rules and regulations of the Board of Education and the applicable legal requirements of the State of California and the Orange County Department of Education.

TOPIC: PROGRAM IMPROVEMENT RESTRUCTURING PLAN FOR ESPLANADE ELEMENTARY SCHOOL

DESCRIPTION: Under the requirements of Title I of the Elementary and Secondary Act – Improving The Academic Achievement of the Disadvantaged (No Child Left Behind Legislation), the local education agency must develop a “School Restructuring Plan” for a school receiving Title I funding that has not met its Adequate Yearly Progress goals by the end of the third year after identification.

Over the past three years, Esplanade School has shown significant increases in student achievement on both the California Public Schools Accountability Act Academic Performance Index (API) and the “No Child Left Behind” Adequate Yearly Progress (AYP) indicators, both school wide and for numerically significant subgroups. In spite of this growth, Esplanade did not meet the AYP target for all subgroups in 2005-06 and, therefore, moved into Year 4 – First Year of School Restructuring – Development of a Restructuring Plan.

During the past year, Esplanade, with the technical assistance of the Educational Services division, has analyzed student achievement data, current site instructional practices, and student support systems. This analysis has guided the development of the “Restructuring Plan for Esplanade Elementary School” for the 2007-08 school year. The “Restructuring Plan” addresses specific strategies in the major areas of: restructuring the student intervention and monitoring processes; restructuring the duties of instructional support personnel; expanding targeted staff development in the utilization of data for instructional planning; and increasing the capacity of the parents to support their child’s education.

The “Restructuring Plan” will be funded by combining site and centralized categorical funds: Title I, Title I – Reading First, Title III, Economic Impact Aid – Limited English Proficient (EIA-LEP), English Learner Acquisition Program (ELAP) and School and Library Improvement Program (SLIP).

FISCAL IMPACT: \$260,000 (restricted categorical fund monies)

RECOMMENDATION: It is recommended that the Board of Education approve the “Restructuring Plan for Esplanade Elementary School.”
