DESCRIPTION:	This item pertains to the Tentative Agreement between the Orange Unified School District and the California School Employees Association, Chapter #67, for the 2010-2011 reopener negotiations. Under the terms of the Collective Bargaining Agreement, the parties agreed to reopen Article 12 for reopener negotiations for 2010-2011. The Tentative Agreement concludes reopener negotiations between the Orange Unified School District and the California School Employees Association, Chapter #67, for the 2010-2011 school year.
FISCAL IMPACT:	It is anticipated that the recommended reductions will result in an annual savings to the District of approximately \$1,065,947.
RECOMMENDATION:	It is recommended that the Board of Education ratify the Tentative Agreement between the Orange Unified School District and the California School Employees Association, Chapter #67.

**TENTATIVE AGREEMENT
BETWEEN THE
ORANGE UNIFIED SCHOOL DISTRICT
AND THE
CALIFORNIA SCHOOL EMPLOYEES ASSOCIATION, CHAPTER 67**

June 15, 2010

This Tentative Agreement is entered into the 15th day of June, 2010, by and between the Orange Unified School District ("District") and the California School Employees Association, Chapter 67 ("CSEA") with respect to Article 12, "Compensation."

Article 12 – Compensation:

1. Extend the December 9, 2009 agreement regarding "Salary Adjustment" to include fiscal year 2012-2013, and thereby to sunset on June 30, 2013. The effect would be to extend the agreed upon furlough day work year reduction and the restoration/renegotiation language into 2012-2013 in addition to school years 2010-2011 and 2011-2012.
2. Reduce annual compensation for school years 2010-2011, 2011-2012, and 2012-2013 for all unit members through the reduction of five (5) days on each regular work year calendar with the reduction in annual compensation to be achieved by application of a reduction in corresponding per diem for each step on the salary schedules.
3. Spread the docking for all work year reductions set forth above over the term of each work calendar in equivalent amounts per pay period on an annual basis commencing on the first October paycheck each year. In this way the salary schedule remains unaffected by work year reductions.
4. The parties agree to meet and confer to determine the implementation of unpaid days. The District reserves the right to designate certain dates as mandatory unpaid days for all classified employees or particular groups of classified employees to achieve the work year reductions.
5. Effective October 1, 2010, eliminate Article 12.400 (4) as follows: ~~"All active employees enrolled in Kaiser plans shall, by payroll deduction, contribute for the dependent health and welfare coverage the following annual amounts: \$100 per year for one dependent \$250 per year for two or more dependents"~~
6. Revise Article 12.400 (7) as follows: "Effective October 1, 2010, classified employees ~~Classified employees~~, who are covered by any health insurance program and may choose to forego this benefit during their employment with the District, ~~shall receive a tenthly payment of \$171.40 (totaling \$1,714/per school year) for opting out of the health insurance program.~~ In the

event such employees (who waived their health insurance coverage) incur additional costs to secure coverage in their spouse's insurance plan, the District shall pay the actual cost of such coverage, not exceeding \$100.00 per month. To be eligible for this additional payment the employee shall be required to provide written proof of cost incurred. Proof of alternative health insurance coverage shall be required on an annual basis by the District from any active employee who chooses to "opt out". Any employee who opts out of the health insurance program during active employment will be given the option to "opt in" at any time on the giving of reasonable notice if he/she loses eligibility for his/her existing health insurance program due to a change in marital or employment status or other qualifying event."

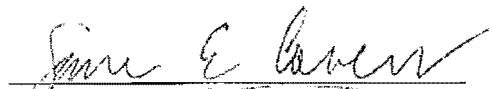

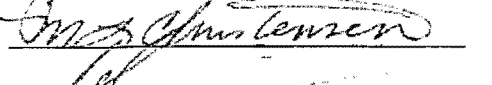

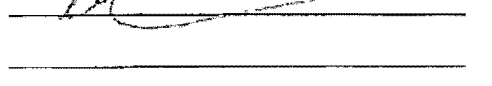

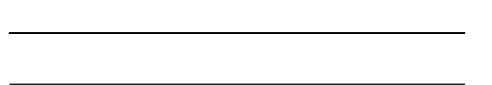

7. Extend the Agreement to September 30, 2013. The parties shall commence reopener negotiations for each ensuing school year by April unless another date is mutually agreed upon. Reopener negotiations in each year shall pertain in each year to compensation-related articles, including Article 12, with the initial proposals publicly sunshined on the Board's agenda by the month of April.

8. The parties agree that for the period of July 1, 2010 through January 1, 2011 no additional classified positions will be eliminated. For the 2010-2011, 2011-2012, and 2012-2013 school years, the District will meet and confer with CSEA regarding the possibility of any classified layoffs. Confer means that each party will have the opportunity to present options for consideration and that the District will consider those options before making a final decision.

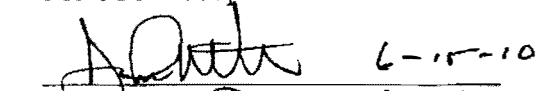

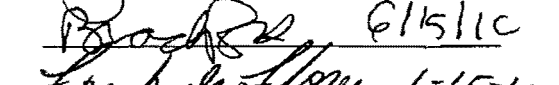

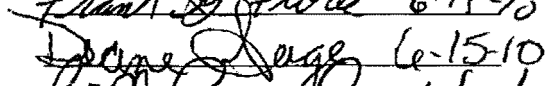

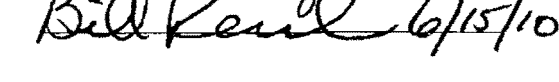

9. This tentative agreement concludes all negotiations for fiscal year 2010-2011 and there shall be no further reopener negotiations for 2010-2011, except upon mutual agreement between the parties. With respect to reopener negotiations, the parties shall follow the provisions of the Agreement at 1.300, subject to the specific terms of this tentative agreement.

10. The negotiation teams for their respective parties recommend ratification of this tentative agreement. This tentative agreement is subject to AB 1200 review by the Orange County Department of Education.

TOPIC: ADVISORY POSITION TO THE ORANGE COUNTY COMMITTEE ON SCHOOL DISTRICT ORGANIZATION ON THE PROPOSED TRANSFER OF TERRITORY

DESCRIPTION: On September 24, 2009, the Board received a presentation from Deborah Johnson, Ph.D., president of the Inter-Canyon League, requesting Board of Education support in transferring the canyon community, including Silverado, Modjeska, Williams, Harding, Ladd, and Black Star canyons to Saddleback Valley Unified School District. On November 12, 2009, the Board received a staff presentation on the impact of the request. No action was taken by the Board of Education nor was a recommendation submitted by staff concerning this territory transfer.

In keeping with the Education Code, the Inter-Canyon league circulated a petition to the residents of the area they propose be transferred to Saddleback Valley Unified School District. The petition was validated by the County Registrar of Voters, and hearings are scheduled for August 4, 2010. The Orange County Committee on School District Organization will hear testimony on the territory transfer request during these hearings. The hearings are scheduled for 6:00 pm and 8:00 pm at Chapman Hills Elementary School and the Saddle Valley Unified School District administrative offices respectively.

The Board of Education is not required to take any action on the proposed transfer. However, the Board may choose to provide an advisory position to the County Committee. The advisory position may be for the denial or approval of the request, or they may take a neutral position.

RECOMMENDATION: The Board should determine if: (1) they wish to take any position on the Proposed Transfer of Territory and if so, (2) the position.

TOPIC: **AGREEMENT WITH CALIFORNIA PUBLIC EMPLOYEES' RETIREMENT SYSTEM HEALTH PLAN TO PROVIDE EMPLOYEE HEALTH INSURANCE FOR 2010-11 AND APPROVAL OF RESOLUTIONS 03-10-11, 04-10-11, AND 05-10-11.**

DESCRIPTION: On May 8, 2008 the Board of Education authorized Keenan & Associates to negotiate an appropriate agreement to obtain insurance benefits for the employees and retirees of the District. In accordance with standard procedures, Keenan & Associates issued a Request for Proposal (RFP) to several carriers.

California Public Employees Retirement System (CalPERS) responded with a competitive and comparable proposal to Health Net of California, the current provider for medical benefits for employees and retirees of the District. In addition to a very competitive rate, CalPERS provides three HMO plans through Kaiser Permanente and Blue Shield of California and three PPO plans through Anthem Blue Cross. CalPERS also provides seven PPO/HMO plans for Medicare eligible retirees.

During the District's negotiation process with OUEA and CSEA, it was the consensus of the bargaining unit insurance committees to replace Health Net of California with CalPERS.

The agreement with CalPERS will provide a savings to employees of approximately \$1.2 million in their health and welfare premiums for 2010-11.

FISCAL IMPACT: Various Funds.....not to exceed..... \$32,000,000

RECOMMENDATION: It is recommended that the Board of Education approve Resolutions 03-10-11, 04-10-11, and 05-10-11 and authorize the Superintendent or designee to enter into an agreement with CalPERS to provide health benefits for all eligible employees and retirees for 2010-11.

July 27, 2010

The District and OUEA Benefits Committee have determined CalPERS to be the health insurance provider for employees and retirees eligible for health and welfare benefits for the 2010/2011 benefit year subject to the District Annual Contributions as set forth in Articles 2.312 and 2.313 of the Agreement.

INFORMATION/DISCUSSION ITEMS

TOPIC: **REPORT ON THE STATUS OF THE OTHER POST-EMPLOYMENT BENEFIT (OPEB) BOND INVESTMENT PORTFOLIO**

DESCRIPTION: The Board of Education approved the issuance and sale of Taxable Retirement Health Benefits Funding Bonds (OPEB bonds) on April 17, 2008. The amount of bonds sold totaled \$94,765,000 and was comprised of:

\$93,763,635	Actuarially Determined Liability
<u>\$ 1,001,365</u>	Cost of Issuance
\$94,765,000	

Additionally, the District had previously deposited \$2,000,000 in the Futuris Public Entity Investment Trust bringing the total funds available for investment to \$95,763,635.

The OPEB bonds were marketed as taxable instruments to allow the District to realize positive arbitrage from the investment revenue and appreciation in excess of the interest payments on the bonds. The net income is to be used for retiree health benefit obligations. The fixed income investments are performing as anticipated. The equity investments, which had greatly underperformed the anticipated portfolio pro forma at the time of last year's report, have recovered. The value of the portfolio is moving in step with the recovery being experienced by the overall stock market.

This report will provide the Board of Education and public with an update as to the allocation and performance of the investment portfolio through June 30, 2010.

RECOMMENDATION: It is recommended that the Board of Education receive the report.

TOPIC: **PURCHASE ORDERS LIST**

DESCRIPTION: Purchase orders and change orders have been processed in accordance with the rules and regulations of the Board of Education and applicable legal requirements of the State of California.

District procedures and computer system controls require that an approved purchase order, pay voucher, current liability, or credit memo exist on the District's computer system prior to the issuance of warrants. There may be a multiple number of warrants drawn against a given purchase order up to the maximum amount for that purchase order. The system restricts the processing of payment amounts in excess of the issued purchase order

It should be noted that the purchase order system allows for a one-line description of the services or items to be procured. The issued purchase order forms a contract between the District and the vendor.

FISCAL IMPACT: \$10,854,245.54

RECOMMENDATION: It is recommended that the Board of Education approve the Purchase Order List dated May 31, through June 30, 2010 in the amount of \$3,278,764.43 and the Purchase Order List dated July 1, through July 18, 2010 in the amount of \$7,575,481.11

DESCRIPTION: The Rancho Santiago Community College District (RSCCD) continues to have the need to rent classroom space from OUSD in the late afternoons, evenings and on weekends to provide college classes to the community. TOPIC: RESOLUTION NO.01-10-11: SIGNATURE AUTHORIZATION

DESCRIPTION: Authorization of signatures is an item which is routinely updated to reflect changes in personnel and to comply with the requirements of the California Education Code.

As the agency which ultimately releases District payrolls and warrants, the Orange County Department of Education (OCDE) must maintain on file the approved signature authorizations for all school districts. The signatures are applicable to various documents which are approved by the Board of Education and in compliance with the Education Code and other pertinent state and federal laws. The administrative/leadership employees for whom the signature authorizations are designated do not transfer that authority to any staff members.

Purchase orders are processed within the limitations of existing site/program budgets, with the P.O. listing submitted to the Board at each meeting. Non-routine expenditures for consultants, contracts, major facility additions, etc. are submitted to the Board separately for authorization. Before the preparation of a warrant, it is determined that the proper authorization and approvals exist. Warrants prepared by the District are forwarded to the OCDE for review of documentation, county signature, and entry to OUSD's county ledgers before they are returned to the District for release to vendors, consultants, or contractors. Purchase orders, bid documents, warrants, payrolls, federal/state/county documents, etc. are audited by the District's independent audit firm.

FISCAL IMPACT: This item has no fiscal impact.

RECOMMENDATION: It is recommended that the Board of Education adopt Resolution No. 01-10-11 granting signature authorization for specific District administrative/leadership employees as indicated on the attached document.

DESCRIPTION: Orange High School – Varsity Boys Water Polo Team - Poway, CA – September 10-12, 2010

Orange High's Varsity Boys Water Polo Team, under the direction of Jennifer Visconti, will travel to Poway to compete, by invitation only, in the Poway Invitational and will represent Orange High outside of the CIF-Southern Section. This opportunity will broaden the athletic view of competition not normally experienced in local tournament competition against high level teams. The experience will also teach valuable lessons in responsibility, respect, and school pride and bring a heightened sense of self, team, and school pride to the athletes. Eight male students will be accompanied by one female and one male adult chaperone and will stay at the Best Western Inn, Miramar. Parents will provide transportation for their child. Total cost per student is \$140 and scholarships are available. Students will miss one day of school. A substitute will be required.

Cerro Villa Middle School - Sailing Club – Catalina Island – March 26–March 27, 2011

Cerro Villa's Sailing Club, under the direction of Cynthia Higley, will travel to Catalina Island (Saturday-Sunday) to participate in sailing instruction on the Tole Mour, the largest sailing school vessel on the West Coast. Students will be immersed in science, sail training and team building. Classes will include hands-on experiences based upon the running of a sailing ship and the scientific study of the waters they sail through. Sail training instruction is aligned with the guidelines set by the American Sail Training Association. Sixteen female and sixteen male students will be accompanied by two female and two male adult chaperones and will stay in onboard cabins. Transportation will be provided by District bus to Rainbow Harbor, Long Beach. Total cost per student is \$300. At this time scholarships are not available. Students will not miss any school days. No substitute is required.

Orange High School – Cheer Squad - San Diego– August 1-4, 2010

This study trip was originally board approved on June 10, 2010; however, the Cheer Squad will be under the direction of Carrie Ferrano, not Carrie Woodson as previously approved. Orange High's Cheer Squad, under the direction of Carrie Ferrano, will travel to University of San Diego during summer break to participate with high schools from around the country in cheer skills, practice, safety and training. They will engage in learning activities, develop team building communication, leadership skills, and gain physical conditioning experience, strength and flexibility. Twenty-three female students will be accompanied by four female chaperones and will stay in USD dormitories. Transportation will be provided by District bus, reimbursed by ASB. Total cost per student is \$400 and scholarships are available. Students will not miss any school days. No substitute is required.

TOPIC: FOURTH QUARTER REPORT OF UNIFORM COMPLAINTS FOR THE WILLIAMS AND VALENZUELA CASE SETTLEMENTS

DESCRIPTION: As a result of the State of California's settlement of the Williams and Valenzuela class action lawsuits, Education Code section 35186 requires school districts to do two things: 1) provide an opportunity to file formal complaints under the District's Uniform Complaint Procedures; and 2) report to the Board of Education and the public four times a year the number of complaints filed and the area of the settlement they target.

The Fourth Quarter Report covers the number of Uniform Complaints received by the District under the four areas governed by the Williams and Valenzuela Case Settlements for the period of April – June 2010. The four targeted areas are:

1. Sufficient Instructional Materials
2. Emergency or urgent facilities conditions that pose a threat to the health and safety of pupils or staff
3. Teacher vacancy and/or misassignment
4. Pupils, including English Learners, who have not passed one or both parts of the high school exit examination by the end of the 12th grade are entitled to receive intensive instruction and services for up to two consecutive academic years after completion of the 12th grade, or until the pupil has passed both parts of the examination, whichever comes first

No Uniform Complaints for any area have been reported during the fourth quarter for the Williams and Valenzuela Case Settlements.

FISCAL IMPACT: This item has no fiscal impact.

RECOMMENDATION: It is recommended that the Board of Education receive the Report of Uniform Complaints as mandated by the Williams and Valenzuela Case Settlements.

TOPIC: **TEXTBOOK ADOPTIONS – 30-DAY REVIEW BY PUBLIC**

DESCRIPTION: Textbooks and supplementary instructional texts are reviewed by teacher committees from respective grade levels or departments, which screen available texts and materials for potential adoption. The selection committee submits its recommendations to the District Instructional Materials Advisory Committee (IMAC) for review and consideration. The IMAC committee is composed of principals, media specialists, and teachers whose responsibility is to recommend to the Board of Education approval of the considered texts.

It is at this juncture that the Board of Education places the texts and/or supplementary texts on "30-day review period" so members from the public may have an opportunity to review those texts, pending formal adoption. The texts are available for review in the Board Room this evening and after tonight in the Curriculum Office, Building D. After the 30-day review period, the Board of Education may take formal action to adopt the textbooks and/or supplementary texts.
