**TOPIC: STUDENT CALENDARS 2011-2012, 2012-2013**

**DESCRIPTION:** Presented to the Board of Education are the recommended student calendars for the 2011-2012 and 2012-2013 school years. The recommended student calendars for 2011-2012 and 2012-2013 are presented as part of the continuation of a comprehensive District-wide cost saving process. The recommended student calendars for 2011-2012 and 2012-2013 generally reflect the schedule and savings of the "modified" traditional track student calendars which were approved by the Board of Education for the 2009-2010 and 2010-2011 school years. The recommended student calendars for 2011-2012 and 2012-2013 meet state requirements (California Education Code Sections 46200-46201) for the number of school days and/or instructional minutes for the school year. The recommended student calendars were prepared by the District Student Calendar Committee, have been reviewed by the Executive Cabinet, and then were presented to the Board of Education as an information item at the September 23, 2010 Board meeting.

The District Student Calendar Committee is comprised of representatives from elementary, middle, and high schools as well as each of the two employee associations. As part of the calendar development process, the Committee considered input from two District-wide surveys of parents, teachers, support employees, and students. The attached recommended student calendars are reflective of the preferences of the school community within the parameters provided.

**FISCAL IMPACT:** This item represents ongoing savings based on projected District multi-year budget reductions.

**RECOMMENDATION:** It is recommended that the Board of Education approve the attached recommended student calendars for the 2011-2012 and 2012-2013 school years.

**TOPIC:** PUBLIC HEARING ON THE SUFFICIENCY OF TEXTBOOKS, INSTRUCTIONAL MATERIALS AND SCIENCE LAB EQUIPMENT (9-12) AND ADOPTION OF BOARD RESOLUTION NO. 11-10-11

**DESCRIPTION:** The Williams Settlement set a specific timeline for districts in certifying the sufficiency of textbooks, instructional materials, and science lab equipment (9-12). The settlement requires the hearing to be held prior to the end of the eighth week after the first day pupils attend school. 1. Hold a public hearing.
2. Make a determination, through a resolution, on the status of the sufficiency or insufficiency of textbooks and instructional materials in the District and that they are consistent with the content and cycles of the curriculum framework adopted by the State Board in the following areas:
  - Mathematics
  - Science
  - History/Social Science
  - English/Language Arts, including the English Language Development component of an adopted program
  - Foreign Language
  - Health
  - Visual and Performing Arts
3. Make a determination, through a resolution, on the status of the availability of laboratory sciences equipment as applicable to science laboratory courses offered in grades 9 to 12 inclusive.

The District has posted, as required by law, a notice of public hearing ten days in advance of this evening's hearing, and the attached Resolution satisfies the requirements of the Timeline for Implementation of the Williams Settlement Legislation.

**FISCAL IMPACT:** Adoption of the resolution has no fiscal impact.

**RECOMMENDATION:** It is recommended that the Board of Education hold a public hearing, adopt Resolution No. 11-10-11, and certify to the California Department of Education that the District has complied with the requirement of Education Code Section 601 19(c) and 60422(b).

WHEREAS, pursuant to Education Code Sections 60119 and 60422(b), the Board is required to hold a public hearing to encourage participation by parents, teachers, members of the community interested in the affairs of the school district, and bargaining unit leaders, and;

WHEREAS, the Board is required to provide 10 days' notice of the public hearing or hearings, and;

WHEREAS, the notice shall contain the time, place, and purpose of the hearing and be posted in three public places within the school district, and;

WHEREAS, the hearing shall be held at a time that will encourage the attendance of teachers and parents and guardians of pupils who attend the schools in the district and shall not take place during or immediately following school hours, and;

WHEREAS, the governing Board of a school district, as part of the required hearing, shall also make a written determination as to whether each pupil enrolled in a foreign language or health course has sufficient textbooks or instructional materials that are consistent with the content and cycles of the curriculum frameworks adopted by the state board for those subjects, and;

WHEREAS, the governing Board shall also determine the availability of laboratory science equipment as applicable to science laboratory courses offered in grades 9 to 12, inclusive, and;

# INFORMATION/DISCUSSION ITEMS

**TOPIC: REVIEW OF CURRENT BOARD POLICY AND BYLAWS:  
NAMING OF FACILITIES**

**DESCRIPTION:** On August 26, 2010 the Board received a request from Robert Torres, Chairman of the Committee for Ramirez, to rename Esplanade Elementary School for Lorenzo Ramirez in recognition of his efforts to end segregation in the El Modena school system during the 1940s. The Board directed staff to bring back information on the current policies, bylaws and practices for naming District facilities. Accordingly, staff will make a presentation concerning the requested information.

This item is for information only.

**TOPIC: TERRITORY TRANSFER REQUEST - ADVISORY POSITION TO THE ORANGE COUNTY COMMITTEE ON SCHOOL DISTRICT ORGANIZATION ON THE PROPOSED TRANSFER OF TERRITORY**

**DESCRIPTION:** On September 24, 2009, the Board received a presentation from Deborah Johnson, Ph.D., president of the Inter-Canyon League, requesting Board of Education support in transferring the canyon community, including Silverado, Modjeska, Williams, Harding, Ladd, and Black Star Canyons to Saddleback Valley Unified School District. On November 12, 2009, the Board received a staff presentation on the impact of the request. No action was taken by the Board of Education nor was a recommendation submitted by staff concerning this territory transfer at that time. In keeping with the Education Code, the Inter-Canyon League circulated a petition to the residents of the area they propose be transferred to Saddleback Valley Unified School District. The petition was validated by the County Registrar of Voters.

On July 24, 2010, the Board took action to recommend that the Orange County Committee (Committee) on School District Organization deny the proposed transfer. On August 4, 2010, the County Committee received testimony on the territory transfer request at Chapman Hills Elementary School and the Saddleback Valley Unified School District administrative offices.

The next step in the territory transfer process is for the Committee to commission an environmental impact report (EIR) on the proposed transfer. The next meeting is scheduled for 5:30 p.m. on October 20, 2010 at the OCDE Board Room at which time the Committee will take testimony on the impact of the territory transfer on the environment. Documents related to the environmental study are available at: [http://ccsdo.ocde.us/Environmental\\_Studies.htm](http://ccsdo.ocde.us/Environmental_Studies.htm). The Committee may take action on the territory transfer request at this meeting.

TOPIC: **PURCHASE ORDERS LIST**

DESCRIPTION: Purchase orders and change orders have been processed in accordance with the rules and regulations of the Board of Education and applicable legal requirements of the State of California.

District procedures and computer system controls require that an approved purchase order, pay voucher, current liability, or credit memo exist on the District's computer system prior to the issuance of warrants. There may be a multiple number of warrants drawn against a given purchase order up to the maximum amount for that purchase order. The system restricts the processing of payment amounts in excess of the issued purchase order

It should be noted that the purchase order system allows for a one-line description of the services or items to be procured. The issued purchase order forms a contract between the District and the vendor.

FISCAL IMPACT: \$4,466,138.34

RECOMMENDATION: It is recommended that the Board of Education approve the Purchase Order List dated September 13, through October 3, 2010 in the amount of \$ 4,466,138.34.
