TOPIC: **RESOLUTION NO. 26-10-11 TO ESTABLISH TEMPORARY AUTHORITY FOR INTERFUND TRANSFERS OF SPECIAL OR RESTRICTED FUNDS**

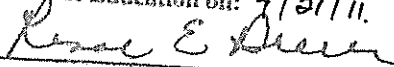

DESCRIPTION: Education Code Section 42603 allows moneys in any fund or account to be temporarily transferred to another fund or account of the district for payment of obligations. The amounts transferred are accounted for as temporary borrowing and shall be repaid in the same fiscal year or in the following fiscal year if the transfer takes place within the final 120 calendar days of a fiscal year.

These delays necessitate that school districts have flexibility to make temporary transfers for short-term cash flow purposes.

Section 2. Authorization of Issuance. This Legislative Body hereby determines to borrow solely for the purpose of anticipating taxes, income, revenue, cash receipts and other moneys of the District intended as receipts for the general fund thereof, by the issuance of one or more series of taxable or tax-exempt note or notes in the aggregate Principal Amount under Sections 53850 *et seq.* of the Act, designated the District's "2011-12 Tax and Revenue

Anticipation Note,” (the “Note”) with an appropriate series designation if more than one note is issued, to be issued in the form of a fully registered note or notes at the Principal Amount thereof, to be dated the date of its delivery to the initial purchaser thereof, to mature (without option of prior redemption) not more than 13 months thereafter on a date indicated on the face thereof and determined in the Pricing Confirmation (the “Maturity Date”), and to bear interest, payable on its Maturity Date (and if the Maturity Date is more than 12 months from the date of issuance, payable on the interim interest payment date set forth in the Pricing Confirmation) and computed upon the basis of a 360-day year consisting of twelve 30-day months, or a 365 or 366 day year, as the case may be, and actual days elapsed, at a rate or rates, if more than one Note is issued, not to exceed 12% per annum as determined in the Pricing Confirmation and indicated on the face of the Note (the “Note Rate”). If the Note as evidenced and represented by the Series of Note Participations is secured in whole or in part by a Credit Instrument or such Credit Instrument secures the Note in whole or in part and all principal of and interest on the Note is not paid in full at maturity or if payment of principal and/or interest on the Note is paid (in whole or in part) by a draw under, payment by or claim upon a Credit Instrument which draw or claim is not fully reimbursed on such date, such Note shall become a Defaulted Note (as defined in the Trust Agreement), and the unpaid portion thereof (including the interest component, if applicable, or the portion thereof with respect to which a Credit Instrument applies for which reimbursement on a draw, payment or claim has not been fully made) shall be deemed outstanding and shall continue to bear interest thereafter until paid at the Default Rate (as defined in the Trust Agreement). If the Note as evidenced and represented by the Series of Note Participations is unsecured in whole or in part and the Note is not fully paid at maturity, the unpaid portion thereof (or the portion thereof to which no Credit Instrument applies which is unpaid) shall be deemed outstanding and shall continue to bear interest thereafter until paid at the Default Rate. In each case set forth in the preceding two sentences, the obligation of the District with respect to such Defaulted Note or unpaid Note shall not be a debt or liability of the District prohibited by Article XVI, Section 18 of the California Constitution and the District shall not be liable thereon except to the extent of any lawfully available revenues, as provided in Section 8 hereof.

The percentage of the Note as evidenced and represented by the Series of Note Participations to which a Credit Instrument, if any, applies (the “Secured Percentage”) shall be equal to the amount of the Credit Instrument divided by the aggregate amount of unpaid principal of and interest on notes (or portions thereof) of all Issuers of Notes comprising such Series of Note Participations, expressed as a percentage (but not greater than 100%) as of the maturity date. Both the principal of and interest on the Note shall be payable in lawful money of the United States of America, but only upon surrender thereof, at the corporate trust office of the Trustee in Los Angeles, California.

Anything in this Resolution to the contrary notwithstanding, the Pricing Confirmation may specify that a portion of the authorized Principal Amount of the Note shall be issued as a separate series of taxable Note the interest on which is includable in the gross income of the holder thereof for federal income tax purposes (a “Taxable Note”). In such event, the Taxable Note shall be issued with an appropriate series designation and other terms reflecting such taxability of interest income, including without limitation, a taxable Note Rate and a taxable Default Rate; the terms of the Note, and other terms as appropriate, shall be deemed to include or refer to such Taxable Note; and the agreements, covenants and provisions set forth in this Resolution to be performed by or on behalf of the District shall be for the equal and

proportionate benefit, security and protection of the holder of any Note without preference, priority or distinction as to security or otherwise of any Note over any other Note.

In the event the Board of Supervisors of the County fails or refuses to authorize the issuance of the Note within the time period specified in Section 53853 of the Act, following receipt of this Resolution, this Board hereby authorizes issuance of such Note, in the District's name, in one or more series, pursuant to the terms stated in this Section 2 and this Resolution. Except as provided in Section 19(B) hereof, the Note shall be issued in conjunction with the note or notes of one or more other Issuers as part of the Program and within the meaning of Section 53853 of the Act.

Section 3. Form of Note. The Note shall be issued in fully registered form without coupons and shall be substantially in the form and substance set forth in Exhibit A, as attached hereto and by reference incorporated herein, the blanks in said form to be filled in with appropriate words and figures to be inserted or determined at or prior to the execution and delivery of the Note.

Section 4. Sale of Note; Delegation. Unless sold competitively, the Note as evidenced and represented by the Note Participations shall be sold to the Underwriter (defined herein) or other purchaser pursuant to the terms and provisions of the Note Participation Purchase Agreement (the "Purchase Agreement"). The form of the Purchase Agreement, including the form of the Pricing Confirmation set forth as an exhibit thereto (the "Pricing Confirmation"), on file with the clerk or secretary of the Legislative Body, is hereby approved. The authorized representatives set forth in Section 23 hereof, or a designated deputy thereof (the "Authorized Representatives"), each alone, are hereby authorized and directed to execute and deliver the Purchase Agreement in substantially said form, with such changes thereto as such Authorized Representative shall approve, such approval to be conclusively evidenced by his or her execution and delivery thereof; *provided, however*, that the Note Rate shall not exceed 12% per annum, and that the District's *pro rata* share of underwriter's discount on the Note, when added to the District's share of the costs of issuance of the Note Participations, shall not exceed 1.0% of the Principal Amount of the Note and the Principal Amount shall not exceed the Maximum Amount of Borrowing. Delivery of an executed copy of the Pricing Confirmation by fax or telecopy shall be deemed effective execution and delivery for all purposes.

Section 5. Program Approval. Except as provided in Section 19(B) hereof, the Note shall be combined with notes of other Issuers into a Series and shall be sold simultaneously with such other notes of that Series referred to in the Pricing Confirmation, and shall be evidenced and represented by the Note Participations which shall evidence and represent proportionate, undivided interests in the Note in the proportion that the face amount of the Note bears to the total aggregate face amount of the Note and the notes issued by other Issuers which the Series of Note Participations represent. Such Note Participations may be delivered in book-entry form.

The forms of Trust Agreement and alternative general types and forms of Credit Agreements, if any, presented to this meeting are hereby approved, and the Authorized Representatives, each alone, are hereby authorized and directed to execute and deliver the Trust Agreement and a Credit Agreement, if applicable, which shall be identified in the Pricing Confirmation, in substantially one or more of said forms (a substantially final form of Credit

Agreement to be delivered to the Authorized Representative following the execution by such Authorized Representative of the Pricing Confirmation), with such changes therein as said Authorized Representative shall require or approve, such approval of this Legislative Body and such Authorized Representative to be conclusively evidenced by the execution thereby of the Trust Agreement and the Credit Agreement, if any. A description of this undertaking shall be set forth in the Preliminary Official Statement defined herein, if any, and will also be set forth in the Final Official Statement defined herein, if any. The Authorized Representatives, each alone, are hereby authorized and directed to comply with and carry out all of the provisions of the Trust Agreement with respect to continuing disclosure; *provided however*, that failure of the District to comply with the Continuing Disclosure Certificate, as defined in Article 11 of the Trust Agreement, shall not be considered an Event of Default hereunder. Any Credit Agreement identified in the Pricing Confirmation but not at this time before the Legislative Body shall include reasonable and customary terms and provisions relating to fees, increased costs of the Credit Provider payable by the District, negative and affirmation covenants of the District and events of default.

To the extent necessary, the Legislative Body hereby approves the preparation of a preliminary official statement (the "Preliminary Official Statement") and a final official statement (the "Final Official Statement") in connection with offering and sale of the Note Participations. The Financial Advisor and underwriter of the Note Participations (the "Underwriter") are hereby authorized and directed to cause to be mailed to prospective bidders or purchasers the Preliminary Official Statement in connection with the offering and sale of the Note Participations.

Any one of the Authorized Representatives of the District is hereby authorized and directed to provide the Financial Advisor and Underwriter with such information relating to the District as they shall reasonably request for inclusion in the Preliminary Official Statement and Official Statement, if any. Upon inclusion of the information relating to the District therein, the Preliminary Official Statement, except for certain omissions permitted by Rule 15c2-12 of the Securities Exchange Act of 1934, as amended (the "Rule"), is hereby deemed final within the meaning of the Rule; *provided* that no representation is made as to the information contained in the Preliminary Official Statement relating to the other Issuers or any Credit Provider. If, at any time prior to the end of the underwriting period, as defined in the Rule, any event occurs as a result of which the information contained in the Preliminary Official Statement relating to the District might include an untrue statement of a material fact or omit to state any material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading, the District shall promptly notify the Underwriter. Any one of the Authorized Representatives of the District is hereby authorized and directed, at or after the time of the sale of any Series of Note Participations, for and in the name and on behalf of the District, to execute a final Official Statement in substantially the form of the Preliminary Official Statement, with such additions thereto or changes therein as they may approve, such approval to be conclusively evidenced by the execution and delivery thereof.

The Trustee is authorized and directed to execute Note Participations on behalf of the District pursuant to the terms and conditions set forth in the Trust Agreement, in the aggregate principal amount specified in the Trust Agreement, and substantially in the form and otherwise containing the provisions set forth in the form of the Note Participations contained in the Trust Agreement. When so executed, the Note Participations shall be delivered by the Trustee to the

purchaser upon payment of the purchase price thereof, pursuant to the terms of the Trust Agreement.

Subject to Section 8 hereof, the District hereby agrees that if the Note as evidenced and represented by the Series of Note Participations shall become a Defaulted Note, the unpaid portion (including the interest component, if applicable) thereof or the portion (including the interest component, if applicable) to which a Credit Instrument applies for which full reimbursement on a draw, payment or claim has not been made by the Maturity Date shall be deemed outstanding and shall not be deemed to be paid until (i) any Credit Provider providing a Credit Instrument with respect to the Series of Note Participations, and therefore, if applicable, all or a portion of the District's Note, if any, has been reimbursed for any drawings, payments or claims made under or from the Credit Instrument with respect to the Note, including interest accrued thereon, as provided therein and in the applicable Credit Agreement, and, (ii) the holders of the Series of the Note Participations which evidence and represent the Note are paid the full principal amount represented by the unsecured portion of the Note plus interest accrued thereon (calculated at the Default Rate) to the date of deposit of such aggregate required amount with the Trustee. For purposes of clause (ii) of the preceding sentence, holders of the Series of Note Participations will be deemed to have received such principal amount upon deposit of such moneys with the Trustee.

The District agrees to pay or cause to be paid, in addition to the amounts payable under the Note, any fees or expenses of the Trustee and, to the extent permitted by law, if the District's Note as evidenced and represented by the Series of Note Participations is secured in whole or in part by a Credit Instrument, any Predefault Obligations and Reimbursement Obligations (to the extent not payable under the Note), (i) arising out of an "Event of Default" hereunder (or pursuant to Section 7 hereof) or (ii) arising out of any other event (other than an event arising solely as a result of, or otherwise attributable to a default by, any other Issuer). In the case described in (ii) above with respect to Predefault Obligations, the District shall owe only the percentage of such fees, expenses and Predefault Obligations equal to the ratio of the principal amount of its Note over the aggregate principal amounts of all notes, including the Note, of the Series of which the Note is a part, at the time of original issuance of such Series. Such additional amounts will be paid by the District within twenty-five (25) days of receipt by the District of a bill therefor from the Trustee.

Section 6. No Joint Obligation; Owners' Rights. Except as provided in Section 19(B) hereof, the Note shall be marketed and sold simultaneously with the notes of other Issuers and shall be aggregated and combined with notes of other Issuers participating in the Program into a Series of taxable or tax-exempt Note Participations evidencing and representing an interest in several, and not joint, obligations of each Issuer. The obligation of the District to Owners is a several and not a joint obligation and is strictly limited to the District's repayment obligation under this Resolution and the Note, as evidenced and represented by such Series of Note Participations.

Owners of Note Participations, to the extent of their interest in the Note, shall be treated as owners of the Note and shall be entitled to all the rights and security thereof; including the right to enforce the obligations and covenants contained in this Resolution and the Note. The District hereby recognizes the right of the Owners acting directly or through the Trustee to enforce the obligations and covenants contained in the Note, this Resolution and the Trust

Agreement. The District shall be directly obligated to each Owner for the principal and interest payments on the Note evidenced and represented by the Note Participations without any right of counterclaim or offset arising out of any act or failure to act on the part of the Trustee.

Section 7. Disposition of Proceeds of Note. The moneys received from the sale of the Note allocable to the District's share of the costs of issuance (which shall include any issuance fees in connection with a Credit Instrument applicable to the Note, if any) shall be deposited in the Costs of Issuance Fund held and invested by the Trustee under the Trust Agreement and expended on costs of issuance as provided in the Trust Agreement. The moneys received from the sale of the Note (net of the District's share of the costs of issuance) shall be deposited in the District's Proceeds Subaccount within the Proceeds Fund hereby authorized to be created pursuant to, and held and invested by the Trustee under, the Trust Agreement for the District and said moneys may be used and expended by the District for any purpose for which it is authorized to expend funds upon requisition from the Proceeds Subaccount as specified in the Trust Agreement. Amounts in the Proceeds Subaccount are hereby pledged to the payment of the Note.

The Trustee will not create subaccounts within the Proceeds Fund, but will keep records to account separately for proceeds of the Note Participations allocable to the District's Note on deposit in the Proceeds Fund which shall constitute the District's Proceeds Subaccount.

Section 8. Source of Payment. The principal amount of the Note, together with the interest thereon, shall be payable from taxes, income, revenue (including, but not limited to, revenue from the state and federal governments), cash receipts and other moneys which are received or held by the District for the general fund thereof and which are lawfully available for payment of the Notes.

To the extent the Note matures during the fiscal year following the Repayment Fiscal Year, the Note shall be payable only from taxes, income, revenue (including, but not limited to, revenue from the state and federal governments), cash receipts and other moneys of the District which are received in or accrued to the Repayment Fiscal Year. Included in such revenues are apportionments which otherwise would be received between July 2011 through June 2012 but due to the deferral of the State monies by the State will not be received until after June 30, 2012 ("Deferred Revenues"). The Deferred Revenues shall be accrued to the Repayment Fiscal Year and are hereby determined to be lawfully available to pay the principal of and interest on the Note.

As security for the payment of the principal of and interest on the Note, the District hereby pledges a portion amount of the first Unrestricted Revenues (as hereinafter provided, the "Pledged Revenues") received in the Repayment Months, defined below, and identified in the Pricing Confirmation. If Pledged Revenues are insufficient to pay the principal and interest on the Note, the Notes shall be payable from all Unrestricted Revenues which are received or held by the District for the general fund of the District and are lawfully available for the payment thereof. The principal of the Note and the interest thereon shall constitute a first lien and charge on the Pledged Revenues and, to the extent not so paid, shall be paid from any other taxes, income, revenue, cash receipts and other moneys of the District lawfully available therefor (all as provided for in Sections 53856 and 53857 of the Act). The term "Unrestricted Revenues" shall mean all taxes, income, revenue (including, but not limited to, revenue from the state and federal

governments), cash receipts, and other moneys, intended as receipts for the general fund of the District and which are generally available for the payment of current expenses and other obligations of the District. The Noteholders, Owners and Credit Provider shall have a first lien and charge on such Pledged Revenues as herein provided which are received or held by the District.

In order to effect the pledge referenced in the preceding paragraph, the District hereby agrees and covenants to establish and maintain a special account within the District's general fund to be designated the "2011-12 Tax and Revenue Anticipation Note Payment Account" (the "Payment Account") and further agrees and covenants to maintain the Payment Account until the payment of the principal of the Note and the interest thereon. Notwithstanding the foregoing, if the District elects to have Note proceeds invested in Permitted Investments to be held by the Trustee pursuant to the Pricing Confirmation, a subaccount of the Payment Account (the "Payment Subaccount") shall be established for the District under the Trust Agreement and proceeds credited to such account shall be pledged to the payment of the Note. The Trustee need not create a subaccount, but may keep a record to account separately for proceeds of the Note so held and invested by the Trustee which record shall constitute the District's Proceeds Subaccount. Transfers from the Payment Subaccount shall be made in accordance with the Trust Agreement. The District agrees to transfer to and deposit in the Payment Account the Pledged Revenues received in the months specified in the Pricing Confirmation as Repayment Months (each individual month a "Repayment Month" and collectively "Repayment Months") (and any amounts received thereafter) until the amount on deposit in the Payment Account, together with the amount, if any, on deposit in the Payment Subaccount, and taking into consideration anticipated investment earnings thereon to be received by the Maturity Date, is equal in the respective Repayment Months identified in the Pricing Confirmation to the percentage of the principal and interest due on the Note specified in the Pricing Confirmation. In making such transfer and deposit, the District shall not be required to physically segregate the amounts to be transferred to and deposited in the Payment Account from the District's other general fund moneys, but, notwithstanding any commingling of funds for investment or other purposes, the amounts required to be transferred to and deposited in the Payment Account shall nevertheless be subject to the lien and charge created herein. The District shall notify the Trustee of each required deposit to the Payment Account in accordance with the Trust Agreement.

Any one of the Authorized Representatives of the District is hereby authorized to approve the determination of the Repayment Months and percentages of the principal and interest due on the Note required to be on deposit in the Payment Account and/or the Payment Subaccount in each Repayment Month, all as specified in the Pricing Confirmation, by executing and delivering the Pricing Confirmation, such execution and delivery to be conclusive evidence of approval by this Legislative Body and such Authorized Representative; provided, however, that the maximum number of Repayment Months shall be six. In the event on the day in each such Repayment Month that a deposit to the Payment Account is required to be made, the District has not received sufficient Unrestricted Revenues to permit the deposit into the Payment Account of the full amount of Pledged Revenues to be deposited in the Payment Account from said Unrestricted Revenues in said month, then the amount of any deficiency shall be satisfied and made up from any other moneys of the District lawfully available for the payment of the principal of the Note and the interest thereon, as and when such other moneys are received or are otherwise legally available.

To the extent the District's Note is payable from Deferred Revenues, the Pricing Confirmation may specify that the deposits into the Payment Account from such Deferred Revenues may be made on either (i) the first business day of the month following the Repayment Month in which such Deferred Revenues are received, or (ii) 30 calendar days after the District has received such Deferred Revenues, whichever comes first, provided, however, that no Repayment Month may occur later than one month prior to the Maturity Date of the District's Note.

Any moneys placed in the Payment Account or the Payment Subaccount shall be for the benefit of (i) the holder of the Note and the owner of the Note and (ii) (to the extent provided in the Trust Agreement) the Credit Provider, if any. The moneys in the Payment Account and the Payment Subaccount shall be applied only for the purposes for which such accounts are created until the principal of the Note and all interest thereon are paid or until provision has been made for the payment of the principal of the Note at maturity with interest to maturity (in accordance with the requirements for defeasance of the Note Participations as set forth in the Trust Agreement) and, if applicable, (to the extent provided in the Trust Agreement and, if applicable, the Credit Agreement) the payment of all Predefault Obligations and Reimbursement Obligations owing to the Credit Provider.

The District hereby directs the Trustee to transfer on the Note Payment Deposit Date (as defined in the Trust Agreement), any moneys in the Payment Subaccount to the Note Participation Payment Fund (as defined in the Trust Agreement). In addition, on the Note Payment Deposit Date, the moneys in the Payment Account shall be transferred by the District to the Trustee, to the extent necessary (after crediting any transfer pursuant to the preceding sentence), to pay the principal of and/or interest on the Note, to make payments to a Swap Provider, if any, as defined in the Trust Agreement, pursuant to a Swap Agreement, if any, as defined in the Trust Agreement, or to reimburse the Credit Provider for payments made under or pursuant to the Credit Instrument. In the event that moneys in the Payment Account and/or the Payment Subaccount are insufficient to pay the principal of and interest on the Note in full when due, such moneys shall be applied in the following priority: first to pay interest on the Note; second to pay principal of the Note; third to reimburse the Credit Provider for payment, if any, of interest with respect to the Note; fourth to reimburse the Credit Provider for payment, if any, of principal with respect to the Note; and fifth to pay any Reimbursement Obligations of the District and any of the District's pro rata share of Predefault Obligations owing to the Credit Provider. Any moneys remaining in or accruing to the Payment Account and/or the Payment Subaccount after the principal of the Note and the interest thereon and any Predefault Obligations and Reimbursement Obligations, if applicable, have been paid, or provision for such payment has been made, shall be transferred to the general fund of the District, subject to any other disposition required by the Trust Agreement, or, if applicable, the Credit Agreement. Nothing herein shall be deemed to relieve the District from its obligation to pay its Note in full on the Maturity Date.

Moneys in the Proceeds Subaccount and in the Payment Subaccount shall be invested by the Trustee pursuant to the Trust Agreement as directed by the District in Permitted Investments as described in and under the terms of the Trust Agreement. Any such investment by the Trustee shall be for the account and risk of the District, and the District shall not be deemed to be relieved of any of its obligations with respect to the Note, the Predefault Obligations or

Reimbursement Obligations, if any, by reason of such investment of the moneys in its Proceeds Subaccount or the Payment Subaccount.

The District shall promptly file with the Trustee and the Credit Provider, if any, such financial reports at the times and in the forms required by the Trust Agreement. At the written request of the Credit Provider, if any, the District shall, within ten (10) Business Days following the receipt of such written request, file such report or reports to evidence the transfer to and deposit in the Payment Account required by this Section 8 and provide such additional financial information as may be required by the Credit Provider, if any.

In the event either (A) the Principal Amount of the Note, together with the aggregate amount of all tax-exempt obligations (including any tax-exempt leases, but excluding private activity bonds), issued and reasonably expected to be issued by the District (and all subordinate entities of the District) during the calendar year in which the Note is issued, will, at the time of issuance of the Note (as indicated in the certificate of the District executed as of the date of issuance of the Note (the "District Certificate"), exceed fifteen million dollars (\$15,000,000), or (B) the Principal Amount of the Note, together with the aggregate amount of all tax-exempt obligations not used to finance school construction (including any tax-exempt leases, but excluding private activity bonds), issued and reasonably expected to be issued by the District (and all subordinate entities of the District) during the calendar year in which the Note is issued, will, at the time of issuance of the Note (as indicated in the District Certificate), exceed five million dollars (\$5,000,000), the following paragraph will apply. In such case, the District shall be deemed a "Safe Harbor Issuer" with respect to the Note.

Amounts in the Proceeds Subaccount of the District and attributable to cash flow borrowing shall be withdrawn and expended by the District for any purpose for which the District is authorized to expend funds from the general fund of the District, but, with respect to general fund expenditures, only to the extent that on the date of any withdrawal no other funds are available for such purposes without legislation or judicial action or without a legislative, judicial or contractual requirement that such funds be reimbursed. If on no date that is within six months from the date of issuance of the Note, the balance in the related Proceeds Subaccount is low enough so that the amounts in the Proceeds Subaccount qualify for an exception from the rebate requirement (the "Rebate Requirements") of Section 148 of the Internal Revenue Code of 1986 (the "Code"), the District shall notify the Trustee in writing and, to the extent of its power and authority, comply with instructions from Stradling Yocca Carlson & Rauth, Special Counsel, supplied to it by the Trustee as the means of satisfying the Rebate Requirements.

Section 9. Execution of Note; Registration and Transfer. Any one of the Treasurer of the County (or comparable officer), or, in the absence of said officer, his or her duly appointed assistant, the Chairperson of the Board of Supervisors of the County or the Auditor (or comparable officer) of the County shall be authorized to execute the Note issued hereunder by manual or facsimile signature and the Clerk of the Board of Supervisors of the County or any Deputy Clerk shall be authorized to countersign the Note by manual or facsimile signature and to affix the seal of the County to the Note either manually or by facsimile impression thereof. In the event the Board of Supervisors of the County fails or refuses to authorize issuance of the Note as referenced in Section 2 hereof, any one of the Authorized Representatives of the District or any other officer designated by the Legislative Body shall be authorized to execute the Note by manual or facsimile signature and the Secretary or Clerk of the Legislative Body of the

District or any duly appointed assistant thereto shall be authorized to countersign the Note by manual or facsimile signature. Said officers of the District are hereby authorized to cause the blank spaces of the Note to be filled in as may be appropriate pursuant to the Pricing Confirmation. Said officers are hereby authorized and directed to cause the Trustee, as registrar and authenticating agent, to accept delivery of the Note pursuant to the terms and conditions of the Purchase Agreement and Trust Agreement. In case any officer whose signature shall appear on any Note shall cease to be such officer before the delivery of such Note, such signature shall nevertheless be valid and sufficient for all purposes, the same as if such officer had remained in office until delivery. The Note need not bear the seal of the District, if any.

As long as the Note remains outstanding, the District shall maintain and keep at the principal corporate trust office of the Trustee, books for the registration and transfer of the Note. The Note shall initially be registered in the name of the Trustee as trustee under the Trust Agreement. Upon surrender of the Note for transfer at the office of the Trustee with a written instrument of transfer satisfactory to the Trustee, duly executed by the registered owner or its duly authorized attorney, and upon payment of any tax, fee or other governmental charge required to be paid with respect to such transfer, the County or the District, as applicable, shall execute and the Trustee shall authenticate and deliver, in the name of the designated transferee, a fully registered Note. For every transfer of the Note, the County, the District or the Trustee may make a charge sufficient to reimburse it for any tax, fee or other governmental charge required to be paid with respect to the transfer, which sum or sums shall be paid by the person making such transfer as a condition precedent to the exercise of the privilege of making such transfer.

Subject to Section 6 hereof, the County, the District and the Trustee and their respective successors may deem and treat the person in whose name the Note is registered as the absolute owner thereof for all purposes, and the County, the District and the Trustee and their respective successors shall not be affected by any notice to the contrary, and payment of or on account of the principal of such Note shall be made only to or upon the order of the registered owner thereof. All such payments shall be valid and effectual to satisfy and discharge the liability upon the Note to the extent of the sum or sums so paid.

The Note may, in accordance with its terms, be transferred upon the books required to be kept by the Trustee pursuant to the provisions hereof by the person in whose name it is registered, in person or by his duly authorized attorney, upon surrender of the Note for cancellation, accompanied by delivery of a written instrument of transfer duly executed in form approved by the Trustee.

The Trustee will keep or cause to be kept, at its principal corporate trust office, sufficient books for the registration and transfer of the Note, which shall be open to inspection by the County and the District during regular business hours. Upon presentation for such purpose, the Trustee shall, under such reasonable regulations as it may prescribe, register or transfer or cause to be registered or transferred, on such books, the Note as hereinbefore provided.

If any Note shall become mutilated, the County or the District, as applicable, at the expense of the registered owner of such Note, shall execute, and the Trustee shall thereupon authenticate and deliver a new Note of like tenor and number in exchange and substitution for the Note so mutilated, but only upon surrender to the Trustee of the Note so mutilated. Every mutilated Note so surrendered to the Trustee shall be cancelled by it and delivered to, or upon the

order of the County or the District, as applicable. If any Note shall be lost, destroyed or stolen, evidence of such loss, destruction or theft may be submitted to the County, the District and the Trustee and, if such evidence be satisfactory to them and indemnity satisfactory to them shall be given, the County or the District, as applicable, at the expense of the registered owner, shall execute, and the Trustee shall thereupon authenticate and deliver a new Note of like tenor and number in lieu of and in substitution for the Note so lost, destroyed or stolen (or if any such Note shall have matured (as of the latest maturity date indicated on the face thereof) or shall be about to mature (as of the latest maturity date indicated on the face thereof), instead of issuing a substitute Note, the Trustee may pay the same without surrender thereof). The Trustee may require payment of a sum not exceeding the actual cost of preparing each new Note issued pursuant to this paragraph and of the expenses which may be incurred by the County or the District applicable, and the Trustee in such preparation. Any Note issued under these provisions in lieu of any Note alleged to be lost, destroyed or stolen shall constitute an original additional contractual obligation on the part of the County (on behalf of the District) or on the part of the District, as applicable, whether or not the Note so alleged to be lost, destroyed or stolen be at any time enforceable by anyone, and shall be entitled to the benefits of this Resolution with all other Notes secured by this Resolution.

Section 10. Representations and Covenants of the District.

The District makes the following representations for the benefit of the holder of the note, the owners of the Note Participations and the Credit Provider, if any.

(A) The District is duly organized and existing under and by virtue of the laws of the State of California and has all necessary power and authority to (i) adopt this Resolution and perform its obligations thereunder, (ii) enter into and perform its obligations under the Purchase Agreement, and (iii) issue the Note and perform its obligations thereunder.

(B) Upon the issuance of the Note, the District shall have taken all action required to be taken by it to authorize the issuance and delivery of the Note and the performance of its obligations thereunder, and the District has full legal right, power and authority to issue and deliver the Note.

(C) The issuance of the Note, the adoption of the Resolution and the execution and delivery of the Purchase Agreement, Trust Agreement and Credit Agreement, if any, and compliance with the provisions hereof and thereof will not conflict with or violate any law, administrative regulation, court decree, resolution, charter, by-laws or other agreement to which the District is subject or by which it is bound.

(D) Except as may be required under blue sky or other securities laws of any state or Section 3(a)(2) of the Securities Act of 1933, there is no consent, approval, authorization or other order of, or filing with, or certification by, any regulatory authority having jurisdiction over the District required for the issuance and sale of the Note or the consummation by the District of the other transactions contemplated by this Resolution, except those the District shall obtain or perform prior to or upon the issuance of the Note.

(E) The District has (or will have prior to the issuance of the Note) duly, regularly and properly adopted a preliminary budget for the Repayment Fiscal Year setting forth expected revenues and expenditures and has complied with all statutory and regulatory

requirements with respect to the adoption of such budget. The District hereby covenants that it shall (i) duly, regularly and properly prepare and adopt its final budget for the Repayment Fiscal Year, (ii) provide to the Trustee, the Credit Provider, if any, the Financial Advisor, promptly upon adoption, copies of such final budget and of any subsequent revisions, modifications or amendments thereto and (iii) comply with all applicable laws pertaining to its budget.

(F) The sum of the principal amount of the District's Note plus the interest payable thereon, on the date of its issuance, will not exceed fifty percent (50%) of the estimated amounts of the District's uncollected taxes, income, revenue (including, but not limited to, revenue from the state and federal governments), cash receipts, and other moneys legally available to pay principal of and interest on the Note.

(G) The District (i) has not defaulted within the past twenty (20) years, and is not currently in default, on any debt obligation and (ii), to the best knowledge of the District, has never defaulted on any debt obligation.

(H) The District's most recent audited financial statements present fairly the financial condition of the District as of the date thereof and the results of operation for the period covered thereby. Except as has been disclosed to the Financial Advisor, the Underwriter and the Credit Provider, if any, there has been no change in the financial condition of the District since the date of such audited financial statements that will in the reasonable opinion of the District materially impair its ability to perform its obligations under this Resolution and the Note. The District agrees to furnish to the Financial Advisor, the Underwriter, the Trustee and the Credit Provider, if any, promptly, from time to time, such information regarding the operations, financial condition and property of the District as such party may reasonably request.

(I) There is no action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, arbitrator, governmental or other board, body or official, pending or, to the best knowledge of the District, threatened against or affecting the District questioning the validity of any proceeding taken or to be taken by the District in connection with the Note, the Purchase Agreement, the Trust Agreement, the Credit Agreement, if any, or this Resolution, or seeking to prohibit, restrain or enjoin the execution, delivery or performance by the District of any of the foregoing, or wherein an unfavorable decision, ruling or finding would have a materially adverse effect on the District's financial condition or results of operations or on the ability of the District to conduct its activities as presently conducted or as proposed or contemplated to be conducted, or would materially adversely affect the validity or enforceability of, or the authority or ability of the District to perform its obligations under, the Note, the Purchase Agreement, the Trust Agreement, the Credit Agreement, if any, or this Resolution.

(J) Upon issuance of the Note and execution of the Purchase Contract, this Resolution, the Purchase Contract and the Note will constitute legal, valid and binding agreements of the District, enforceable in accordance with their respective terms, except as such enforceability may be limited by bankruptcy or other laws affecting creditors' rights generally, the application of equitable principles if equitable remedies are sought, the exercise of judicial discretion in appropriate cases and the limitations on legal remedies against school districts, as applicable, in the State of California.

(K) The District and its appropriate officials have duly taken, or will take, all proceedings necessary to be taken by them, if any, for the levy, receipt, collection and

enforcement of the Pledged Revenues in accordance with law for carrying out the provisions of this Resolution and the Note.

(L) The District shall not incur any indebtedness secured by a pledge of its Pledged Revenues unless such pledge is subordinate in all respects to the pledge of Pledged Revenues hereunder.

(M) So long as the Credit Provider, if any, is not in payment default under the Credit Instrument, the District hereby agrees to pay its pro rata share of all Predefault Obligations and all Reimbursement Obligations attributable to the District in accordance with provisions of the Credit Agreement, if any, and/or the Trust Agreement, as applicable. Prior to the Maturity Date, moneys in the District's Payment Account and/or Payment Subaccount shall not be used to make such payments. The District shall pay such amounts promptly upon receipt of notice from the Credit Provider that such amounts are due to it.

(N) So long as any Note Participations issued in connection with the Notes are Outstanding, or any Predefault Obligation or Reimbursement Obligation is outstanding, the District will not create or suffer to be created any pledge of or lien on the Note other than the pledge and lien of the Trust Agreement.

(O) It is hereby covenanted and warranted by the District that it will not request the County Treasurer to make temporary transfers of funds in the custody of the County Treasurer to meet any obligations of the District during Fiscal Year 2011-12 pursuant to Article XVI, Section 6 of the Constitution of the State of California.

Section 11. Tax Covenants. (A) The District will not take any action or fail to take any action if such action or failure to take such action would adversely affect the exclusion from gross income of the interest payable on the Note under Section 103 of the Internal Revenue Code of 1986 (the "Code"). Without limiting the generality of the foregoing, the District will not make any use of the proceeds of the Note or any other funds of the District which would cause the Note to be an "arbitrage bond" within the meaning of Section 148 of the Code, a "private activity bond" within the meaning of Section 141(a) of the Code, or an obligation the interest on which is subject to federal income taxation because it is "federally guaranteed" as provided in Section 149(b) of the Code. The District, with respect to the proceeds of the Note, will comply with all requirements of such sections of the Code and all regulations of the United States Department of the Treasury issued or applicable thereunder to the extent that such requirements are, at the time, applicable and in effect.

(B) In the event the District is deemed a Safe Harbor Issuer (as defined in Section 7), this paragraph (B) shall apply. The District covenants that it shall make all calculations in a reasonable and prudent fashion relating to any rebate of excess investment earnings on the proceeds of the Note due to the United States Treasury, shall segregate and set aside from lawfully available sources the amount such calculations may indicate may be required to be paid to the United States Treasury, and shall otherwise at all times do and perform all acts and things necessary and within its power and authority, including complying with the instructions of Stradling Yocca Carlson & Rauth, Special Counsel referred to in Section 8 hereof to assure compliance with the Rebate Requirements. If the balance of the Proceeds Subaccount attributed to cash flow borrowing and treated for federal tax purposes as proceeds of the Note is not low enough to qualify amounts in the Proceeds Subaccount attributed to cash flow borrowing

for an exception to the Rebate Requirements on at least one date within the six month period following the date of issuance of the Note (calculated in accordance with Section 8), the District will reasonably and prudently calculate the amount, if any, of investment profits which must be rebated to the United States and will immediately set aside, from lawfully available revenues, the amount of any such rebate in the Rebate Fund referred to in this Section 11(B). In addition, in such event, the District shall establish and maintain with the Trustee a fund separate from any other fund established and maintained hereunder and under the Trust Agreement designated as the "2011-12 Tax and Revenue Anticipation Note Rebate Fund" or such other name as the Trust Agreement may designate. There shall be deposited in such Rebate Fund such amounts as are required to be deposited therein in accordance with the written instructions from Bond Counsel pursuant to Section 8 hereof.

(C) Notwithstanding any other provision of this Resolution to the contrary, upon the District's failure to observe, or refusal to comply with, the covenants contained in this Section 11, no one other than the holders or former holders of the Note or Note Participation Owners, the Credit Provider(s), if any, or the Trustee on their behalf shall be entitled to exercise any right or remedy under this Resolution on the basis of the District's failure to observe, or refusal to comply with, such covenants.

(D) The covenants contained in this Section 11 shall survive the payment of the Note.

(E) The provisions of this Section 11 shall not apply to a Taxable Note.

Section 12. Events of Default and Remedies.

If any of the following events occur, it is hereby defined as and declared to be and to constitute an "Event of Default":

(a) Failure by the District to make or cause to be made the transfers and deposits to the Payment Account, or any other payment required to be paid hereunder, including payment of principal and interest on the Note, on or before the date on which such transfer, deposit or other payment is due and payable;

(b) Failure by the District to observe and perform any covenant, condition or agreement on its part to be observed or performed under this Resolution, for a period of fifteen (15) days after written notice, specifying such failure and requesting that it be remedied, is given to the District by the Trustee or the Credit Provider, if applicable, unless the Trustee and the Credit Provider shall agree in writing to an extension of such time prior to its expiration;

(c) Any warranty, representation or other statement by or on behalf of the District contained in this Resolution or the Purchase Agreement (including the Pricing Confirmation) or in any requisition or any financial report delivered by the District or in any instrument furnished in compliance with or in reference to this Resolution or the Purchase Agreement or in connection with the Note, is false or misleading in any material respect;

(d) A petition is filed against the District under any bankruptcy, reorganization, arrangement, insolvency, readjustment of debt, dissolution or liquidation law of any jurisdiction, whether now or hereafter in effect and is not dismissed within 30 days after such filing, but the Trustee shall have the right to intervene in the proceedings prior to the expiration of such 30 days to protect its and the Owners' interests;

(e) The District files a petition in voluntary bankruptcy or seeking relief under any provision of any bankruptcy, reorganization, arrangement, insolvency, readjustment of debt, dissolution or liquidation law of any jurisdiction, whether now or hereafter in effect, or consents to the filing of any petition against it under such law; or

(f) The District admits insolvency or bankruptcy or is generally not paying its debts as such debts become due, or becomes insolvent or bankrupt or makes an assignment for the benefit of creditors, or a custodian (including without limitation a receiver, liquidator or trustee) of the District or any of its property is appointed by court order or takes possession thereof and such order remains in effect or such possession continues for more than 30 days, but the Trustee shall have the right to intervene in the proceedings prior to the expiration of such 30 days to protect its and the Owners' interests;

Whenever any Event of Default referred to in this Section 12 shall have happened and be continuing, the Trustee shall, in addition to any other remedies provided herein or by law or under the Trust Agreement, have the right, at its option without any further demand or notice, to take one or any combination of the following remedial steps:

(a) Without declaring the Note to be immediately due and payable, require the District to pay to the Trustee, as holder of the Note, an amount equal to the principal of the Note and interest thereon to maturity, plus all other amounts due hereunder, and upon notice to the District the same shall become immediately due and payable by the District without further notice or demand; and

(b) Take whatever other action at law or in equity (except for acceleration of payment on the Note) which may appear necessary or desirable to collect the amounts then due and thereafter to become due hereunder or to enforce any other of its rights hereunder.

Notwithstanding the foregoing, if the District's Note is secured in whole or in part by a Credit Instrument or if the Credit Provider is subrogated to rights under the District's Note, as long as the Credit Provider has not failed to comply with its payment obligations under the Credit Instrument, the Credit Provider shall have the right to direct the remedies upon any Event of Default hereunder, and the Credit Provider's prior consent shall be required to any remedial action proposed to be taken by the Trustee hereunder.

If the District has executed a Credit Instrument and if the Credit Provider is not reimbursed for any drawing, payment or claim, as applicable, used to pay principal of and interest on the Note due to a default in payment on the Note by the District, or if any principal of or interest on the Note remains unpaid after the Maturity Date, the Note shall be a Defaulted

Note, the unpaid portion (including the interest component, if applicable) thereof or the portion (including the interest component, if applicable) to which a Credit Instrument applies for which reimbursement on a draw, payment or claim has not been made shall be deemed outstanding and shall bear interest at the Default Rate, as defined in the Trust Agreement, until the District's obligation on the Defaulted Note is paid in full or payment is duly provided for, all subject to Section 8 hereof.

Section 13. Trustee. The Trustee is hereby appointed as paying agent, registrar and authenticating agent for the Note. The District hereby directs and authorizes the payment by the Trustee of the interest on and principal of the Note when such become due and payable, from the Payment Account held by the Trustee in the name of the District in the manner set forth herein. The District hereby covenants to deposit funds in such account at the time and in the amount specified herein to provide sufficient moneys to pay the principal of and interest on the Note on the day on which it matures. Payment of the Note shall be in accordance with the terms of the Note and this Resolution.

The District hereby agrees to maintain as paying agent, registrar and authenticating agent of the Note, the Trustee under the Trust Agreement.

Section 14. Approval of Actions. The aforementioned Authorized Representatives of the District are hereby authorized and directed to execute the Note and cause the Trustee to authenticate and accept delivery of the Note, pursuant to the terms and conditions of this Resolution and the Trust Agreement. All actions heretofore taken by the officers and agents of the District or this Legislative Body with respect to the sale and issuance of the Note and participation in the Program are hereby approved, confirmed and ratified and the Authorized Representatives and agents of the District are hereby authorized and directed, for and in the name and on behalf of the District, to do any and all things and take any and all actions and execute any and all certificates, agreements and other documents which they, or any of them, may deem necessary or advisable in order to consummate the lawful issuance and delivery of the Note in accordance with, and related transactions contemplated by, this Resolution. The Authorized Representatives of the District referred to above in Section 4 hereof are hereby designated as "Authorized District Representatives" under the Trust Agreement.

In the event that the Note or a portion thereof is secured by a Credit Instrument, any one of the Authorized Representatives of the District is hereby authorized and directed to provide the Credit Provider, with any and all information relating to the District as such Credit Provider may reasonably request.

Section 15. Proceedings Constitute Contract. The provisions of the Note and of this Resolution shall constitute a contract between the District and the registered owner of the Note and the Credit Provider, if any, and such provisions shall be enforceable by mandamus or any other appropriate suit, action or proceeding at law or in equity in any court of competent jurisdiction, and shall be irrevocable. The Credit Provider, if any, is a third party beneficiary of the provisions of this Resolution and the Note.

Section 16. Limited Liability. Notwithstanding anything to the contrary contained herein or in the Note or in any other document mentioned herein, the District shall not have any liability hereunder or by reason hereof or in connection with the transactions

contemplated hereby except to the extent payable from moneys available therefor as set forth in Section 8 hereof.

Section 17. Amendments. (A) At any time or from time to time, the District may adopt one or more Supplemental Resolutions with the written consent of the Credit Provider, if any, but without the necessity for consent of the owner of the Note for any one or more of the following purposes:

(a) to add to the covenants and agreements of the District in this Resolution, other covenants and agreements to be observed by the District which are not contrary to or inconsistent with this Resolution as theretofore in effect;

(b) to add to the limitations and restrictions in this Resolution, other limitations and restrictions to be observed by the District which are not contrary to or inconsistent with this Resolution as theretofore in effect;

(c) to confirm, as further assurance, any pledge under, and the subjection to any lien or pledge created or to be created by, this Resolution, of any monies, securities or funds, or to establish any additional funds or accounts to be held under this Resolution;

(d) to cure any ambiguity, supply any omission, or cure or correct any defect or inconsistent provision in this Resolution; or

(e) to amend or supplement this Resolution in any other respect;

provided, however, that any such Supplemental Resolution does not adversely affect the interests of the owner of the Note or of the Note Participations executed and delivered in connection with the Notes.

Any modifications or amendment of this Resolution and of the rights and obligations of the District and of the owner of the Note or of the Note Participations executed and delivered in connection with the Notes may be made by a Supplemental Resolution, with the written consents of the Authority and the Credit Provider, if any, and with the written consent of the owners of at least a majority in principal amount of the Note and of the Note Participations executed and delivered in connection with the Notes outstanding at the time such consent is given; provided, however, that if such modification or amendment will, by its terms, not take effect so long as the Note or any or of the Note Participations executed and delivered in connection with the Notes remain outstanding, the consent of the owners of such Note or of the Note Participations executed and delivered in connection with the Notes shall not be required. No such modification or amendment shall permit a change in the maturity of the Note or a reduction of the principal amount thereof or an extension of the time of any payment thereon or a reduction of the rate of interest thereon, or a change in the date or amounts of the pledge set forth in this Resolution, without the consent of the owners of such Note or the owners of all of the Note Participations executed and delivered in connection with the Notes, or shall reduce the percentage of the Note or the owners of all of the Note Participations executed and delivered in connection with the Notes, the consent of the owners of which is required to effect any such modification or amendment, or shall change or modify any of the rights or obligations of the Trustee without its written assent thereto.

(B) Notwithstanding any other provisions herein, the provisions of this Resolution as they relate to the terms of the Notes may be amended by the Purchase Agreement.

Section 18. Severability. In the event any provision of this Resolution shall be held invalid or unenforceable by any court of competent jurisdiction, such holding shall not invalidate or render unenforceable any other provision hereof.

Section 19. Request to Borrow; Transmittal of Resolution.

(A) Following its adoption by the Board, signed copies of this resolution shall be transmitted by the secretary or clerk of the Legislative Body to the treasurer of the county (the "County") in which the District is located, to the County's board of supervisors (the "County Board"), and to the County's superintendent of schools. Transmittal of this resolution to the County Board shall constitute a request by the Legislative Body for borrowing and for the issuance of the Note by the County Board. This resolution is based on the assumption that the County Board will fail to authorize, by resolution, the issuance of the Note within 45 calendar days of its receipt hereof or that the County Board will notify the District that it will not authorize the issuance of the Note within such 45-day period. If within such 45-day period the County Board authorizes, by resolution, issuance of the Note, then, notwithstanding this resolution, the Notes shall be issued in the name of the District by the County Board pursuant to such resolution of the County Board.

(B) Adoption of this resolution is based on the assumption that the Note shall be issued in conjunction with the note or notes of one or more other school districts, as described in Section 53853(b) of the Act. However, and notwithstanding any other provision herein, if District elects not to, or is otherwise unable to, issue its Note in conjunction with the note or notes of other school districts, transmittal of this Resolution shall constitute a request for borrowing and for the issuance, on a stand-alone basis, of the Note by the County Board. In such instance, and notwithstanding this resolution, the Notes shall be issued in the name of the District by the County Board pursuant to a resolution thereof.

Section 20. Limited Liability and Indemnification. (a) Notwithstanding anything to the contrary contained herein or in the Note or in any other document mentioned herein or related to the Note or to any Series of Note Participations to which the Note may be assigned, the District shall not have any liability hereunder or by reason hereof or in connection with the transactions contemplated hereby except to the extent payable from moneys available therefor as set forth herein and (b) the District shall indemnify and hold harmless, to the extent permitted by law, the County and its officers and employees ("Indemnified Parties"), against any and all losses, claims, damages or liabilities, joint or several, to which such Indemnified Parties may become subject because of action or inaction related to the adoption of a resolution by the County Board of Supervisors providing for the issuance and sale of the Notes, or related to the proceedings for sale, award, issuance and delivery of the Notes in accordance therewith and herewith. The District shall also reimburse any such Indemnified Parties for any legal or other expenses incurred in connection with investigating or defending any such claims or actions.

Section 21. Appointment of Professionals. The law firm of Stradling Yocca Carlson & Rauth is hereby appointed as Special Counsel and Disclosure Counsel for the Program. The District acknowledges that Special Counsel regularly performs legal services for many private and public entities in connection with a wide variety of matters, and that Special

Counsel has represented, is representing or may in the future represent other public entities, underwriters, trustees, rating agencies, insurers, credit enhancement providers, lenders, financial and other consultants who may have a role or interest in the proposed financing or that may be involved with or adverse to District in this or some other matter. Given the special, limited role of Special Counsel described above the District acknowledges that no conflict of interest exists or would exist, waives any conflict of interest that might appear to exist, and consents to any and all such relationships.

Keygent LLC is hereby appointed as Financial Advisor for the Program. Stone & Youngberg LLC is hereby appointed as the Underwriter for the Program.

Section 22. Form 8038-G; Continuing Disclosure. (A) Any Authorized Officer is hereby authorized to execute and deliver any Information Return for Tax-Exempt Governmental Obligations, Form 8038-G of the Internal Revenue Service ("Form 8038-G"), in connection with the issuance of the Note and the related Series of Note Participations. To the extent permitted by law, the Authority, the Trustee, the Underwriter and Special Counsel are each hereby authorized to execute and deliver any Form 8038-G for and on behalf of the District in connection with the issuance of the Note and the related Series of Note Participations, as directed by an Authorized Officer of the District.

(B) The District covenants, for the sole benefit of the Owners of the Series of Note Participations which evidence and represent the Note (and, to the extent specified in this Section 22, the beneficial owners thereof), that the District shall provide, through the Trustee acting as dissemination agent (the "Dissemination Agent") to the Municipal Securities Rulemaking Board, with respect to the District's outstanding Note, notice of any of the following (each, a "Listed Event") in a timely manner, not in excess of 10 business days after the occurrence thereof:

(1) (i) principal and interest payment delinquencies on the Note and the related Series of Note Participations; (ii) defeasances; (iii) rating changes; (iv) unscheduled draws on debt service reserves reflecting financing difficulties; (v) unscheduled draws on the credit enhancement reflecting financial difficulties; (vi) substitution of credit or liquidity providers, or their failure to perform; and (vii) bankruptcy, insolvency, receivership or similar event (within the meaning of the Rule) of the District.

(C) The District covenants, for the sole benefit of the Owners of the Series of Note Participations which evidence and represent the Note (and, to the extent specified in this Section 22, the beneficial owners thereof), that the District shall provide in a timely manner, through the Trustee acting as the Dissemination Agent to the Municipal Securities Rulemaking Board, with respect to the District's outstanding Note, notice of any of the following Listed Events, if material:

(1) (i) non-payment related defaults; (ii) modifications to rights of Owners and beneficial owners of the Series of Note Participations which evidence and represent the Note; (iii) optional, contingent or unscheduled bond calls; (iv) unless described under Section 22(B)(1) hereof, adverse tax opinions or events affecting the tax-exempt status of the Note and the related Series of Note Participations; (iv) the consummation of a merger, consolidation, or acquisition involving the District or the sale of all or substantially all of

the assets of the District, other than in the ordinary course of business, the entry into a definitive agreement to undertake such an action or the termination of a definitive agreement relating to any such actions, other than pursuant to its terms; (v) appointment of a successor or additional Trustee or the change of name of such Trustee.

Whenever the District obtains knowledge of the occurrence of a Listed Event under Section 22(C)(1) hereof, the District shall as soon as possible determine if such event would be material under applicable federal securities laws. The Authority and the Dissemination Agent shall have no responsibility for such determination and shall be entitled to conclusively rely upon the District's determination.

If the District determines that knowledge of the occurrence of a Listed Event under Section 22(C)(1) hereof would be material under applicable federal securities laws, or upon the occurrence of any Listed Event under Section 22(B)(1) hereof, the District shall promptly provide the Authority and the Dissemination Agent with a notice of such occurrence, which the Dissemination Agent agrees to file with the Municipal Securities Rulemaking Board.

(D) In the event of a failure of the District to comply with any provision of this section, any Owner or beneficial owner of the related Series of Note Participations may take such actions as may be necessary and appropriate, including seeking mandate or specific performance by court order, to cause the District to comply with its obligations under this section. A default under this section shall not be deemed an Event of Default under Section 12 hereof, and the sole remedy under this section in the event of any failure of the District to comply with this section shall be an action to compel performance.

(E) For the purposes of this section, a "beneficial owner" shall mean any person which has the power, directly or indirectly, to make investment decisions concerning ownership of any Note Participations of the Series which evidences and represents the Notes (including persons holding Note Participations through nominees, depositories or other intermediaries).

(F) The District's obligations under this section shall terminate upon the legal defeasance, prior redemption or payment in full of its Note. If such termination occurs prior to the final maturity of the related Note Participations, the District shall give notice of such termination in the same manner as for a Listed Event under subsection (B)(1)(ii) of this section.

(G) The Dissemination Agent shall not be responsible in any manner for the content of any notice or report prepared by the District pursuant to this section. In no event shall the Dissemination Agent be responsible for preparing any notice or report or for filing any notice or report which it has not received in a timely manner and in a format suitable for reporting. Nothing in this section shall be deemed to prevent the District from disseminating any other information, using the means of dissemination set forth in this section or any other means of communication, or including any other notice of occurrence of a Listed Event, in addition to that which is required by this section. If the District chooses to include any information in any notice of occurrence of a Listed Event in addition to that which is specifically required by this section, the District shall have no obligation under this section to update such information or include it in any future notice of occurrence of a Listed Event.

(H) Notwithstanding any other provision of this Resolution, the District with the consent of the Dissemination Agent and notice to the Authority may amend this section, and any provision of this section may be waived, provided that the following conditions are satisfied:

(1) If the amendment or waiver relates to the provisions of subsections (B) or (C) of this section, it may only be made in connection with a change in circumstance that arises from a change in legal requirements, change in law, or change in the identity, nature or status of an obligated person with respect to the Note and the related Note Participations, or the type of business conducted;

(2) The undertaking, as amended or taking into account such waiver, would in the opinion of nationally recognized bond counsel, have complied with the requirements of the Rule at the time of the original issuance of the Note and the related Note Participations, after taking into account any amendments or interpretations of the Rule, as well as any change in circumstances; and

(3) The amendment or waiver either (i) is approved by the Owners or beneficial owners of the Note Participations of the Series which evidences and represents the Note in the same manner as provided in the Trust Agreement for amendments to the Trust Agreement with the consent of Owners or beneficial owners, or (ii) does not, in the opinion of nationally recognized bond counsel, materially impair the interests of the Owners or beneficial owners of the related Note Participations. In the event of any amendment or waiver of a provision of this section, notice of such change shall be given in the same manner as for a Listed Event under subsection (B) of this section, and shall include, as applicable, a narrative explanation of the reason for the amendment or waiver; provided, however, the District shall be responsible for preparing such narrative explanation.

(I) The Dissemination Agent shall have only such duties as are specifically set forth in this section. The Dissemination Agent shall not be liable for the exercise of any of its rights hereunder or for the performance of any of its obligations hereunder or for anything whatsoever hereunder, except only for its own willful misconduct or gross negligence. Absent gross negligence or willful misconduct, the Dissemination Agent shall not be liable for an error of judgment. No provision hereof shall require the Dissemination Agent to expend or risk its own funds or otherwise incur any financial or other liability or risk in the performance of any of its obligations hereunder, or in the exercise of any of its rights hereunder, if such funds or adequate indemnity against such risk or liability is not reasonably assured to it. The District hereunder agrees to compensate the Dissemination Agent for its reasonable fees in connection with its services hereunder, but only from the District's share of the costs of issuance deposited in the Costs of Issuance Fund held and invested by the Trustee under the Trust Agreement.

(J) This section shall inure solely to the benefit of the District, the Dissemination Agent, the Underwriter and the Owners and beneficial owners from time to time of the Note Participations, and shall create no rights in any other person or entity.

FOR VALUE RECEIVED, the District designated above (the "District") acknowledges itself indebted to and promises to pay to the registered owner identified above, or registered assigns, on the maturity date set forth above, the principal sum specified above in lawful money of the United States of America, and to pay interest thereon on each Interest Payment Date, as defined in the Trust Agreement, at the rate of interest specified above (the "Note Rate"). Principal of and interest on this Note are payable in such coin or currency of the United States as at the time of payment is legal tender for payment of private and public debts, such principal to be paid upon surrender hereof at the principal corporate trust office of Wells Fargo Bank, National Association in Los Angeles, California, or its successor in trust (the "Trustee"). Interest is payable as specified in the Trust Agreement. Interest shall be calculated on the basis of a 360-day year, consisting of twelve 30-day months, in like lawful money from the date hereof until the maturity date specified above and, if funds are not provided for payment at maturity, thereafter on the basis of a 360-day year for actual days elapsed until payment in full of said principal sum. Both the principal of and interest on this Note shall be payable only to the registered owner hereof upon surrender of this Note as the same shall fall due; *provided, however*, no interest shall be payable for any period after maturity during which the holder hereof fails to properly present this Note for payment. If the District fails to pay this Note when

due or the Credit Provider (as defined in the Resolution hereinafter described), if any, is not reimbursed in full for the amount drawn on or paid pursuant to the Credit Instrument (as defined in the Resolution) to pay all or a portion of this Note on the date of such payment, this Note shall become a Defaulted Note (as defined and with the consequences set forth in the Resolution).

It is hereby certified, recited and declared that this Note (the "Note") represents the authorized issue of the Note in the aggregate principal amount made, executed and given pursuant to and by authority of certain resolutions of the Legislative Body of the District duly passed and adopted heretofore, under and by authority of Article 7.6 (commencing with Section 53850) of Chapter 4, Part 1, Division 2, Title 5 of the California Government Code (collectively, the "Resolution"), to all of the provisions and limitations of which the owner of this Note, by acceptance hereof, assents and agrees.

The principal of the Note, together with the interest thereon, shall be payable from taxes, income, revenue, cash receipts and other moneys which are received or held by the District for the general fund thereof, and which are available for payment of the Note. As security for the payment of the principal of and interest on the Note, the District has pledged the first amounts of Unrestricted Revenues of the District received in the Repayment Months (as defined in the Resolution) identified in the Pricing Confirmation (as defined in the Resolution) (and any amounts received thereafter) until the amount on deposit in the Payment Account (as defined in the Resolution) in each such month, is equal to the corresponding percentages of principal of and interest due on the Note as set forth in the Pricing Confirmation (such pledged amounts being hereinafter called the "Pledged Revenues"). The principal of the Note and the interest thereon, shall constitute a first lien and charge thereon and shall be payable from the Pledged Revenues, and to the extent not so paid shall be paid from any other moneys of the District lawfully available therefor as set forth in the Resolution. The full faith and credit of the District is not pledged to the payment of the principal or interest on this Note.

The District and the Trustee may deem and treat the registered owner hereof as the absolute owner hereof for the purpose of receiving payment of or on account of principal hereof and interest due hereon and for all other purposes, and the District and the Trustee shall not be affected by any notice to the contrary.

It is hereby certified that all of the conditions, things and acts required to exist, to have happened and to have been performed precedent to and in the issuance of this Note do exist, have happened and have been performed in due time, form and manner as required by the Constitution and statutes of the State of California and that the amount of this Note, together with all other indebtedness of the District, does not exceed any limit prescribed by the Constitution or statutes of the State of California.

It is hereby certified that all of the conditions, things and acts required to exist, to have happened and to have been performed precedent to and in the issuance of this Note do exist, have happened and have been performed in due time, form and manner as required by the Constitution and statutes of the State of California and that the amount of this Note, together with all other indebtedness of the District, does not exceed any limit prescribed by the Constitution or statutes of the State of California.

TOPIC: **PURCHASE ORDERS LIST**

DESCRIPTION: Purchase orders and change orders have been processed in accordance with the rules and regulations of the Board of Education and applicable legal requirements of the State of California.

District procedures and computer system controls require that an approved purchase order, pay voucher, current liability, or credit memo exist on the District's computer system prior to the issuance of warrants. There may be a multiple number of warrants drawn against a given purchase order up to the maximum amount for that purchase order. The system restricts the processing of payment amounts in excess of the issued purchase order

It should be noted that the purchase order system allows for a one-line description of the services or items to be procured. The issued purchase order forms a contract between the District and the vendor.

FISCAL IMPACT: \$1,952,268.51

RECOMMENDATION: It is recommended that the Board of Education approve the Purchase Order List dated February 28 through April 10, 2011 in the amount of \$1,952,268.51.

This is to certify that this item was approved by
the Board of Education on: 4/21/11

TOPIC: **TEACHER ASSIGNMENT/CONSENT - VARIABLE OR SHORT-TERM WAIVER**

DESCRIPTION: Since July 1994, the California Commission on Teacher Credentialing (CCTC) has had the authority to issue waiver documents relating to educator preparation and credentialing which provide school districts the ability to employ or assign persons who are not fully credentialed to qualifying assignments. The CCTC has divided the waiver process into two types of waivers; short-term and variable term. Short-Term Waivers give school districts the ability to cover immediate and short-term needs. This waiver allows employers to assign teachers who hold a basic credential to teach outside of their credential authorization for one semester or less with the teachers' consent. Variable Term Waivers give school districts the ability to cover assignments when a fully credentialed employee cannot be found. Waivers allow school districts to meet staffing needs while searching for an individual who either holds an appropriate credential or qualifies for one of the available assignment options. It also allows the individuals holding waivers to complete their credential requirements while serving in the classroom.

The certificated employee(s) whose name(s) is/are listed on the attached has/have met the requirements, has/have consented to the assignment, and has/have been judged by the site administrator to be competent in the subject matter. Likewise, all other means of credentialing and reassignment have been explored. The passage of this waiver will allow the District to remain compliant with SB 435, which requires that all teachers be appropriately assigned.

FISCAL IMPACT: This item has no fiscal impact.

RECOMMENDATION: It is recommended that the Board of Education approve the variable term waiver(s) as presented.

CLASSIFIED POSITION ELIMINATION

DESCRIPTION:

As the result of the budget planning process for the 2011-2012 school year, certain site based and categorically funded classified positions have been identified for elimination. This is an annual process whereby positions which are supported by site based funding sources or by state and/or federal categorical programs are reviewed and recommendations are made for the following school year. In many cases, funding for programs is reduced or eliminated by the state or federal agency providing the funds. At other times, local school sites make decisions to reprioritize the use of assigned funds.

Position elimination recommendations connected with this process may result in layoffs. Education Code sections 45114, and 45117, Board Policy 4317.3, and Article 14 of the OUSD/CSEA Collective Bargaining Agreement stipulate the provisions and timelines for layoff due to lack of work/lack of funds. Under the Education Code, affected employees shall be given notice of layoff not less than 45 days prior to the effective date of the layoff.

FISCAL IMPACT:

The reductions identified by this item represent the reprioritization of funds allocated to sites. There is no fiscal impact to the District's general fund budget.

RECOMMENDATION:

It is recommended that the Board of Education approve the elimination of the following positions due to lack of work/lack of funds and authorize the Superintendent or designee to give notice of layoff to the affected employees to be effective 45 days following notification.

RFP 2011-REMS is for Readiness and Emergency Management for Schools (REMS) Professional Services. The District advertised in the Orange City News on December 30, 2010 and January 6, 2011. In addition to the Public Notice, fourteen vendors were notified as well as posted on the District website. Four firms submitted proposals which were received on January 25, 2011.

Based on these scores, the committee invited the three highest ranked firms to a face-to-face interview. The firms were interviewed and references were checked. The Evaluation Committee decided that it was appropriate to solicit Best, Last and Final Offers from two firms. Based on their Best, Last and Final Offers, the District Evaluation Team recommends that the Board of Education award RFP 2011-REMS - Readiness and Emergency Management for Schools Professional Services to Willdan Homeland Solutions. The agreement will commence on or about May 1, 2011 and will be for the period through September 30, 2012 plus any grant extension authorized by the Department of Education. Fiscal impact will be the expenditure of REMS Grant funding.

FOR THE WILLIAMS AND VALENZUELA CASE
SETTLEMENTS**

DESCRIPTION:

As a result of the State of California's settlement of the Williams and Valenzuela class action lawsuits, Education Code section 35186 requires school districts to do two things: 1) provide an opportunity to file formal complaints under the District's Uniform Complaint Procedures; and 2) report to the Board of Education and the public four times a year the number of complaints filed and the area of the settlement they target.

The Third Quarter Report covers the number of Uniform Complaints received by the District under the four areas governed by the Williams and Valenzuela Case Settlements for the period of January – March 2011. The four targeted areas are:

1. Sufficient Instructional Materials
2. Emergency or urgent facilities conditions that pose a threat to the health and safety of pupils or staff
3. Teacher vacancy and/or misassignment
4. Pupils, including English Learners, who have not passed one or both parts of the high school exit examination by the end of the 12th grade are entitled to receive intensive instruction and services for up to two consecutive academic years after completion of the 12th grade, or until the pupil has passed both parts of the examination, whichever comes first

No Uniform Complaints for any area have been reported during the third quarter for the Williams and Valenzuela Case Settlements.

TOPIC: COURSE APPROVAL: CHINESE IV

DESCRIPTION: The new course outline described below has been reviewed by the District's Curriculum Department, site instructional leadership teams, and site administrators and is recommended for approval by the Board of Education.

Chinese IV is the continuation of courses in the Chinese language sequence. **Chinese IV** will bring the students an opportunity to refine their four language proficiency skills: listening, speaking, reading and writing in the intermediate to advanced-level range across the three communicative modes (interpersonal, interpretive, and presentational) and the five Cs (communication, culture, connections, comparisons and communities) as defined in the Standards for Foreign Language Learning in the 21st Century.

Essential grammar is reviewed and defined for advanced proficiency in the language. This course provides the students an opportunity to immerse in the richness of Chinese language and culture by comparing Chinese-speaking cultures with his/her own culture and presenting selections from a variety of literature and media. Students are required to speak in Chinese as much as possible to increase their confidence in applying target language at home, at school, and in the community.

The IMAC committee is composed of principals, media specialists, and teachers whose responsibility is to recommend to the Board of Education approval of the considered texts.

It is at this juncture that the Board of Education places the texts and/or supplementary texts on "30-day review period" so members from the public may have an opportunity to review those texts, pending formal adoption. The texts are available for review in the Board Room this evening and after tonight in the Curriculum office, Building D.
