Business and Non-Instructional Operations

Expenditures and Purchases

The Board of Education recognizes its fiduciary responsibility to oversee the prudent expenditure of District funds. In order to best serve District interests, the Superintendent or designee shall develop and maintain effective purchasing procedures that are consistent with sound financial controls and that ensure the District receives maximum value for items purchased. He/she shall ensure that records of expenditures and purchases are maintained in accordance with law.

The Superintendent or designee may purchase supplies, materials, apparatus, equipment, and services up to the amounts specified in Public Contract Code 20111, beyond which a competitive bidding process is required. The Board shall not recognize obligations incurred contrary to Board policy and administrative regulations.

The Board shall review all transactions entered into by the Superintendent or designee on behalf of the Board every 60 days. (Education Code 17605)

The Superintendent or designee may authorize an expenditure which exceeds the budget classification allowance against which the expenditure is the proper charge only if an amount sufficient to cover the purchase is available in the budget for transfer by the Board.

District funds shall not be expended for the purchase of alcoholic beverages. (Education Code 32435)

Purchasing Code of Ethics

It is the policy of staff and Board members:

1. To regard public service as a sacred trust, giving primary consideration to the interests of the students, school District and community by which we are employed.

2. To purchase without prejudice, seeking to obtain the maximum benefit for each tax dollar expended.

3. To avoid any unfair, questionable, or unethical practices.

4. To respect our obligations and to require that obligations to our school District be respected.

5. To accord vendor representatives the same courteous treatment we would like to receive.

6. To strive constantly for the improvement of our purchasing methods and the materials we buy.
7. To conduct ourselves with fairness and dignity, avoid conflicts of interest, and demand honesty in buying and selling.

8. To remember that we act as representatives of the school District and to govern ourselves accordingly.

9. To negotiate the lowest purchase prices feasible while maintaining quality products and service.

10. Members of the Board and any District employee shall not be financially interested in any contract made by them in their official capacity; nor, shall any member of the Board and any District employee be purchasers of any sale or vendors of any purchase to the District in which they are financially interested.
