Sexual Harassment

The Board of Education is committed to maintaining a safe school environment that is free from harassment and discrimination. The Board prohibits sexual harassment of students at school or at school-related activities. The Board also prohibits retaliatory behavior or action against any person who files a complaint, testifies, or otherwise participates in District complaint processes.

Instruction/Information

The Superintendent or designee shall ensure that all District students receive age-appropriate instruction and information related to sexual harassment. Such instruction and information shall include:

1. What acts and behavior constitute sexual harassment, including the fact that sexual harassment could occur between people of the same sex and could involve sexual violence.

2. A clear message that students do not have to endure sexual harassment.

3. Encouragement to report observed instances of sexual harassment, even where the victim of the harassment has not complained.

4. Information about the District’s procedure for investigating complaints and the person(s) to whom a report of sexual harassment should be made.

5. Information about the rights of students and parents/guardians to file a criminal complaint, as applicable.

Complaint Process

The Superintendent or designee shall ensure that any complaints regarding sexual harassment are immediately investigated in accordance with administrative regulation. When the Superintendent or designee has determined that harassment has occurred, he/she shall take prompt, appropriate action to end the harassment and to address its effects on the victim.

Disciplinary Actions

Any student who engages in the sexual harassment or sexual violence at school or at a school sponsored or school-related activity is in violation of this policy and shall be subject to disciplinary action. For students in grades 4 through 12, the disciplinary action may include suspension and/or expulsion, provided that, in imposing such discipline, the entire circumstances of the incident(s) shall be taken into account.
Confidentiality and Record-Keeping

All complaints and allegations of sexual harassment shall be kept confidential except as necessary to carry out the investigation or take other subsequent necessary action (5 CCR 4964).

The Superintendent or designee shall maintain a record of all reported cases of sexual harassment to enable the District to monitor, address, and prevent repetitive harassing behavior in the schools.
