Bylaws of the Board

Minutes and Recordings

The Board of Education recognizes that maintaining accurate minutes of Board meetings provides a record of Board actions for use by District staff and the public. Accurate minutes also help foster public trust that Board actions are occurring in public in accordance with law.

The secretary of the Board of Education shall keep minutes and record all official actions of the Board of Education. The Board's minutes shall be public records and shall be made available to the public upon request. (Education Code 35145, 35163)

The Superintendent or designee shall distribute a copy of the "unapproved" minutes of the previous meeting(s) with the agenda for the next regular meeting. At the next meeting, the Board shall approve the minutes as circulated or with necessary amendments.

In order to ensure that the minutes are focused on Board action, the minutes shall include only a brief summary of the Board's discussion, but shall not include a verbatim record of the Board's discussion on each agenda topic or the names of Board members who made specific points during the discussion.

The minutes shall include the specific language of each motion, the names of members who made and seconded the motion, and the individual votes of each member, unless the action was unanimous. When a roll call vote is taken, the names and votes of each member shall be listed. Motions or resolutions shall be recorded as having passed or failed. All motions and Board resolutions shall be numbered consecutively from the beginning of each fiscal year.

The minutes shall reflect the names of those individuals who comment during the meeting's public comment period as well as the topics they address.

The minutes shall record which members are present and whether a member is not present for part of the meeting due to late arrival and/or early departure.

Official Board minutes, recordings shall be stored in a secure location and shall be retained in accordance with law.

Any minutes or recordings kept for Board meetings held in closed session shall be kept separate from the minutes or recordings of the regular and special meetings. Minutes or recordings of closed sessions are not public records. (Government Code 54957.2)

Recording or Broadcasting of Meetings

The District may tape, film, or broadcast any open Board meeting. The Board president shall announce that a recording or broadcasting is being made at the beginning of the meeting and, as practicable, the recorder or camera shall be placed in plain view of meeting participants.
Any District recording may be erased or destroyed 30 days after the meeting. Recordings made during a meeting are public records and, upon request, shall be made available for inspection by members of the public on a district recorder without charge. (Government Code 54953.5) Recordings made during closed sessions are not public records.
