What is Dual Enrollment?

• Dual Enrollment refers to high school students taking college courses prior to high school graduation and receiving college credit and starting a college transcript.

  SCC, SAC, OCC, GWC, CCC, IVC, FCC, SBC, CYP
What is Articulation?

• An articulated high school course is a high school course or courses that the college faculty in the discipline have determined to be comparable to a specific community college course.

SCC, SAC, OCC, GWC, CCC, IVC, FCC, SBC, CYP

Why Early College Credit?

• Students earn both high school and college credit
• More likely to graduate from high school
• More likely to transition to a 4-year college
• More likely to persist in postsecondary education
• Less likely to take basic skills courses in college
• Accumulate more college credits
• Increased access to career choices

Santiago Canyon College Partnership

• Established in California Ed Code (48800 & 76004)
• Career Advanced Placement Program (CAPP)
• Students can take up to 12 units a year
• Courses are housed at our school sites
• Courses meet the interest of students by site
• Emphasis on math acceleration
• Focus on CTE pathway and academy connections
