School-Wide Assistance Tutoring

Goal:

- Make it so that every student has the grades to participate in any extracurricular activities, i.e. sports or dances.
- Support all students that are finding specific classes challenging by supporting them with Peer tutors...(Builds efficaciousness for both Tutee and Tutor! COLLEGE MODEL!)
- ***Run by students for students***
- Gateway to have all 2,400 students eligible by the end of 3rd quarter

Services include:

- * guidance and supplies to organize and maintain notebooks and backpacks
- * student-conceived schedules to create and maintain out-of-class work
- * daily/weekly homework help (of course)
- * long-range planning and completion for extended projects
- * demolition of small or large stumbling blocks
