# Some Changes Since 2013

- Addition of a ½ time psychologist assigned to student mental health concerns only - no special education duties.
- Addition of a full time student interventions specialist to focus on student grades, attendance, and discipline.
- Addition of a full time site IT tech to focus on campus technical issues.
- Addition of a one period per day technology instructional coach to focus on instructional issues surrounding technology on campus.
- Addition of a one period per day public relations specialist to focus on PR issues like the school website, parent communication, etc.
- Addition of AVID classes, specifically, three sections of freshmen AVID for 2015-16.
- Addition of a full-time P21 CTE pathways coordinator to focus on implementation of CTE pathways instructional practices. Position also works with regular education teachers on 21<sup>st</sup> century CCSS.
- Addition of a full-time site RN.
- Addition of an EL Coordinator with two periods per day of release time to focus on EL student achievement.
- Changed a half-time academic counselor to a full-time position resulting in a five-member academic counselor staff.
- Installation of Brocade wireless access points in every classroom along with upgraded school wide bandwidth.
- Bought and implemented PLASCO tardy tracking system and reduced campus tardies by over 60%.
- Declared a cease fire in the cell phone wars and instituted a BYOD plan.
- Established a Learning Center for Special Education student support
- Started a PAL Class: Peer Assistance and Leadership

# CTE

- 8 Pathways
