

Yorba- Chapman Writing Partnership

What is the purpose?

- To provide a mentorship opportunity for Yorba students and future teachers attending Chapman University
- To guide students through the writing process
- To develop writing, researching, and thinking skills
- To encourage students to speak about personal, local, and global issues
- To help students find their voice

What do students gain through this partnership?

- Students gain knowledge of the journalistic genres
- They develop and expand their writing, researching, interviewing, collaborating, and speaking skills
- Exposure to a college campus
- **CONFIDENCE**
