- Single Sign Decision and Reminder
 - August 1, 2016 will commence single sign on and so every year on that day you will need to change your passwords
 - If an employee has not change their password they will prompted to do so when they attempt to sign on

ORANGE UNIFIED SCHOOL DISTRICT

Office of Technology Services & Educational Technology

- First step onto Single Sign on, a few items will already be available for Single Sign on.
 - Next step for staff will continue communications with school administrators, staff and TTL's for their input.
 - An attendee asked a question regarding a bookmark for Aeries, Chris Keeler address the question; a bookmark that was created before an update may not have the most current information. A suggestion was to delete your current bookmark and create a new one.
- Monitor Instruction Discussion
 - A discussion to help support Teachers in their instructional practice
 - Technology Services has noticed that the schools sites have inactive whiteboards specially Smart Boards that are using as a projector and coming to end of life
 - Technology Services and Educational Technology are trying to coming up with an alternative
 - A HD TV, you can run a HDMI cord from a laptop into a TV and becoming a large scale monitor
 - Positives; Lower cost, longer life and wireless devices are able to connect.
 - Staff input is welcome as far as where to place the TV
 - Technology Services and Educational Technology will assist with any concerns or questions

ORANGE UNIFIED SCHOOL DISTRICT

Office of Technology Services & Educational Technology
