- Career Advanced Placement Program (CAPP)
- Students can take up to 12 units a year
- Courses are housed at our school sites
- Courses meet the interest of students by site

- Focus on CTE pathway and academy connections
Why Dual Enrollment?

- Students earn both high school and college credit
- More likely to graduate from high school
- More likely to transition to a 4-year college
- More likely to persist in postsecondary education
- Less likely to take basic skills courses in college
- Accumulate more college credits
- Increased access to career choice
