OUUSD Board of Education

Alexia Deligianni-Brydges, Ed.D.  Rick Ledesma  Brenda Lebsack

Kathryn Moffat  John Ortega  Timothy Surridge  Andrea Yamasaki
Welcome to the Orange Unified School District! It is an exciting time within the District as we progress toward developing new science labs and classrooms at each of the high schools, at the same time continuing to provide an outstanding 21st Century education to prepare students for successful college and career experiences.

In Orange Unified, we believe that “what’s best for our students comes first and foremost”, and we continue to excel toward greater levels of success within the organization. Orange Unified is dedicated to academic excellence and a balanced instructional experience that will ensure our students are able to compete in the global community. The District teachers and principals are providing a rigorous instructional program that engages all students in deeper levels of collaboration, critical thinking, communication, citizenship and creativity.

Our award winning schools and student academic success are due to the dedicated and accomplished people throughout the process of strategic goal setting and planning. The Orange USD faculty members are lifelong learners, demonstrating high levels of care and commitment to student academic and social needs. Support staff is dedicated to serve in a multiple of functions to ensure the successful operations of our award winning schools, and the leadership team acknowledges the value of the personnel development and service to students and families. Every one of our dedicated employees strives to lead the District to greater levels of achievement. Our community and business leaders are also dedicated to the excellent education provided by the Orange Unified team as evidenced in their overwhelming support for Measure S Facilities Modernization at all 4 comprehensive High Schools. The student academic success is a collaborative effort of all stakeholders in the process of educating students.

Together we have developed the strategic priorities and goals of the District through the State Board Adopted Local Control and Accountability Plan (LCAP) involving all aspects of stakeholder engagement. This document is a synthesis of the key elements of the LCAP and serves as the District blueprint for envisioning the future of the District. It outlines our mission, values, strategic planning process utilizing the LCAP, priorities, and goals that will continue to lead the District to educational excellence. It will guide the schools in delivering a 21st Century education and provide the Orange community with an understanding of the advancement of education in Orange Unified.

I encourage you all to stay up to date on the developments regarding the LCAP/Strategic Plan (2017-20), the progress toward facilities modernization through the Measure S Bond Program, and other important District communications by visiting the website at (www.orangeusd.org) and following us on Facebook at OrangeUnifiedSchoolDistrictCA.

Sincerely,

Michael L. Christensen
Superintendent of Schools
Orange Unified School District Mission Statement

"The Orange Unified School District, being committed to planning for continual improvement, will offer a learning environment of excellence, with high expectations, to provide each student with the opportunity to be able to compete in the global economy."

Top Ten Core Values

THIS WE BELIEVE ABOVE ALL ELSE …

1. That all students will learn.
2. That all available resources will be utilized to ensure student success.
3. That everyone needs to model servant leadership.
4. That creating a shared vision will empower others.
5. That communicating our shared vision requires honesty and consistency.
6. That all people should be treated with respect and dignity.
7. That we demonstrate trustworthiness by all we say and do.
8. That we need to listen empathically and respectfully to understand the message beyond the words.
9. That everyone is our customer and, therefore, we will always follow-up and follow-through.
10. That what’s best for our students comes first and foremost.
The Orange Unified School District, located in Orange County, California, is at the center of a growing community 37 miles southeast of Los Angeles and 68 miles north of San Diego.

Orange Unified’s excellent location in northeast Orange County offers its employees a full range of residential and recreational opportunities.

Orange Unified serves students from the cities of Orange, Garden Grove, Santa Ana, Villa Park, Anaheim and Anaheim Hills, unincorporated North Tustin and the unincorporated areas east of Orange to the Riverside County line. All told, the Orange Unified School District covers 108 square miles of mostly suburban development, with a large area of semi-rural and undeveloped land to the east. The 28,522 students in Orange Unified are served by 26 elementary schools, 5 middle schools, four 9–12 high schools, a continuation high school, a K–8 math and science magnet school, and four specialized schools.

Local Control & Accountability Plan (LCAP)

Executive Summary

Introduction to the Local Control and Accountability Plan

After more than 40 years of funding schools according to a calculation known as the “Revenue Limit,” the California State Legislature in 2013 approved Governor Jerry Brown’s plan for the Local Control Funding Formula (LCFF). The LCFF will bring an increase in funding to the Orange Unified School District. The LCFF eliminated most “categorical” programs—restricted funds that could be used only for specific purposes. Our state funding now comes with a “base grant” that is the same for all school districts as well as supplemental and concentration funding based on the number of students who are English language learners, low income or foster youth. The new funding that is generated through the LCFF is dedicated to improving the learning outcomes for three groups of students: English language learners (ELL), low-income (LI) students and foster youth (FY). In addition to a “base grant”, that is the same for all districts in the state; Districts receive additional funding based on the unduplicated count of students who qualify in one of those three groups. For each student in one of those three categories, districts receive what is known in the LCFF as a “supplemental grant.” Districts that have more than 55% of their students in one of those three categories also receive a “concentration grant.” The Orange USD only receives Supplemental Funding due to the 49.77% unduplicated count of students.

In enacting the LCFF, the Legislature also approved the Local Control and Accountability Plan (LCAP), which mandates that districts describe how they intend to meet annual goals for all students and address state and local priorities. The accountability plan must align goals to the defined priorities, set targets for improvement based on data and link expenditures to the District’s goals. In creating the LCAP requirement, the California legislature established priorities that must be included in the plan. These include:

• **Conditions of Learning**
  – Williams Settlement Criteria: Basic Services
  – Implementation of State Academic Content and Performance Standards
  – Course Access

• **Pupil Outcomes**
  – Pupil Achievement
  – Other Student Outcomes

• **Engagement**
  – Parent Involvement
  – Pupil Engagement
In enacting the LCFF, the Legislature also established requirements for stakeholder engagement in the process, including specific review by parents. The district’s stakeholder engagement is detailed in Section I of the LCAP.

Section 1: Stakeholder Engagement Process

The Orange Unified School District began the Stakeholder Engagement process early in September 2016 with an annual review of all student achievement outcomes at both the District level and Site level involving multiple constituent groups. The link below goes to a webpage that lists significant stakeholder meetings for discussion of the LCAP priorities and goals, a review of relevant data and opportunities for input and survey dialogue. The District has posted an LCAP survey, in English and Spanish, on the District main page since September 2016. Parents, community members, pupils, bargaining units and partner stakeholders servicing our English Learners, Foster Youth and Low-Income students have been involved in the multitude of planning meetings. The list of these input meetings can be found online at www.orangeusd.org/LCFF/.

Main Goal: All students will receive a high-quality education in a safe environment that prepares them to graduate from high school, college and career ready.

This goal is reflective of our underlying vision that in order for students to become life-long learners, who can adapt to the constant changes in a diverse and technology-driven global economy, then it is critical that they ascertain the skills of communication, collaboration, critical thinking, creativity and citizenship.

Goal 1: All students will receive a 21st century education provided by credentialed teachers and support staff, access to standards-aligned materials and facilities maintained in good repair.

Goal 2: All students are provided with resources, materials, services and instruction by highly trained teachers. The training provided is focused on developing 21st Century teaching and learning through the implementation of the California State Content Standards and corresponding frameworks with an expanding focus on the integration of technology.
Goal 3: All students will have access to 21st century courses and programs that enhance college and career opportunities, such as Advancement via Individual Determination (AVID), Online Courses (including Accelerated Math Pathway), Expository Reading Writing Course (ERWC), Advanced Placement (AP), College Board approved A-G courses, Career Technical Education (CTE) resources and Science, Technology, Engineering, Arts and Mathematics (STEAM) programs.

Course Access

- 427 students completing a CTE pathway
- 6,092 students enrolled in CTE courses
- 41 STEM Programs offered at sites
- 42.2% students meeting A-G requirements
- 33% Conditionally Ready and Ready for College in Mathematics
- 63% Conditionally Ready and Ready for College in English Language Arts
- 2,745 students enrolled in Advanced Placement® Courses
- 4,573 Advanced Placement® Exams taken
- 59.6% of students taking AP® Exams earned a 3 or higher*

* (Mathematics, English Language Arts, Science, Social Science, Art, Computer Science, and/or World Languages)

5,620 students participating in VAPA Programs

engages OUSD students at
21 Elementary Schools & 9 Secondary Schools

652 students participating in online courses
Main Goal: All students will attain mastery or demonstrate academic growth towards mastery in core content areas.

As students move toward becoming proficient 21st century learners, Orange USD recognizes the need to move from teacher-directed, whole group instruction to a balanced learner-centered environment that fosters vibrant engagement, real-life application, and information/communication technologies.

Goal 4: Students will demonstrate increased student achievement in all subject areas: English Language Arts, Math, Science, Technology, Social Sciences, Visual and Performing Arts, Physical Education, World Languages and Career Technical Education.

6,092 students participating in Career Technical Education Courses

59.6% of students taking Advanced Placement® Exams earned a 3 or Higher in Mathematics, English Language Arts, Science, Social Science, Art, Computer Science, and/or World Languages

Students Achieving Standard Met and Exceeded on the SBAC 54% in ELA & 41% in Mathematics
8 Areas of State Priority

State Priority and Priority Goals

Engagement

**Main Goal:** Student and parent engagement will be promoted through an increased sense of safety, improved school climate and school connectedness.

In order for our students to become career and college ready, it is essential that they experience teamwork, networks, and a sense of community in order to understand how they fit and impact the larger local and global contexts.

**Goal 5:** All parents will have opportunities to participate in workshops, activities, stakeholder engagement trainings, utilize resources and services, as well as, provide input in decision-making practices at the District and schools, with an emphasis on English Learners, Low Income, Special Education, Gifted and Talented Education (GATE), and Foster Youth students, to become true partners in their child’s education.

**Goal 6:** All students will participate in engaging college and career pathway programs, technology, digital literacy, and resources and support systems that will increase student attendance.

- Graduation Rate: 96.4%
- 89.2% of students in grades 9 - 12 participated in SAT® School Day
- 59.6% of students taking Advanced Placement® Exams earned a 3 or higher (Mathematics, English Language Arts, Science, Social Science, Art, Computer Science, and/or World Languages)
- 63% Conditionally Ready and Ready for College in English Language Arts (ELA)
- 33% Conditionally Ready and Ready for College in Mathematics
- 427 students completing a CTE pathway

*Stakeholders include: Parents, Students, Community, Staff, Orange Unified Education Association, California School Employees Association, Trustees & Advisory Council*

Top 5 themes from LCAP Survey:
- Help students at all levels with post high school planning
- Update school facilities
- Offer more academic help at all levels
- Teaching methods/practices updated
- Technology integration and expanded access
Goal 7: All students will have access to resources, services and programs that provide a safe and motivating learning experience that fosters school connectedness.
Our Initiatives

Preparing Our Students for the 21st Century

Theory of Action

If we create, an environment of shared collaboration focused on 21st Century Teaching and Learning, collective accountability will result in urgency for continuous improvement of learning for all students producing increased collaboration, critical thinking, communication, creativity and citizenship.

Core Initiatives

- **Multi-Tiered System of Support (MTSS) (RtI)**
  - High quality 21st century instruction and intervention
  - Collaboration, critical thinking, communication, creativity and citizenship
  - Student centered / data driven decision making
  - Universal screening and progress monitoring during instruction & intervention
  - Universal Design for Learning (UDL)
  - Academic language development
- **Collaboration Cycle / Problem Solving**
  - Focus on student learning and set learning goals
  - Expand roles to support College, Career and STEAM Readiness
  - Professional Learning Communities (PLCs)
  - Collaborative Academic Support Teams (CAST)
  - Unit design with action research
- **Leadership for Learning**
  - K-12 student achievement conferences
  - Developing in-house experts – Professional Development
  - On-going communication about 21st century learning
  - Network approach to leadership

Align 21st Century Resources & Initiatives

Ask… Is it Student Focused?

Leverage the Experts Among Us

Use Data to Guide, Reflect & Adjust

District-Wide Strategic Goals

**Orange Unified School District Mission Statement:**
“The Orange Unified School District, being committed to planning for continual improvement, will offer a learning environment of excellence, with high expectations, to provide each student with the opportunity to be able to compete in the global economy.”

**Conditions for Student Learning:** All students will receive a high quality education in a safe environment that prepares them to graduate from high school college, career and STEAM ready for 21st century challenges.

**Pupil Outcomes:** All students will attain mastery or demonstrate academic growth toward mastery in core content areas measured by 21st Century Assessments, CAASPP & local assessments.

**Engagement:** Student and parent engagement will be promoted through an increased sense of safety and improved student climate and school connectedness as measured by surveys and ongoing training.

**Strategic Plan**

- A minimum of 3-5% point growth in English-Language Arts & Mathematics for all students and the following specific student subgroups meeting and/or exceeding standards:
  - Foster Youth
  - Hispanic/Latino
  - Students with Disabilities
  - Socioeconomically Disadvantaged
  - English Language (EL) Learners

- All District subgroups including reclassified ELL’s will maintain high levels of academic mastery and continue to excel on state and local assessments
- All English Language Learners will advance in EL proficiency for every year of instruction as measured by CELDT
- High schools will maintain and/or increase their 2018 four-year graduation rates by 0.25%
- Student attendance will meet or exceed rates from prior year
- Parent/student engagement will exceed rates from prior year
- Increase by 3-5% the number of students enrolled in CTE, AVID, Honors, AP, IB, ERWC, PSAT, SAT, A – G and STEAM courses.
State & National Recognition for OUSD

Award-Winning Schools

The California State Board of Education recognizes public schools within the State that best represent exemplary and quality educational programs. The State identifies and honors those schools that have demonstrated education excellence for all students and schools that have shown progress in narrowing the achievement gap. The following is a list of OUSD Schools that have been honored.

The Orange Unified School District began the Stakeholder Engagement process early in September 2016 with an annual review of all student achievement outcomes at both the District level and Site level involving multiple constituent groups and committees. The District posted an LCAP survey, in English and Spanish, on the District home page during September 2016. Parents, community members, pupils, bargaining units and partner stakeholders servicing our English Learners, Foster Youth and Low-Income students have been involved in the multitude of planning meetings.

The LCAP is an ambitious document created from the input of the Orange USD community. This document meets both the requirements of state law and the expectations of the district’s stakeholders. The LCAP is a significant change in how school district funding priorities have been set, for the first time mandating significant engagement with stakeholders and demanding specific accountability for the effectiveness of the adopted strategies. This process led to the creation of a District Blueprint and Strategic Planning Tool for 2017-20 which will be annually updated with stakeholder and community input. Please visit the District website for more detailed information on the LCAP document and how to get involved in the process.

The District thanks the community for its efforts in the development of this plan!
Preparing Students for Careers & College

Career Technical Education & ROP

Orange Unified School District Career Technical Education (CTE) courses are available for middle and high school students at their home school and the Career Education Center. We offer a variety of opportunities to prepare students for 21st century careers and college. Career Pathways prepare students for a wide range of high-wage, high-skill, high-demand careers. Pathways allow students to explore professions that fit their abilities and interests and gain industry specific skills and experience.
