HISTORY OF FRED KELLY STADIUM

Orange Unified School District's Fred Kelly Stadium next to El Modena High School was rededicated on June 11, 2005. An artificial infield and all weather track were installed at the stadium with a combination of funds, which included the Community Foundation of Orange.

The stadium was originally built in 1969 and was named after Fred Kelly who attended Orange Union High School and won an Olympic Gold Medal in the 110-meter high hurdles in the 1912 games. He was also USC's first Olympic Gold Medalist.
