ORANGE UNIFIED SCHOOL DISTRICT

ACCOUNTING TECHNICIAN I

DEFINITION
Under general supervision – performs responsible, varied, and specialized tasks in accounts payable, payroll, and related financial and statistical areas; regularly operates calculators, computers, and similar equipment; compiles, prepares, and checks statistical and account reports; and performs related duties as required.

Representative Duties
In accounts payable: receives, audits, and processes invoices and assembles and matches purchase order, receiving, and supporting documents for major District accounts, including general, special, or similar project funds; prepares warrant requests for typing and submission to County for approval; codes invoices for account classifications; assists in compiling, checking, and typing budget documents, financial reports, and related materials; independently researches and resolves complex invoice and documentation problems.

In payroll: organizes, prepares, and maintains all payroll record information for classified and certificated personnel, including full-time, part-time, and overtime; prepares payroll input data for County data processing and receives County print-outs; checks print-outs and advises County of amendments, changes, or corrections; receives proper forms from administrators, supervisors, and individuals authorizing employment or termination, change of status, tax and insurance deductions, leaves, and overtime; maintains central records on attendance, leaves, and deductions; distributes payroll warrants and W-2 forms; answers payroll and insurance questions.

Organizational Responsibilities
Positions in this Class are located in the District Accounting Office, report to the Chief Accountant or similar supervisor, and are responsible for assigned desks and tasks of approximately equal responsibility. Positions are expected to learn new systems, procedures, and equipment, be trained to backstop other desks and to maintain close communications and cooperative working relationships with schools, District offices, and other operating or office personnel.

ENTRANCE QUALIFICATIONS GUIDE

Training and Experience – Equivalent to:
Graduation from high school, including or supplemented by courses in typing, bookkeeping, and office procedures; and

Three years of increasingly responsible experience in accounting work involving account, financial, or statistical maintenance and extensive use of computer systems.

Equivalencies: one year of post-graduate training in bookkeeping or accounting, may substitute for one year of the required experience, to a maximum of two years. Two years of California substitute for the three years of required general experience.
