- I. The call to Order. Dina Benitez called the meeting at 9:02 A.M.
- II. Opening Ceremony. Dian Benitez welcomed attendees, Abril Liu led the pledge to the flag.
- III. Approval of the minutes. Dina Benitez asked attendees to review the minutes, which were approved • The motion to approve was made by Rosario Reyes and it was seconded by Hilaria Santos.
- IV. LCAP Updates. Sandy Schaffer • LCAP survey results • 8,481 participants, 2,716 parents, 4,717 students, and 1,048 staff • last year 6,693 total participants so it was nice to see an increase in participation even through a shorter window and COVID • we are now working with OCDE to analyze all the data • our office reads through all the comments and find trends and ideas that are repeated to find common needs • once we have all that information on this analysis we will share those results
- V. ELPAC Updates and Remote Learning. Amber Tatch • ELPAC is the English Language Proficiency Assessment for California which is an annual test to review English Language growth • test is completed annually • the LCAP website (pasted link on chat) where you will find a parent resources page • highlighted the two different tests students take, the initial when they are new to a school in the US and the summative which is yearly to measure progress • website gives you information on how to read the reports that you receive at home yearly • site all has free resources on how to help your student prepare for the test by offering sample questions you can do at home • currently administering the summative test to our students attending school • asking parents of remote learning students bring their student to school to take the test with all the social distancing and face covering protocols • also offering distant learning students to take test at home later this spring if they could not go to their school site
- VI. Family Engagement Classes OCDE. Abril Liu • Liu presented the flyer highlighting the parent engagement courses we are offering • currently offering a 6 class series for social emotional learning
- VII. DELAC Focus Group. Abril Liu • Liu looking for a group of 6-10 parents to participate in a focus group to talk about some topics regarding the LCAP • left information on how to join
- VIII. Updates. Dr. Hansen • offer a full day schedule to our elementary school students and hybrid as well as to your middle and high school students • even after a COVID outbreak in our county we were able to safely continue our in school programs • vaccinations are focused on 65 and above but soon will be offered to teachers and OUSD will work on bringing vaccines to site to expedite vaccination of our teachers • currently vaccine only available for 16 and up but health agencies are projecting the vaccine will expand to younger ages in the fall • starting the 2021-2022 school might still mean following face covering and social distancing protocol since younger students might still not be vaccinated • thank the parents for their support
- IX. COVID Testing to High School Students. Abril Liu • COVID testing available once a week for high school students • contact high school for more information
- X. Parent iPad Academy. Abril Liu • presented new program available for DELAC parents • parents can now check out an iPad to take home for a full calendar year to use for personal purposes and learning purposes • Liu went over the plan that showed courses parents will take with iPad such as Rosetta Stone, social media courses to find community resources, using the OUSD webpage to get informed, and using Aeries to view grades and student progress • Liu provided information on how parents can register for this program limited to 28 DELAC parents
- XI. Closure. Dina Benitez • thanked everyone for their attendance and participation. • Meeting closed at 11:06 AM. Next meeting is on April 8, 2021
