

Download *Directions for Administration*

Directions for Administration (DFA) are available now for science and for ELA and mathematics starting on January 11, 2022. Take the following steps to access CAA *DFAs* for ELA and mathematics after this date:

1. Select the **[Resources]** button on the [Test Operations Management System](#) (TOMS) top navigation bar.
2. Select *CAAs for ELA and Mathematics Directions for Administration (DFAs)* from the *Available Materials* list.
3. Select the button corresponding with the grade being tested.
4. Scroll down the page to find the form number assigned.
5. Select a PDF link to initiate the download process.
