1.0 SUMMARY

1.1 Program Summary

The Architects continue their work on each of the project designs, which are approximately 35% complete. Bi-Weekly Design Review Meetings were held in October by the District and Program Manager to review design progress and cost savings options with their respective Architect and Construction Manager. The Standard Specifications Architect is also continuing work on the Standard Specifications, which are approximately 85% complete. The Program Manager is also continuing work on the Program Wide financial and document controls systems (Procore), which is scheduled to launch by the end of the year. The project designs for each project are available for review at the Bond Website, https://www.orangeusd.org/measureS/

1.2 Program Highlights/Key Milestones

October 5 Board Approved Agenda Items
- Modular Building Design Services at OHS with Silvercreek
- Determination of Surplus Relocatable Classroom Buildings at OHS

Program Wide Standard Specifications
- On 10/26, the Program Manager completed a specifications review meeting with the Architect to review and incorporate the District’s comments.
- On 10/13, the Architect submitted a draft for review by the District and Program Manager. The Program Manager is also preparing the General Conditions and General Requirements with the District and Architect.
- On 9/21, the District and Program Manager hosted an all-day meeting with the District’s Maintenance Department to receive their input concerning the Standard Specifications.
- On 9/14, the Board approved Standard Specifications Services by Lionakis. Meetings have been scheduled on 9/21 and 9/27 (as an alternate) with the District and the Architect to review the District’s experience with various products and manufacturers.

Program Wide Master Schedule
- On 10/26, the Program Manager issued a Draft Summary Schedule for internal review and comment by the Program Manager.
- On 10/6, the Program Manager issued revised Program Wide scheduling procedures to the Construction Managers for completion of the Master Schedule by Nov 1st.
- On 10/3, the Program Manager completed a with all Construction Managers meeting to review the Program Wide scheduling procedures.
- On 6/29, the Program Manager submitted a Preliminary Master Schedule in Excel format the District.
Program Wide Cash Flow Projection

- The Program Manager is updating the 6/21/17 Cash Flow Projection with actual expenditures through 10/31, for issuance in early November.
- Based upon current market conditions and the 6/21/17 Cash Flow Projection, it appears that selling Bonds before September 2018 would not be cost effective.

Program Wide Financial & Document Controls System

- On 10/26, the Program Manager held an all-day meeting to program the database requirements.
- On 10/24, the Program Manager held a team meeting to review and incorporate system requirements.
- On 10/5, the Program Manager held separate meetings with the OUSD Business Office and the Construction Managers to review the Procore financial and document controls systems.
- On 9/22, the Program Manager met with the Procore Team to define the plan for implementation of the Program Wide Financial & Document Controls System.
- On 9/14, the Program Wide Financial & Document Controls System was approved by the Board.

Program Wide Commissioning Services

- The award of the contract for the Commissioning Services Firm has been advanced for the review and approval by the Board during their next meeting on 11/9.
- On 10/25, the Program Manager completed reference checks and issued a recommendation for the District’s approval during the Board’s 11/9 meeting.
- On 10/12, interviews were held with the shortlisted Commissioning Services firms with an interview panel that included the District, Program Manager, and a Measure S Architect and Construction Manager.
- On 10/3, the Program Manager issued Shortlist Letters to two (2) firms to complete interviews scheduled for 10/12.
- On 9/18, submittals were received from six (6) Commissioning Services firms, which are under review by the Program Manager for advancement to the 10/5 Board Agenda.
- On 9/7, the Program Manager responded to the pre-submittal Requests for Information (RFIs).
- On 8/31, the District issued the Commissioning Services Request for Proposal to nine (9) firms with a 9/13 submittal deadline (which was revised by addendum to 9/18).

Program Wide DSA Inspection Services

- On 10/18, a Request for Proposal was issued for the procurement of Program Wide DSA Inspection Services. The deadline for submittal of proposals is 11/3.

Program Wide DSA Laboratory & Geo-Technical Services

- On 10/18, a Request for Proposal was issued for the procurement of Program Wide DSA Laboratory & Geo-Technical Services. The deadline for submittal of proposals is 11/3.
Program Wide Environmental & Hazardous Materials Consultant Services
• The District and Program Manager are preparing to issue a Request for Proposal for the procurement of Program Wide Environmental & Hazardous Materials Consultant Services on 11/1 with the deadline for submittal of bids on 12/13.

Program Wide Low Voltage & Security System Consultant Services
• On 10/27, the Program Manager completed an initial programming meeting with the District’s Technology Services to review compatibility and expandability options, define preferred performance standards and requirements and to develop programming decisions.
• On 10/20, the Master Specifications Architect submitted a proposal to provide Low Voltage & Security System Master Specifications Services. The District and Program Manager are reviewing the Architect’s proposal.

Program Wide California Environmental Quality Act (CEQA) Consultant Services
• A Request for Proposals was issued on September 22, 2017, and sent to five firms; proposals were received from four firms.
• Two firms were selected for follow up telephone conversations and office visits. Reference checks were also conducted on the recommended firms.
• Two firms are being recommended for approval as CEQA Consultants at the November 9, 2017, Board Meeting.

Program Wide Owner’s Controlled Insurance Program (OCIP) Services
• The District is investigating and evaluating the merits of an OCIP program and is conducting business outreach to assess the capabilities of prospective firms.

OHS Interim Housing Facilities
• On 10/24, the Architect submitted the 100% Construction Documents to DSA for DSA’s review and approval.
• On 10/5, the Board of Education approved the Determination of Surplus Relocatable Classroom Buildings because the placement of Interim Housing requires the demolition and removal of five portable buildings. The demolition and removal of these buildings is scheduled to be completed during the December 2017 holiday break. Bids have been received and are within budget.
• Interim Housing construction includes the Snack Bar, Bus Drop-off and associated relocatable housing elements and is forecasted to start in June 2018 and be completed in early November 2018.

VPHS Interim Housing Facilities
• The Architect is scheduled to submit the 100% Design to DSA on 12/4.
• Construction is forecasted to start June 2018 and be completed in early January 2019.
CHS Interim Housing Facilities

- The Architect and Construction Manager are revising the current plan for 3 design packages into 2 design packages with Interim Housing to be constructed with the 2nd design package for the STEM Building.
- Summer 2018 is the scheduled construction period for the 1st design package, which will address the electrical utility yard to minimize impacts because the entire campus must be switched over to a new electrical service.

Contractor / Subcontractor Pre-Qualification & Business Outreach

- The District & Program Manager are reviewing draft Pre-Qualification applications from the District’s Counsel.

Program Management Plan

- The Program Management Plan embodies the following procedures, which have been finalized, issued and are currently in operation:
  - On-Site Badges
  - Architect Invoices
  - PM & CM Invoices
  - Change Order Procedure
  - Contractor Invoices
  - Budget Establishment
  - Informal Bidding
  - Quality Assurance & Quality Control Process
  - Purchase Order Request
  - Allowance Request
  - Communications Protocol

Program Wide Implementation Plan

- The Program Manager is preparing a detailed plan to fulfill the Designs approved by the Board on 4/13, 5/11, 5/25 and 6/8.
- The Implementation Plan will include Master Budget, Master Schedule and the Construction Management Programs to be issued by each campus Construction Manager.

Citizens’ Oversight Committee (COC)

- The next COC meeting is scheduled for 1/24/18.
- On 9/6, COC Meeting #2 was completed and the District, Program Manager and District Staff updated the COC on program progress. The District and Program Manager presented the Measure S Program Highlights, the Preliminary Project Schedule, the Cash Flow Projects and the Draft August 2017 Report.
- The FY 2016/17 Financial Audit is in process. The Draft Audit Report is anticipated in October.
Communications Management

- The Program Manager is preparing to issue the communications protocol to the Architects & Construction Managers in November.
- On 9/14, the District and the Program Manager updated the Board by presentation at the 9/14 Board Meeting as an information item.
- On 8/17, the District and the Program Manager updated the Board by presentation at the 8/17 Board Meeting as an information item.
