ARTICLE 1: RECOGNITION

- 1.100 The provisions contained herein constitute a binding bilateral agreement by and between the Orange Unified School District, hereinafter referred to as the “District,” and the California School Employees Association and its Orange Chapter #67, hereinafter referred to as the “Union.”
- 1.200 The District Recognizes the Union, pursuant to Government Code Section 3540 et seq., as the exclusive representative for all classified employees, except those occupying positions designed managerial, confidential, or supervisory as defined in Government Code Section 3540.1., and part-time playground positions. When a new classified position is created, or an existing classified position is revised and the question of bargaining unit status arises, the District and the Union shall attempt to jointly determine the issue. In the event the parties are unable to agree, the matter shall be referred to the Public Employment Relations Board (PERB) for resolution.
- 1.300 **Duration**
This Agreement shall take effect on July 1, 2022, and shall continue in effect to and including June 30, 2025, and from year to year thereafter unless modified or renewed by the parties. For year two of the Agreement (2023-2024), the parties agree to commence re-opener negotiations for no more than two (2) Articles of each party’s selection (excluding Article 12 unless subject to be re-opened pursuant to Article 12.103) by either or both parties serving written notice by March 31st with negotiations commencing within a reasonable time thereafter. For year three of the Agreement (2024-2025), the parties agree to commence re-opener negotiations for Article 12 and no more than two (2) additional Articles of each party’s selection by either or both parties serving written notice by March 31st with negotiations commencing within a reasonable time thereafter. Notice of intent by either party to negotiate a successor agreement shall be served upon the other party prior to the date of expiration of this Agreement. The parties will both sunshine proposals and commence successor agreement negotiations at mutually agreed upon times.

ARTICLE 2: UNION RIGHTS

2.100 Dues

- 2.110 The Union shall have the sole and exclusive right to payroll deduction of regular membership dues.
- 2.120 The District shall deduct monthly regular membership dues from the pay of unit members who are or voluntarily become Union members.
- 2.130 The Union shall furnish the information needed by the District to fulfill the provisions of Section 2.120.
- 2.140 The Union shall be entitled to changes in payroll deductions provided it furnishes the District with the information to effect the change at least thirty (30) days prior to the effective date.
- 2.150 The District shall promptly and regularly remit all dues collected to the Union with an accompanying alphabetical list of all unit members from whom deductions have been made, showing the amount of each deduction.

2.200 Harmless Provision

- 2.210 CSEA shall defend, indemnify, and hold the District harmless (including reasonable attorney's fees and costs) from any claims arising from the District's compliance with this Article, including any claims made by an employee for deductions made by the District in reliance on information provided by the employee organization to the employer to cancel or change membership dues authorization.
- 2.220 Upon notice that the District is going to seek indemnification or to be held harmless under this provision, the Union shall have the right to meet with the District regarding the reasonableness and merit of any claim, demand, suit or action for which the District seeks indemnification, and shall attempt to agree whether any such action listed above in Section 2.1110 shall be comprised, resisted, defended, tried, or appealed.
- 2.230 In determining whether or not such action shall be comprised, resisted, defended, tried or appealed, the District will defer to the Union's interests if the District does not have a distinct and separate legal interest in the matter in dispute.
- 2.240 District shall not be entitled to be reimbursed for any costs for which the Union was not properly notified and provided the opportunity to discuss as set forth herein; nor will the District be entitled to any reimbursement, when the District's efforts in defending against such action would be duplicative, or when the District does not have a separate and distinct interest to defend, or when the District is defending an activity which is arguable subject to criminal liability on the part of any district administrator.

2.300 Use of Communication Systems

- The Union shall have the use of school mail and delivery system, employee mailboxes and school bulletin boards. A union mailbox shall be located at the District Office.
- 2.310 Union communications or materials shall be properly addressed and prepared for delivery. A copy of materials distributed throughout the District shall be forwarded to the Executive Cabinet members and site administrators at the same time such notices are placed in the mail system. Materials distributed shall be clearly identified as a Union publication and shall be presumed to have been authorized by the Union.
- 2.320 Bulletin boards at the appropriate central work locations shall provide reasonable space for identified Union items.
- 2.330 The District shall supply the Union with the list of names, classifications and work locations of unit members as soon as such list is available to the District.

2.340 Members of CSEA's Chapter 67 Executive Board shall have the right to communicate with each other and the general membership via District email. Email communications shall identify CSEA Chapter 67 as the subject heading of the communication and may only be sent or responded to during breaks, lunch, before or after work hours. Unit members shall comply with all District policies and regulations pertaining to employee use of technology.

2.400 **Union Business**

2.410 Union representatives shall have the right to transact Union business on school property provided that the business takes place before scheduled work begins, during scheduled break periods, during lunch break, after work, or at times approved by the appropriate supervisor, provided further such business does not interfere with the instructional process or the regular duties of unit members.

2.420 District recognizes the need and affirms the right of the Union to designate Authorized Representatives from among unit members. It is agreed that the Union in appointing such representatives does so for the purpose of promoting an effective relationship between the District and unit members by helping to settle problems at the lowest level of supervision.

2.500 **Union Leave**

The Union shall be granted thirty (30) days per year of this Agreement for the purpose of allowing its members to participate in the Union's normal business activities. The Union shall provide written notification normally six (6) days in advance or as reasonably in advance as practical to the Superintendent or designee of the name(s) of the unit member(s) who will utilize said leave prior to the absence. CSEA will designate employees who shall have the right to paid leave for delegates to attend the annual CSEA conference in accordance with the existing CSEA formula therefore. This designation shall be provided to the Human Resources Office thirty (30) calendar days prior to the annual conference. It is understood that delegates who are less than 12-month employees will not be paid during their non-working period of the fiscal year.

2.600 A hire-date seniority roster of all bargaining unit members shall be provided to CSEA by no later than December 1st of each school year, at the end of each fiscal year, and at least two (2) weeks prior to the effective date of any layoff if a layoff occurs at any time other than end of school year. Upon request, the District will provide CSEA with a copy of the most recent hire-date seniority roster that is produced in accordance with the time frames noted above.

2.700 **Release Time for Negotiations**

The Union shall have the right to receive a reasonable amount of release time for its members to participate in negotiations.

2.800 **Release Time for Chapter President (continue March 9, 2004 MOU regarding release time)**

2.810 **The District shall**

2.811 Provide an office space at a District site which includes a District network connection and a telephone line.

2.812 Hire a substitute to work two days a week, 8 hours per day in Chapter President's position so that the Chapter President will receive two days per week of release time to conduct union business. Should the substitute be a current part-time unit member, the substitute shall be compensated at the extra earnings rate for working

out of class. If a unit member works the extra hours, the provisions of Hours and Overtime Article 5.300 of the collective bargaining agreement shall be waived such that the substitute shall not retain the increased hours permanently. Instead, at the time that this agreement ends, the substitute shall return to his/her former position at the former hours. Should the hours of the substitute employee in his/her regular position be less than 4, but the total hours of employment for the substitute position equal 20 or more per week, the provisions for health and welfare benefits under Article 12.400 shall not apply.

2.813 Although directly compensated by the District only three days per week, President shall continue to accrue all benefits, seniority and rights due Chapter President in Chapter President's current position at five days per week.

2.820 CSEA shall

2.821. Reimburse the District for employee costs associated with actual work time used pursuant to Article 2.812 for union business not to exceed two days a week, 8 hours per day, or up to two fifths of all employee costs for Chapter President including salary, retirement, and statutory benefits. District will pay the "District's annual cost," per Article 12.400 for Chapter President's health and welfare benefits. No additional health and welfare benefits will be paid for Chapter President's substitute.

2.822 Complete an OUSD facilities use form for the no-fee use of the office space as designated under Board Policy 1330 "No Charge Use – Group A".

2.823 Insure that the Chapter President conducts union business away from his/her worksite, unless the nature of the business pertains to that site and in his/her judgment requires his/her presence. The Chapter President's union business will not include any activities specified in Education Code Section 7054 pertaining to elections and President's union business will be performed within the geographical boundaries of the Orange Unified School District primarily at his/her District-provided office.

2.824 Insure that CSEA unit members are informed as to the procedures and limitations in conducting business with President.

2.825 Agree to waive those sections of the collective bargaining agreement mentioned above.

2.830 Billing

2.831 The District will bill CSEA Chapter #67 for above-listed costs and Chapter #67 will promptly pay the District within 30 days of receipt of invoice.

2.832 Should Chapter #67 not pay the District within 60 days of receipt of invoice, the District may terminate release time for the Chapter President under this section.

2.900 The Association shall be provided with an opportunity for input regarding new unit member job descriptions and for changes to existing unit member job descriptions prior to implementation.

2.1000 Upon request prior to the closing date of the vacancy announcement, the Union may appoint a unit member to participate as an observer on an interview panel established to fill a bargaining unit position. The District shall consult with the Chapter President regarding any issues with the interview process.

2.1110 The District will provide reasonable notice to CSEA of new employees in probationary positions.
Such notice shall include the employee name, classification, and department or worksite.

ARTICLE 3: DISTRICT RIGHTS

3.100 Management Rights and District Powers

The District retains all of its powers and authority to direct and control to the full extent of the law. Included in but not limited to those duties and powers are the rights to: direct the work of its employees; determine the method, means and services to be provided; establish the educational philosophy and the goals and objectives; ensure the rights and educational opportunities of students; determine the staffing patterns; determine the number and kinds of personnel required; determine the classification of positions; maintain the efficiency of the District operation; determine the curriculum; build, move or modify the facilities; develop a budget; develop and implement budget procedures; determine the methods of raising revenue; and contract out work subject to the provisions of section 15.500 of this agreement and Education Code section 45103.1. The determination as to whether the District has violated the provisions of Education Code section 45103.1 as described herein shall not be subject to the grievance procedure of this agreement. In addition, the Board of Education retains the right to hire, assign, transfer, reassign, assign overtime and workweek, evaluate, promote, terminate and discipline employees.

3.200 The exercise of the foregoing powers, rights, authority, duties and responsibilities by the District, the adoption of policies, rules, regulations and practices in furtherance thereof, and the use of judgment and discretion in connection therewith, shall be limited only by the specific and express terms of this Agreement, and then only to the extent such specific and express terms are in conformance with the law.

3.300 The exercise of the discretionary powers reserved to the District by this provision shall not be subject to review by an arbitrator nor subject to the grievance procedure, except that an arbitrator shall have the authority to determine the applicability of this article to any dispute regarding the violation or application of this Agreement.

3.400 The District reserves the right to file a grievance through binding arbitration against CSEA based on violations of Articles 2, 3, and 15. This shall not be considered an exclusive remedy for the District with respect to alleged violations of these articles.

ARTICLE 4: GRIEVANCE

4.100 Definitions

A “grievance” is an allegation by a unit member regarding a violation or misapplication of the specific provisions of this Agreement when such application or violation has adversely affected the unit member. Actions to challenge or change the policies, regulations or other matters outside of this Agreement are not within the scope of this procedure, and review must be taken under separate processes. A “day” is a day in which unit members assigned to the District twelve (12) month classified work calendar are scheduled to work as set forth in this Agreement. The “immediate supervisor” is the lowest level management person having immediate jurisdiction over the grievant and who has been designated by the District to adjust grievances.

4.200 Procedure

4.210 Level I

Within twenty-five (25) days of when the grievant knew or reasonably should have known of the act or omission which gave rise to the grievance, the grievant must present such grievance in writing on the grievance form (Appendix I) to the immediate supervisor.

The grievance shall consist of a clear and concise statement of the problem, the specific provision of the Agreement involved, and the specific remedy sought. The supervisor shall communicate a decision, in writing, within ten (10) days after receiving the grievance. Within the above time limit, either party may request and receive a personal conference with the other party.

4.220 Level II

If the grievant is not satisfied with the decision of Level I, within five (5) days after receipt of the Level I response, the grievant may appeal the decision to the next level on the grievance form. The Superintendent or designee shall communicate in writing, a decision within ten (10) days after receipt of the appeal. Within the above limit, either party may request and receive a personal conference with the other party.

4.230 Level III

If not satisfied with the decision at Level II, the grievant or District, within five (5) days of the Level II response, may have the grievance submitted to non-binding conciliation by the State Mediation and Conciliation Service. If neither party chooses the non-binding conciliation option, or the issue is not resolved through conciliation, the grievant may proceed to the next level (arbitration), within five (5) days, by requesting in writing that the Union refer the grievance to arbitration.

4.231 Arbitration

The Union by written notice to the Superintendent or designee within fifteen (15) days of the request for referral to arbitration, may submit a grievance to an arbitrator who shall be selected by mutual agreement. If no agreement can be reached within five (5) days of the notice, the parties shall request from the State Conciliation Service a list of five (5) names of persons experienced in hearing grievances. Each party shall strike a name until only one name remains. The order of strike shall be determined by lot. This shall be accomplished within ten (10) workdays after receipt of the list from the State Conciliation Service. The Union shall contact the State Conciliation Service to arrange for the scheduling of the arbitration.

4.232 In each dispute, the arbitrator shall, as soon as possible, hear evidence and render a decision on the issue(s) submitted. If the parties cannot agree upon a submission

agreement, the arbitrator shall determine the issue(s) by referring to the written grievance and the answers thereto at each step. After hearing, and after both parties have been given the opportunity to make written arguments, the arbitrator shall submit his/her findings and decision to the parties.

- 4.233 The decision and award of the arbitrator shall be final and binding upon the parties. Under no circumstances shall the District be obligated to pay arbitration awards under this contract that exceed a total of \$100,000.00 annually, nor shall such an award be enforceable through any agency proceedings or through a court of law.
- 4.234 The arbitrator will have no power to add to, subtract from, or modify the terms of the Agreement or the written policies, rules, regulations, and procedures of the District; nor shall the arbitrator be empowered to render a decision on issues not before the arbitrator or on facts not supported by the evidence.
- 4.235 The fees and expenses of the arbitrator and each hearing shall be borne equally by the District and the Union. All other expenses shall be borne by the party incurring them.
- 4.236 If any question arises regarding the arbitrability of a grievance, the party raising the question of arbitrability may, upon request, have such question first ruled upon and decided by an arbitrator prior to any other hearing on the merits of the grievance which would thereafter be conducted by a second and different arbitrator. The fees and expense of the separate arbitrator deciding the issue of arbitrability shall be borne by the party which raised the question of arbitrability.

4.300 **Miscellaneous Provisions**

- 4.310 Nothing contained herein will be construed as limiting the right of any unit member having a grievance to discuss the matter with any appropriate member of management, and to have the grievance resolved without intervention or presence of/by the Union provided that the resolution is not inconsistent with the terms of this Agreement, and provided further that prior to any agreement on the resolution, the Union has been given ten (10) days in which to study the issues and to state its views.
- 4.320 In the event a grievance is filed at such a time that it cannot be processed through all the steps in this grievance procedure by the end of the school year, and if left unresolved until the beginning of the following year, could result in harm to a grievant, the time limits set forth herein may be reduced by mutual agreement so that the procedure may be exhausted prior to the end of the school year or as soon as practicable.
- 4.325 Failure of a grievant to abide by the time limits specified in this Article shall result in the grievance being deemed abandoned by the grievant and the Association.
- 4.330 If the District management fails to respond in writing to the grievance within the specified time limit, the grievant has the right to process the grievance at the next level. If the grievant does not process the appeal within the given time limits, the grievance shall be considered as settled and the grievant cannot thereafter grieve the issue(s) again. The time limits specified at each level should be considered maximums and every effort should be made to expedite the process. The time limits, however, may be extended by mutual agreement.
- 4.340 Every effort will be made by the parties to settle grievances at the lowest possible level.
- 4.350 No reprisals of any kind will be taken by the District against any grievant, any party in interest, or any other participant in the grievance procedure, by reason of such participation.

- 4.360 The grievant and/or the designated representative shall receive time off with pay for the purpose of processing and preparing grievances as set forth above, provided that such time shall not be used for the investigation of any grievance and that time spent in preparing grievances be limited to one (1) hour prior to each level, as specified above and one half (1/2) hour after each level, as specified above. Such release time will be granted within two (2) workdays of the receipt of a written request filed by the Union President with the Superintendent or designee.
- 4.370 A grievance may be filed by the local President of the Union regarding violations of Union rights as specified in this Agreement; and, in addition, may also file grievances on behalf of specifically named unit members who qualify as grievants and who have the same grievance(s) in both facts and issues.

ARTICLE 5: HOURS AND OVERTIME

- 5.100 The regular work week for full-time unit members shall consist of forty (40) hours per week and five (5) consecutive days served in units of eight (8) hours; except in cases where 4/10, 9/80 or 5/36+4 work weeks are established, as provided by the California Education Code.
- 5.200 The length of and the scheduling of the work day for each position shall be established by the District together with the establishment for each classification of a regular minimum number of assigned work hours per day, days per week and months per year.
- 5.210 In the event the District seeks to change the regular starting and ending times of an employee by more than one half hour, the District shall provide the employee with no less than 21 calendar days written notification (unless mutually agreed otherwise). If the proposed change would cause a hardship to the employee, he/she may request the President of CSEA and its Chapter #67 to obtain information explaining the reasons for the change and/or request an extension for up to 5 calendar days prior to implementation of the change.
- 5.220 On a daily basis, unit members shall acknowledge their presence at a work location designated by their supervisor.
- 5.300 Unit members who work less than the regular week and/or day as set forth in Section 5.100 above shall be designated as part-time and shall have hours scheduled appropriately by the District. Any unit member in the bargaining unit who works an authorized minimum of thirty (30) minutes per day in excess of his/her regular approved part-time assignment for a period of twenty (20) consecutive working days or more shall have his/her basic assignment changed to reflect the longer hours.
- 5.310 All regular employees will be classified in accordance with the provisions of Section 45101A of the Education Code and will be paid for all authorized or required work time.
- 5.400 No less than thirty (30) minutes non-compensated, uninterrupted and duty free lunch period shall be provided for all unit members who render service of more than six (6) consecutive hours. Such lunch period shall be assigned by the appropriate supervisor and shall be scheduled as soon after the conclusion of four (4) hours of service as is possible.
- 5.500 A fifteen (15) minute paid rest period shall be provided to unit members for each four (4) hour period of service (the rest period shall be assigned within the four hour period of service, except in unusual circumstances).
- 5.600 **Overtime**
- 5.610 Overtime is any time worked in excess of eight (8) hours in any one workday (24 hour period) or in excess of forty (40) hours in any work week.
- 5.611 Such time must be specifically assigned and authorized by the Superintendent or designee.
- 5.612 Specifically excluded from overtime as defined in Section 5.610 are those unit members assigned to a 4/10, 9/80 or 5/36+4 work week, regular part-time employees, or other positions excluded by the Education Code.
- 5.613 The “time worked” shall include, for the purpose of computation, holidays, sick leave, vacation, compensatory time off and other paid leaves.
- 5.620 Overtime shall be compensated at the rate of one and one-half times the regular rate of pay. Such regular rate specifically excludes any premium rate pay. There shall be no

pyramiding of overtime pay with other premium rate pay, except as may be specifically provided herein.

5.630 Regular part-time unit members shall receive overtime for work required in the sixth and seventh scheduled day, provided the workday is an average of four hours or more. If the regular workday is an average of less than four (4) hours, the unit member will receive overtime only for the seventh day worked.

5.640 Unit members who are authorized to work holidays shall receive overtime, as specified in Section 5.620 herein, in addition to the regular pay received for the holiday.

5.650 The opportunity for assigned and authorized overtime (as defined in 5.611 above) shall be equitably distributed by management among unit members of an affected classification (as determined by the District) utilizing the following factors:

- (1) The rotation of overtime opportunities within the affected classification based upon the seniority of unit members in a department or at a work location where the overtime is needed and who wish to participate.
- (2) The required skill level which is needed to perform the emergency job in the minimum amount of time.
- (3) The availability of a unit member in an unplanned emergency situation.
- (4) The maintenance of continuity and efficiency where the work is part of a project that has been started by another unit member.

5.651 If emergency overtime work is rejected by all unit members within a classification at a specific work location, the qualified unit member within the classification with the least seniority shall be required to work overtime.

5.652 If non-emergency overtime work as authorized in 5.650 above is rejected by all unit members within a classification at a specific work location, overtime will be assigned by District seniority on a rotation basis to other members of the affected classification.

5.653 Substitute and short-term employees shall be utilized by the District in accordance with the Education Code.

5.654 Any unit member scheduled in advance to work overtime and who reports to work at the specified time and place, and who finds that the work is canceled with no notice being provided in advance, shall be paid for the actual hours scheduled.

5.655 After exhausting the provisions of this Section (5.650 and 5.652), the District will assign overtime work to the most qualified employee available.

5.656 A unit member who is absent on the work day immediately before, or on the work day of a day of scheduled overtime due to reasons other than approved vacation or jury duty leave shall be excluded from the overtime assignment. The missed overtime shall not be rescheduled.

5.660 **Compensatory Time Off**

5.661 Prior to performing an overtime activity the unit member may request to receive compensatory time in lieu of overtime pay. NOTE: Only unpaid status of 30 calendar days or more will be recorded/adjusted for seniority purposes. In the event of a lay-off the District and CSEA will meet to resolve any issue regarding seniority and hire/entry date.

- b) In the case of two or more employees having identical seniority the District shall determine the order of seniority by lot. The order of seniority once determined by the above procedure shall be permanent and shall be entered upon the permanent records of the District. The Superintendent

or designee is authorized and it shall be his/her duty to correct any errors discovered from time to time on the records showing the order of seniority.

5. General Guidelines/Procedures

- a. All work schedules will be looked at as though they were 12 months (hire/entry dates will not be adjusted to reflect non-service months).
- b. Substitute time will not be considered, even if worked during an Unpaid Leave of Absence.
- c. Employees who are currently on Unpaid Leave of Absence (30 days or more) will be adjusted according to the ending date of the Leave. If an employee working less than 12 months is on an Unpaid Leave of Absence until the beginning of the next school year but accepts and completes a summer school assignment and returns to their regularly scheduled assignment the beginning of the next school year, they will be considered as having returned from Unpaid Leave of Absence at the beginning of summer school.
- d. Working out-of-class will have no effect on any dates.
- e. Number of hours worked per day will have no bearing on calculation of seniority.
- f. The effective date for the major reclassifications was 7/1/89. It was agreed at that time that ranges would remain comparable up to that date. Beginning 7/1/89, new comparisons would begin without adjusting previous hours/dates.

Example:

RE: John Doe, Athletic Equipment Manager from 10/28/85 at Range 30 until reclassified to Range 32 on 7/1/89. John Doe was administratively transferred to Pool Athletic Field Worker Range 32 on 7/1/90. The adjusted date would be 7/1/89 for Pool Athletic Field Worker, as the comparable position had not been upgraded until that date.

- g. In the case of a tie in a specific position, hire date into the District will be used unless that position was reclassified and then entry date prior to reclassification will be used before hire date. Ties between employees with identical seniority will be decided by lot.
- h. In the case of previous service in a higher range, the entry date will be adjusted to the current position, sample as follows:

TITLE	ENTRY DATE	ADJUSTED DATE
Sr. School Clerk	1/1/93	1/1/92
School Clerk*	1/1/92	1/1/91
Sr. Secretary	1/1/91	1/1/91

* Any other position(s) that are a lower range will not be considered in the adjustment; time in the higher position(s) will be credited to all equal and lower positions.

- i. When the previous position entry date is later than the current position entry date that signifies a return to a lower position.
Example: John Doe, showing current position first.
Lead Custodian Entry Date: 6/15/77
Custodial Foreman* Entry Date: 7/16/81
Head Custodian Entry Date: 3/15/76
Custodian Entry Date: 4/10/72
Custodial Foreman* 7/16/81, returning to Lead Custodian 9/8/92.
- j. The seniority list shall be prepared and posted in two segments: the first shall be alphabetical listing by employee name together with hire/entry date in each class and higher class; the second shall be a listing by class with each employee ranked within the class on basis of hire/entry date in class plus higher class.
The seniority lists shall be posted at the end of each fiscal year, and at least two (2) weeks prior to the effective date of any layoff if a layoff occurs at any time other than end of school year. The Union shall receive a copy at the time of posting.

14.400 Notice of Layoff

- 14.410 When, as a result a bona fide reduction or elimination of the service being performed by any department, classified employees shall be subject to layoff for lack of work, affected employees shall be given notice of layoff not less than 60 days prior to the effective date of layoff, and informed of their displacement rights, if any, and reemployment rights.
- 14.420 When as a result of the expiration of a specially funded program, classified positions must be eliminated at the end of any school year, and classified employees will be subject to layoff for lack of funds, the employees to be laid off at the end of such school year shall be given written notice on or before April 29 informing them of their layoff effective at the end of such school year and of their displacement rights, if any, and reemployment rights. However, if the termination date of any specially funded program is other than June 30, such notice shall be given not less than 60 days prior to the effective date of their layoff.
- 14.430 Nothing herein provided shall preclude a layoff for lack of funds in the event of an actual and existing financial inability to pay salaries of classified employees, nor layoff for lack of work resulting from causes not foreseeable or preventable by the Board of Education, without the notice required by aforementioned subsections.
- 14.440 The layoff notice shall contain: a statement of the effective date of layoff; a statement of “bumping”, reemployment and unemployment benefits rights; a statement of seniority posting information and reason for the layoff.
- 14.450 Written notice shall be provided to the union regarding proposed staff reduction for lack of funds or lack of work.

14.460 Reduction In Hours

- 1. The District shall not be obligated to negotiate the effects of any reduction in hours or layoff of unit members.
- 2. The District shall be obligated to negotiate the decision to reduce hours of unit members contingent upon compliance with the following procedures:

- a) The parties agree to complete pre-mediation, mediation and fact-finding under Government Code Sections 3548-3548.4 within forty-five (45) calendar days from the date the Union is notified in writing by the District of its intent to reduce hours. The parties agree to expedite and/or waive any applicable statutory timelines to complete the negotiation process within the above period.
- b) Within the above forty-five (45) day timeline, the District and Union agree that one party, by written notice, may require the other party to proceed to the next stage of the negotiation process after completing the following hours:
 - 1. Pre-mediation negotiations
8 hours
 - 2. Mediation
5 hours
 - 3. Fact-finding/Deliberation/Remedy
16 hours

NOTE: The above hours may be extended by mutual written agreement between CSEA and the District.

The parties agree that the fact-finding report must be issued within the above forty-five (45) day timeline.
- c) The timeline set forth in paragraph b above must be completed within the following calendar days:
 - 1. Pre-mediation negotiations:
1st – 10th day
 - 2. Mediation:
11th – 30th day
 - 3. Fact-finding/Deliberation/Recommendation:
31st – 45th day
- d) The timelines in paragraph B and C above may be extended by mutual written agreement of the District and Union.
- e) Within the above forty-five (45) day timeline, the District Board of Education may pass a resolution to reduce hours and issue appropriate notices pursuant to Article 14: Layoff Procedures and Seniority in order to complete the notice of layoff timelines specified in Section 14.500 on or before the above 45 calendar days. Said resolution and notice will specify that said notice and resolution are subject to completion of the procedures specified herein.

14.500 **Bumping**

A regular employee in the classified service who is laid off from a class and who has previous service in paid status in an equal or lower class, shall have the right to bump an employee with the least seniority in that class with the same number of assigned hours/months. (Seniority is determined by hire date as modified by the November 30, 1992 Fact finding Report issued by R. Douglas Collins and Memorandum of Understanding (M.O.U.) dated June 15, 1993). In lieu of layoff, the District may administratively transfer a unit employee to a vacant position in accordance with Article 10: Transfers in this Agreement.

14.510 When a vacancy exists an employee may take a voluntary demotion or reassignment to an equal or lower class in lieu of layoff, provided that such employee is qualified to perform the duties of the position, and provided further that the District approves

such demotion or reduction in time. Such approval shall not be withheld by the District for arbitrary or capricious reasons.

14.600 **Reemployment and Other Rights**

- 14.610 Persons laid off because of lack of work or lack of funds shall be recalled in reverse order of layoff, be eligible for reemployment for a period of 39 months, and be reemployed in preference to new applicants. In addition, such persons laid off have the right to participate in promotional examinations within the District during the period of thirty-nine (39) months.
- 14.620 Employees who take voluntary demotions or voluntary reductions in assigned time in lieu of layoff to remain in their present positions rather than be reclassified or reassigned, shall be granted the same rights as persons laid off and shall retain eligibility to be considered for reemployment for an additional period of up to twenty-four (24) months; provided, that the same tests of fitness under which they qualified for appointment to the class shall still apply. The District shall make the determination of the specified period eligibility for reemployment on a class-by-class basis.
- 14.630 Employees who take voluntary demotions or voluntary reductions in assigned time in lieu of layoff shall be, at the option of the employee, returned to a position in their former class or to positions with increased assigned time as vacancies become available, and without limitation of time, but if there is a valid reemployment list they shall be ranked on that list in accordance with their proper seniority.
- 14.640 Regular employees on layoff status shall notify the District of his or her intent to accept or refuse an offer of reemployment within five (5) working days (excluding only weekends and holidays) of the receipt of such written notice. If more than one vacancy becomes available within a classification, an equal number of notices may be sent. When an employee does not respond, or appears to be avoiding a notice, the Union shall be notified. The Union shall have five (5) additional days to deliver the notification or the employee will be passed over on that round. If more than one employee chooses the same vacancy, preference of assignment will be made in order of seniority. If the employee accepts reemployment, the employee must report to work within fourteen (14) calendar days following such notice. An employee given notice of reemployment need not accept the first or second reemployment opportunity to maintain his or her position on the reemployment list.
- 14.650 An employee may refuse an offer of reemployment to a specific position for which eligible; however, refusal of three (3) offers of reemployment to the classification from which laid off shall automatically cause removal from the list and the loss of any reemployment right.
- 14.660 Whenever a layoff occurs, subsequent vacancies within a classification affected by the layoff shall be filled first by reemployment, then by Transfer (Article 10 of this Agreement) and then through promotion.
- 14.670 If the District utilizes substitutes, individuals who have been laid off will be used as substitutes if such individuals request placement on the substitute roster, such service will in no way affect eligibility for reemployment.
- 14.680 Employees who are either laid off or reduced in hours as a result of layoff shall continue to receive the same level of health and welfare benefits provided by section 12.400 as enjoyed immediately prior to layoff for an additional two months following layoff.

14.700 **Retirement and Layoff**

Notwithstanding any other provision of law, any person who was subject to being or was in fact laid off for lack of work or lack of funds and who elected service retirement from the Public Employees' Retirement System shall be placed on an appropriate reemployment list. The District shall notify the Board of Administration of the Public Employees' Retirement System of the fact that retirement was due to layoff for lack of work or lack of funds. If the person is subsequently subject to reemployment and accepts, in writing, the appropriate vacant position, the District shall maintain the vacancy until the Board of Administration of the Public Employees' Retirement System has properly processed his request for reinstatement from retirement.

ARTICLE 15: MISCELLANEOUS PROVISIONS

15.100 Concerted Activities

- 15.110 The Union officers, agents or members shall not strike, engage in a work stoppage, slowdown or picketing in furtherance thereof, nor comply with the request of other labor organization(s) to engage in such activity, nor engage in any unlawful interference with the operation of the District.
- 15.120 It is agreed and understood that any bargaining unit member violating this Article may be subject to discipline up to and including replacement or termination.

Except as may be mutually agreed, the Union and the District expressly waive and relinquish the right to meet and negotiate, and agree that the parties shall not be obligated to meet and negotiate with respect to any subject matter, whether referred to or covered in this Agreement or not, even though such subject matters may not have been within the knowledge or contemplation of either or both parties at the time they met and negotiated on and executed this Agreement, and even though such subjects or matters were proposed and later withdrawn.

15.300 Savings Provision

If any provisions of this Agreement are held to be contrary to law by a court of competent jurisdiction, such provisions will not be deemed valid and subsisting except to the extent permitted by law, but all other provisions will continue in full force and effect; however, no provisions of this Agreement shall be construed to result in an illegal discriminatory act based on race, creed, sex, or national origin. In the event of suspensions or invalidation of any Article or Section of this Agreement, the parties agree to meet and negotiate within sixty (60) days after such final determination for the purpose of arriving at a mutually satisfactory replacement for such Article or Section.

15.400 Short term and/or substitute employees will be employed only pursuant to the provisions of the California Education Code and will not be utilized to circumvent the wage supplement provisions of this Agreement.

15.500 The District has the right to subcontract work as permitted by the Public Contract Code without any requirements of meeting and negotiating with CSEA. 15.820 If one or more employees bring forth a claim of excess existing or prospective workload, the employee shall first address their concern with their immediate supervisor. If the employee and supervisor cannot mutually identify the workload issues, the claim shall be forwarded to the District and Union. The District and the Union shall meet with the employee and their immediate supervisor within fifteen (15) work days of receipt of the claim to address the issue. For purposes of this Section, a work day refers to a day when the unit member is scheduled to work. No disciplinary action shall be taken by the District against any permanent employee(s) in respect to any workload issue, which is the subject of a claim, while being addressed pursuant to this subsection.
