PARKING LOT PROCEDURES

Morning Drop Off

Rules:

- If you are making a right hand turn into the parking lot, stay in the right lane.
- If you are making a left hand turn into the parking lot, stay in the left lane and enter into the drop off lane after the crosswalk. Remember to pull all the way forward so others can enter behind you.
- Only exit the parking lot from the east with the traffic flow.
- Only make a right hand turn out of the parking lot.
- Please be courteous to the volunteers who are directing traffic.

A few exceptions:

- Faculty and other persons who need to park will be directed into the left lane, so look for direction from the volunteers wearing neon yellow vests.
- When traffic allows, you may be directed to use either lane.

Please remember:

- If you are coming up Nohl Ranch Road, use only the right turn lane. Do not enter using the left lane.
- Say goodbyes to your children before you pull up to the drop off. Remind your child to exit quickly.
- Pull all the way forward so others can enter behind you.
- Do not leave your car unattended at the curb. Drivers must stay with their car.

Afternoon Pick-up:

NAME CARDS - Please make sure you have your NAME CARD visible for pick up. Students will be called to the loading area when we see your NAME CARD. You will receive a NAME CARD in your first day packet.

GRADE LEVEL WAITING AREAS - Students will have grade level specific waiting areas. Older siblings will need to pick up their younger sibling and bring them back to the older sibling's grade level waiting area.

There may or may not be volunteers to direct traffic, only teachers for student supervision and to help traffic move along from the curbside.

To **ENTER**, please be patient and pull all the way forward using the lane against the curb. To **EXIT**, please slowly merge into the lane and go to the turn-around. To **EXIT**, only go right, up the hill.

If everyone follows the above procedures, drop off and pick up will be safe and efficient. Please anticipate that you may have to wait a few minutes to drop off and pick up your child so be patient! This is a great way to spend a few special extra minutes with your child in the morning.
