Expectations for use

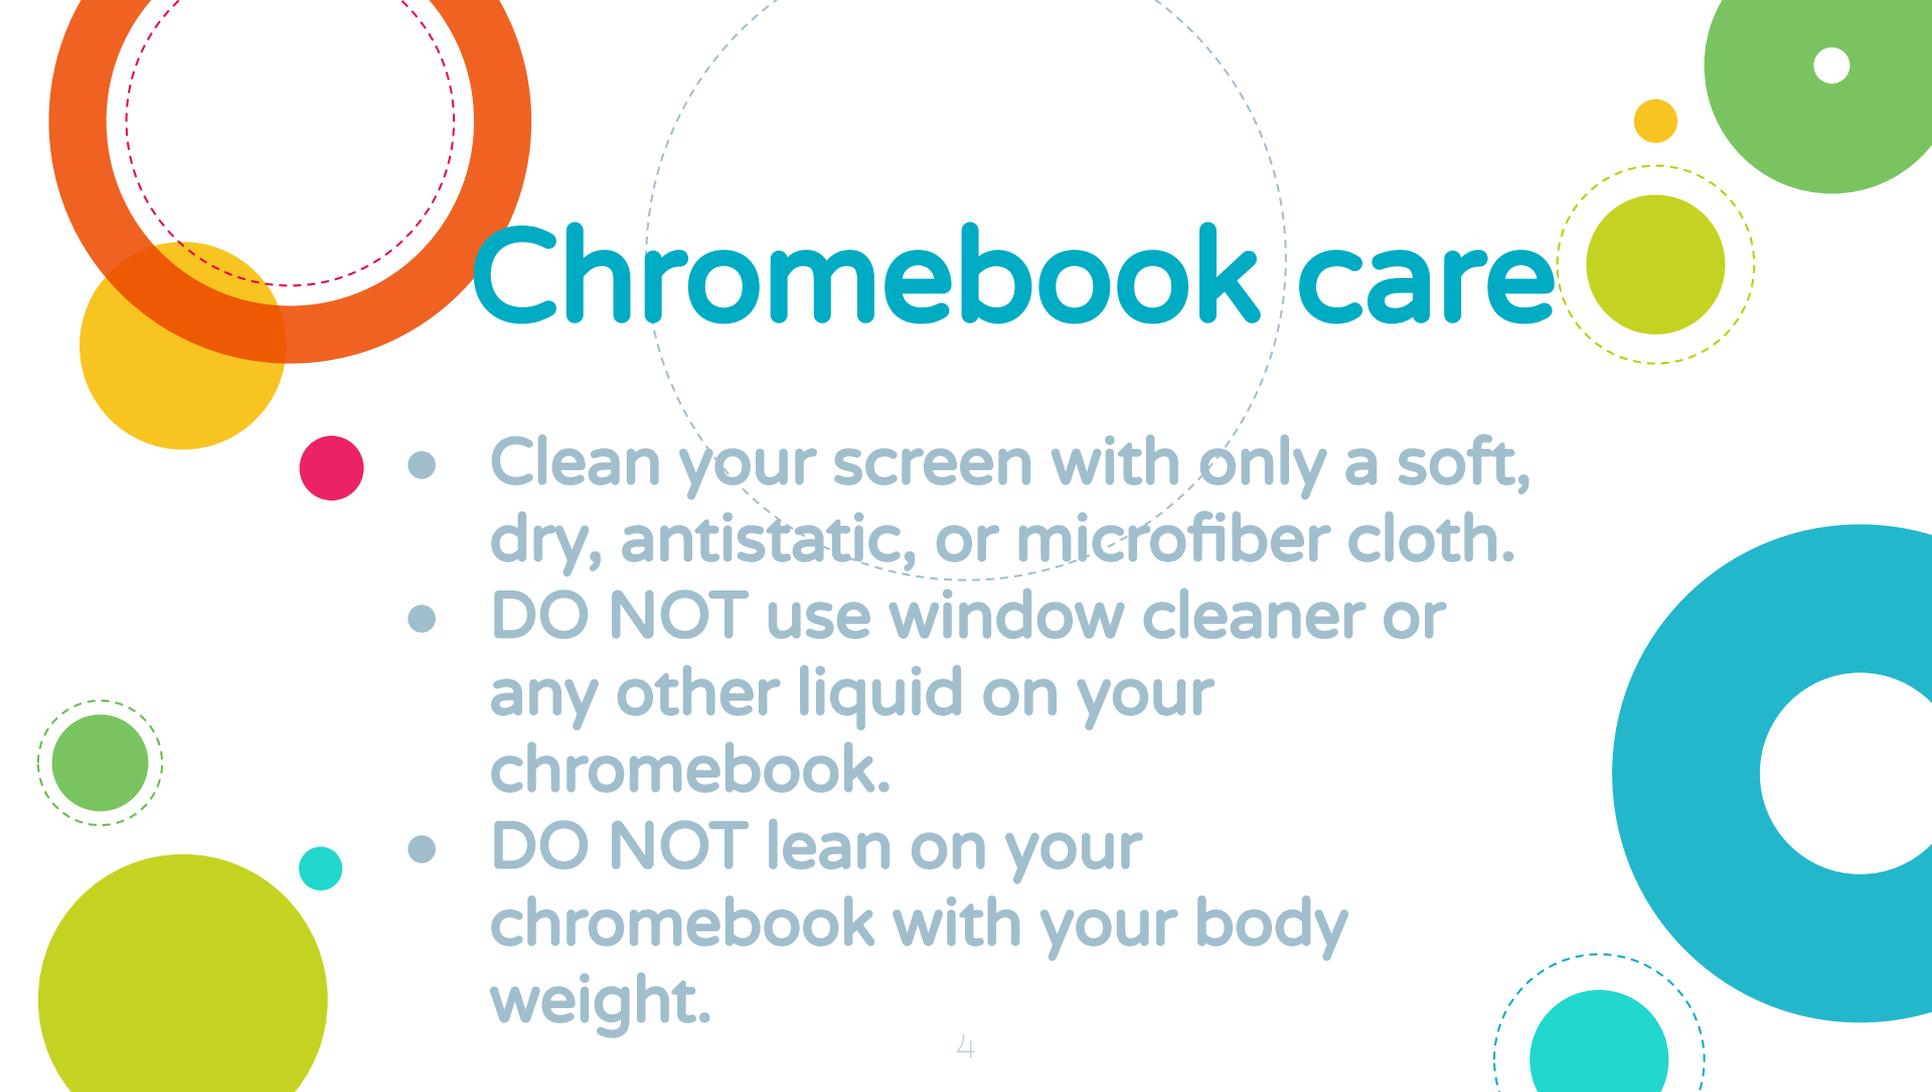

- Treat your chromebook the same way you are supposed to treat your hard textbook.
- Students should not personalize their chromebook in any way including: stickers, decals, writing, and etchings.

Chromebooks are for DAILY use at school.

Students should bring their FULLY CHARGED CHROMEBOOK to school daily for class.

- If you forget your device, you may see Ms. Bonk for a one-day loaner device. This **MUST** be returned after school that same day.
- Consequences will be given to students who continuously need to borrow a device.

Chromebook care

- Clean your screen with only a soft, dry, antistatic, or microfiber cloth.
- DO NOT use window cleaner or any other liquid on your chromebook.
- DO NOT lean on your chromebook with your body weight.

© Always carefully pack your chromebook into your carrying bag before you move to another location.

© DO NOT carry your chromebook by the screen. Carry/hold it like a book when closed, or securely by the base for small movements.

© DO NOT place anything on the keyboard before closing lid.

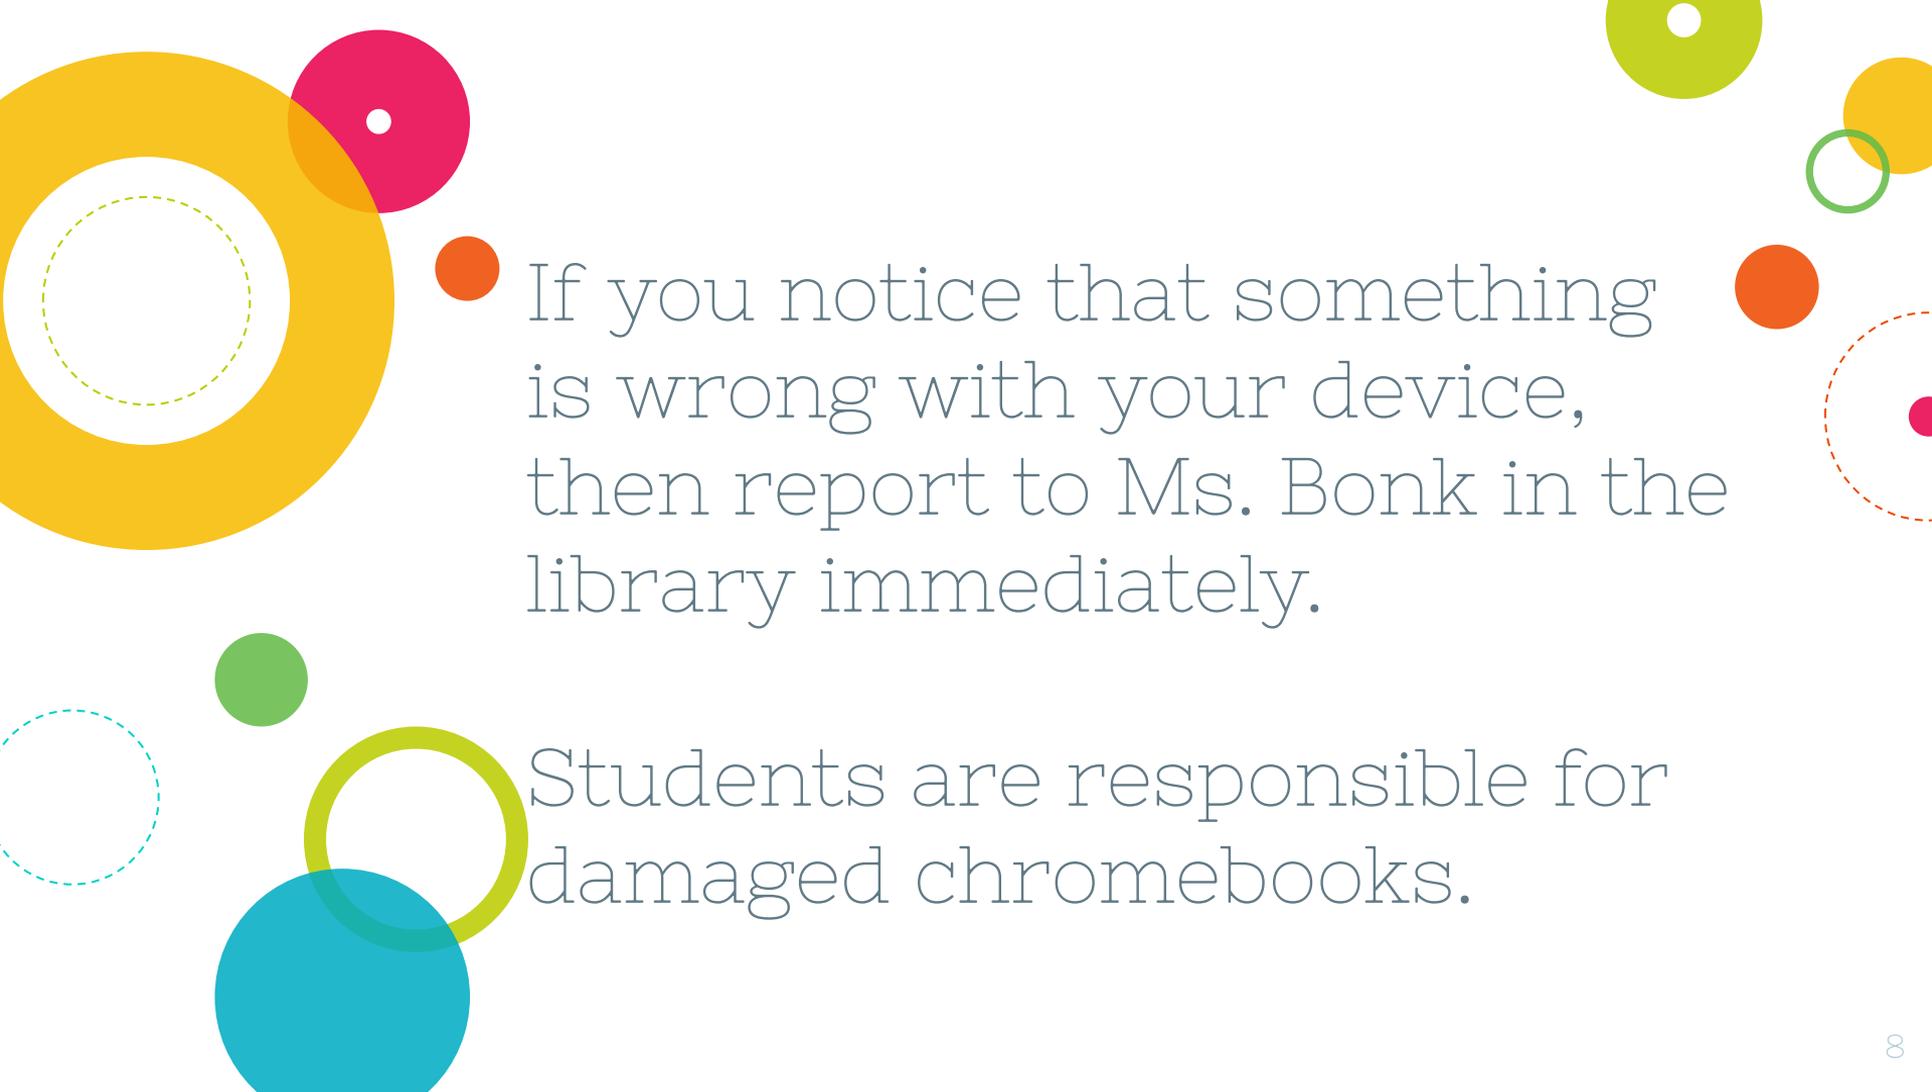

NO FOOD or Drink
near your Chromebook

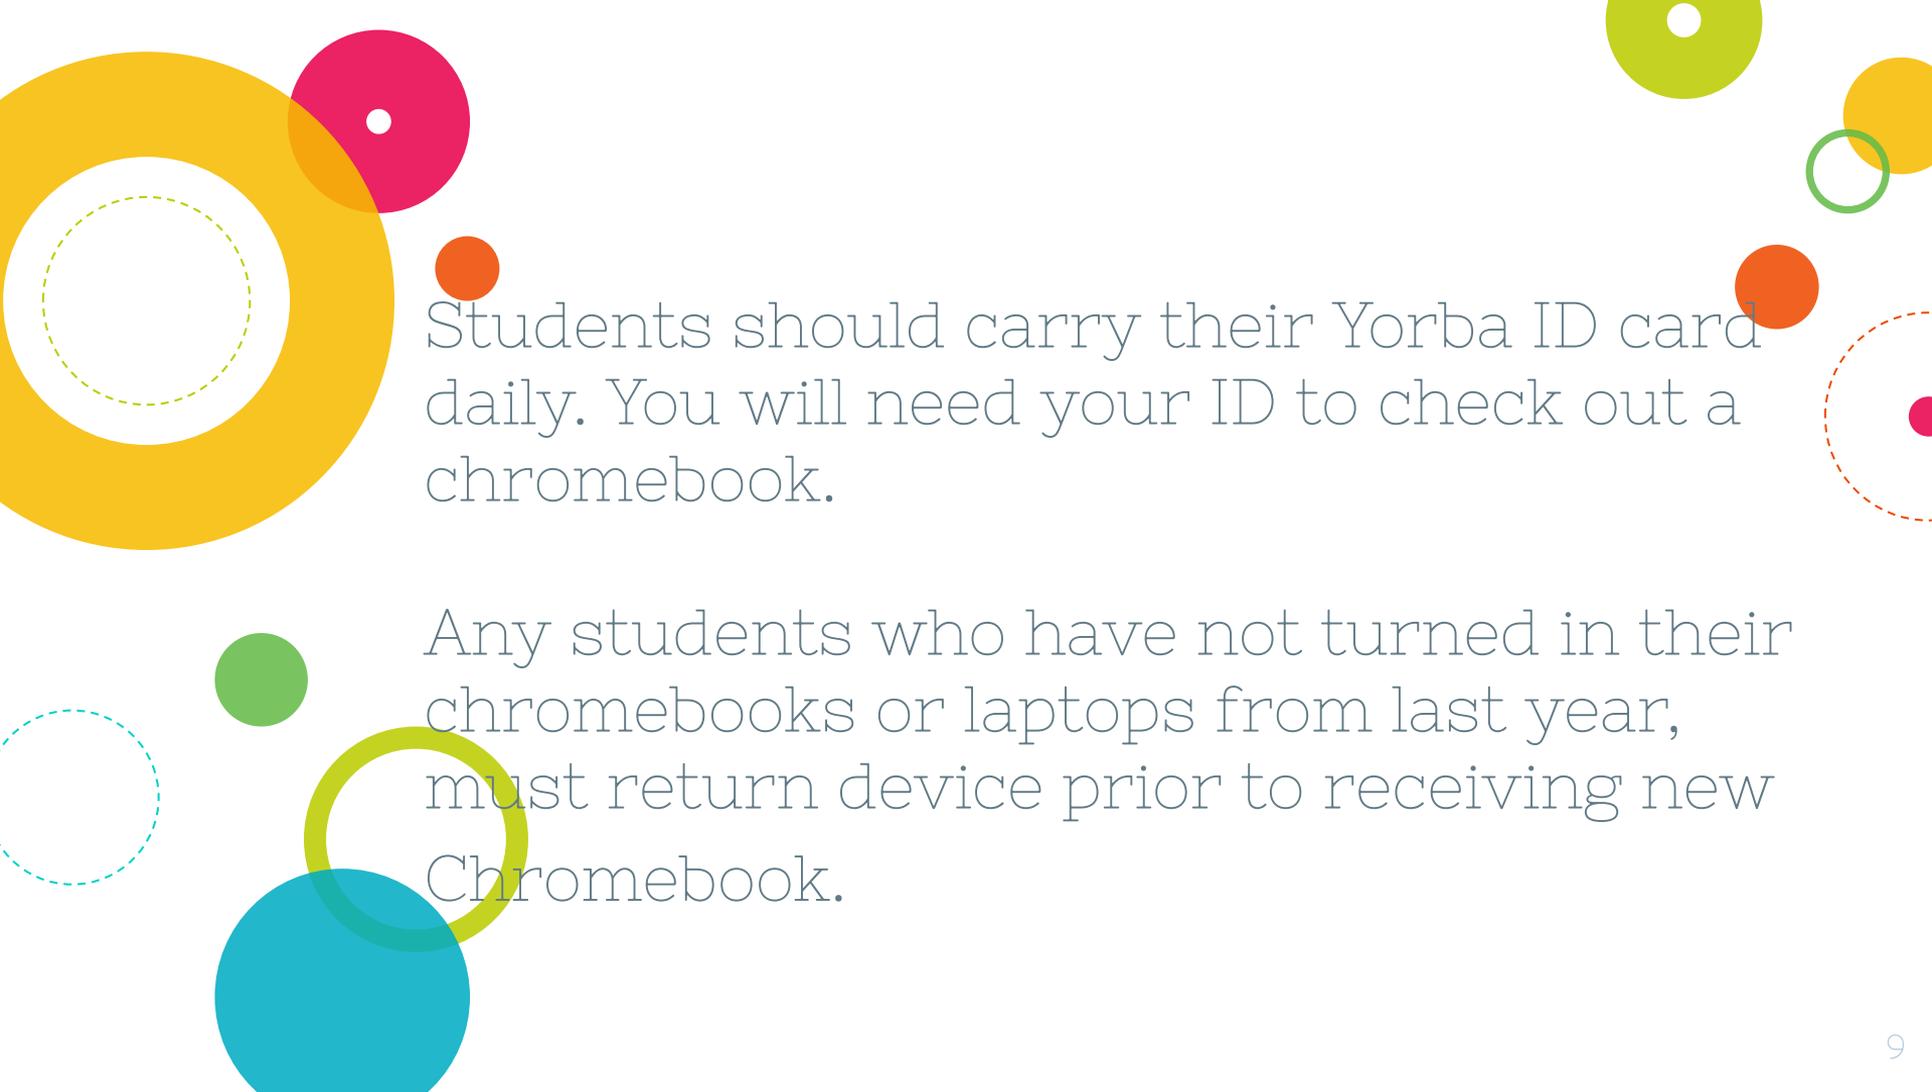

Please DO NOT peel your
barcode off your
chromebook.

There is a \$5 charge for any
barcodes removed.

If you notice that something is wrong with your device, then report to Ms. Bonk in the library immediately.

Students are responsible for damaged chromebooks.

Students should carry their Yorba ID card daily. You will need your ID to check out a chromebook.

Any students who have not turned in their chromebooks or laptops from last year, must return device prior to receiving new Chromebook.

Thanks!
